The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the muturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Invenent." It will be the new amount of my monthly payment unless I choose the amount permitted by Section 5 below.

Thereafter, on each of the first four anniversaries of my new monthly payment effective date, my monthly payment will again increase to an amount equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. These amounts are called the "Graduated Limited Payments."

Even if I have chosen to limit my monthly payment, Section 5(B), 5(C) or 5(D) below may require me to pay a different amount.

### (B) Reduced Monthly Payment

A Graduated Limited Payment could be greater than the amount of a monthly payment which then would be sufficient to repay my unpaid principal in full on the maturity date at my current interest rate in substantially equal payments. If so, on the date my paying a Graduated Limited Payment would cause me to pay more than the lower amount, I will instead then begin paying the lower amount as my monthly payment until the next Change Date.

### My paying a Graduated Limited Payment could cause my unpaid principal to exceed the limit stated in Section 6(B) below. If so, on the date that my paying my monthly payment would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Change Date. The new monthly payment will be in an

amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my current interest rate in substantially equal payments.
