UNIFORM COVENANTS

Borrower and Lender covenant and agree as follows:

1 2 3 4 5

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums, and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings, which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Reinstatement. If Borrower meets certain conditions, Borrower shall have the right to have application of this Security instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this agreement or (b) entry of a judgment enjoining this Security instrument. These conditions are that Borrower: (a) pays all sums which would be due under this Security instrument; (b) pays all expenses incurred in enforcing this agreement; (c) pays all other amounts or agreements of any other security instrument; and (d) takes such action as lender may reasonably require to assure the security instrument is not violated. (e) pays all costs of collection or acceleration of this agreement; (f) pays all costs of collection or acceleration of any other security instrument; and (g) pays all costs of collection or acceleration of any other security instrument.

This Security Instrument fails to pay these sums prior to the expiration of this Period. Lender may invoke any of the rights mentioned in this Security Instrument if payment is delayed or made in an amount less than 10 days from the date the debt is due.

If under exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of at least ten days during which Borrower may cure the default.

16. Borrower's Copy. Borrower shall be given one countermarked copy of the note and of this security.

17. Transfer of the Property or Beneficiary or Beneficiary Interests in Borrower. If all or any part of the property or beneficial interest in Borrower is sold or transferred to a natural person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums received by this Security Instrument. However, this note shall not be exercised by Lender if exercise is prohibited by law.

Note which can be given effect without the conflicting provision. To this end the provisions of this Security Lien Agreement or the Note which conflict shall not affect other provisions of this Security Lien Agreement.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the property is located. In the event that any provision of this Security Instrument or the indenture is held invalid, illegal or unenforceable, such provision shall be severed from the remaining provisions of this instrument.

13. **Legislation After Lender's Rights.** If enactment of a copyright of applicable laws has the effect of ready enabling any provision of the Note or this Security Instrument to become non-enforceable according to its terms, Lender, in its opinion, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19, if Lender exercises this option. Lender shall take the steps specified in the second paragraph of paragraph 17.

12. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is usually interpreted so that it creates or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge below the permitted limit; and (b) any sums already collected from the borrower which exceed the Note or by making a direct payment to Borrower if a receiver reduces principal, the reduction will be treated as partial prepayment under the Note.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums needed by this Security Instrument, whether or not then due.

before the taking, divided by (b) the fair market value of the property immediately before the taking. Any balance shall be paid to Borowec.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, the amounts borrowed and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in consequence of condemnation and shall be paid to the lessee for carrying out any part of the Property, or for concierge in lieu of condominium, are hereby assigned and shall be paid to the lessee.

8. Insurance premiums in accordance with Section 2(1)(b) of the Act may be paid by the Insurer or the Insured.

If Leander received mortgagage insurance as a condition of making the loan secured by this Security Instrument for the Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirements for the
