1827 N. DAYTON, U-E, CHICAGO, IL 60614

(Property Address

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.

The Note provides for an initial interest rate of 9 • 250 %. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

"4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) General.

The interest rate, pay will change based on movements of the index (described in Section 4(C)) and rate change limitations (described in Section 4(E)).

(B) Changa Dates.

The interest rate I pay may change on the first Change Date and on every January 1 and July 1 thereafter. Each day on which my interest rate could change is called a "Change Fe te". Since interest is collected in arrears, the amount of my monthly payment may change on each February 1 and August 1 after the first Change Date.

(C) The Index.

Beginning with the first Change D to, my interest rate will be based on an Index. Although the Index value on the first Change Date cannot be predicted, the Index value for the month of September 19 86 was 5.710%.

The "index" is the monthly average yield, expressed as a percent per annum, for six month certificates of deposit (CDs) traded in the secondary market, as published in the Federal Reserve's statistical recessed. The new rate for each six month period will be based on the most recent index available at the end of the month preceding the Change Date. If the Index is no longer available, the Note Holder will choose a new index and will give me notice of this choice.

(D) Calculation of Changes.

Before each Change Dato, the Note Holder will calculate my new interest rate by adding 2.6 percentage points to the Index. The Note Holder will then apply the limits in Section 4(E). The result will be my new intriest rate until the next Change Date.

With each interest rate change, the Note Holder will determine the near amount of the monthly payment necessary to repay my loan in substantially equal payments by the maturity date. I will be notified of each change in ny interest rate and loan payment in accordance with Section 4(G).

(E) Limits on interest Rate Changes.

On the first Change Date, the interest rate will not increase or decrease from the initial rate set forth in Section 2 by more than ______percentage points. On any Change Date after the first Change Date, the interest rate will not increase or decrease from the rate in effect by more than one (1) percentage point or by less than one-tenth of one (0.10) percentage point.

During the life of the loan, the interest rate will not increase from the initial rate set forti. In Section 2 by more than 4.000 percentage points.

(F) Effective Date of Changes.

My new interest rate will become effective on each Change Date. I will pay the amount of my liew monthly payment on the first monthly payment date after each Change Date until the amount of my monthly payment changes again.

(G) Notice of Changes.
