15. In order to provide for the payment of taxes, the undersigned promises to pay monthly in addition to the above payments, one-twelfth of the annual real estate taxes as estimated by the holder of said note, in such manner as the holder may prescribe, so as to provide for the current year's tax obligation on the last day of each month during the term of said obligation. The undersigned promises further to pay monthly a pro-rata share of all assessments, future hazard insurance premiums, and any other charges that may accrue against the property securing ~~said indebtedness~~. Holder shall have waived such option to accelerate if, prior to the sale or transfer, Holder and the person to whom the property is to be sold or transferred reach agreement, in writing, that the credit of such person is satisfactory to Holder and that the interest payable on the sums secured by this Mortgage shall be at such rate as Holder shall require. If Holder has waived the option to accelerate provided in this paragraph, and if Mortgagor's successor in interest has executed a written assumption agreement accepted in writing by Holder, Holder shall release Mortgagor from all obligations under this Trust Deed.

If Holder exercises such option to accelerate, Holder shall mail notice of acceleration to Mortgagors, and the Mortgagors shall have not more than thirty (30) days from the date the notice is mailed within which to pay the sums declared due. If Mortgagors fail to pay such sum prior to the expiration of such period, Holder may, without further notice or demand on Mortgagors, invoke any remedies permitted by law.
