UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them in time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvement, now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amount and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Reinstatate. If Borrower meets certain conditions, Borrower shall have the right to have remedies permitted by this Security instrument to the same extent as provided in the original note or promissory note.

19. Borrower's Right to Reinstatate. If Borrower meets certain conditions, Borrower shall have the right to reinstate this Security instrument to the same extent as provided in the original note or promissory note.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any of the rights set forth in this instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. 13. **Legislative Affection Lender's Rights.** If enactments or application of applicable laws has the effect of rendening any provision of this Note or this Security Instrument unnecessary according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted under this option. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

12. **Loan Charges.** If the loan secured by this security instrument is subjected to a law which sets maximum loan charges, and that law is finally interpreted so that the interests or other loan charges collected or to be collected in charges, and that law is finally interpreted so that the interests or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (b) any such loan charge shall be reduced by the amount permitted by the Note or by making a direct payment to Borrower. If a note and reduces principal, the reduction will be treated as partial repayment without any prepayment charge under the Note.

11. Successors and Assigns; Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security instrument shall bind all successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17, Borrower's successors and assigns shall be joint and several. Any Borrower who co-signs this Security instrument shall be liable for all obligations of Lender and Borrower under this Security instrument but does not execute the Note; (a) is co-signing this Security instrument only to mortgage, grant and convey the sums secured by this Property under the terms of this Security instrument; (b) is not personally obligated to pay the sums secured by this Security instrument; (c) agrees that Lender and any other Borrower may extend, modify, forgive any accommodations, and/or disregard to the terms of this Security instrument or the Note without Borrower's consent.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 of change the amounts of such payments.

Given a set of items, let's consider how we can use them to make an award. We can either give a single item to one person or multiple items to different people. The choice depends on the nature of the award.

ADJUSTABLE RATE RIDER (1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 23rd day of October 1986, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to UNIVERSITY SAVINGS & LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at

4940 S EAST END #3F, CHICAGO, ILLINOIS 60615
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.900 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of December 1987, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and six tenths percentage points (2.600 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125 %). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.900 % or less than 5.900 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.900 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

Fixed Rate Conversion Option 805329

THIS ADDENDUM TO ADJUSTABLE RATE RIDER OR GRADUATED PAYMENT RIDER is made this 23rd day of October 1986, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider or Graduated Payment Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note or Graduated Payment Note, with Addendum To Adjustable Rate Graduated Payment Note, to

UNIVERSITY SAVINGS & LOAN ASSOCIATION (the "Lender")
and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

4940 S EAST END #3F, CHICAGO, ILLINOIS 60615
(Property Address)

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

A. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

1. Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section A1 or Section A3 below will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to a fixed rate.

The conversion can only take place on the third, fourth or fifth Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed rate also is called a "Conversion Date". I can convert my interest rate only on one of these three Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I must give the Note Holder notice that I am doing so at least 15 days before the next Conversion Date, (b) on the Conversion Date, I am not in default under the Note or the Security Instrument; (c) by the Conversion Date, I must pay the Note Holder a conversion fee equal to one percent (1.0%) of the unpaid principal I am expected to owe on that Conversion Date plus U.S. \$ 0.00, and (d) by the Conversion Date, if an appraisal report is required by Section A3 below, the Note Holder has received the report and I have paid the appraisal fee and any amount necessary to reduce unpaid principal, and (e) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

2. Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield for 30-year, fixed rate mortgages covered by 30-day mandatory delivery commitments in effect as of the date 45 days before the Conversion Date, plus five-eighths of one percent (0.625%). If this reduced net yield is not available, the Note Holder will determine my interest rate by using a comparable figure.

3. Reduction of Principal Balance Before Conversion: Appraisal

If the unpaid principal I am expected to owe on the Conversion Date will be greater than the original principal amount of my loan, the Note Holder may require an appraisal report on the value of the property described in the Security Instrument. The appraisal report must be prepared by a qualified appraiser chosen by the Note Holder. I will pay the Note Holder a reasonable fee for this appraisal report.

The unpaid principal I am expected to owe on the Conversion Date could be an amount greater than 95% of the appraisal report's stated value of the property securing my loan. If so, I cannot exercise the Conversion Option unless I pay the Note Holder an amount sufficient to reduce my unpaid principal to an amount equal to 95% of the stated value of the property.

4. Determination of New Payment Amount

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If Borrower exercises the Conversion Option under the Note as stated in Section A of this Addendum To Adjustable Rate Graduated Payment Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in the Rider shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

CONDOMINIUM RIDER 5329

THIS CONDOMINIUM RIDER is made this **23rd** day of **October** **1986**
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note(s).

UNIVERSITY SAVINGS & LOAN ASSOCIATION (the "Lender")
of the same date and covering the Property described in the Security Instrument and located at

4940 S EAST END #3F CHICAGO, ILLINOIS 60615

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:

THE BARCLAY

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

CONDONIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium Project, (ii) by-laws, (iii) code of regulations, and (iv) other equivalent documents. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards insurance within the term "extended coverage," then:

(a) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property, and

(b) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association in place.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair of damage to the Property, whether to the unit or the common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender to application to the sums secured by the Security Instrument, with any excess paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to cause the Owners Association maintain a public liability insurance policy acceptable to Lender, and exempt from coverage by Lender.

D. Condemnation. The proceeds, if any award, of claim for damages, direct or consequent upon any taking of the Property in connection with any condemnation, or other taking of all or any part of the Property, whether fire and/or other common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such awards shall be applied by Lender to the sums secured by the Security Instrument, as provided in Uniform Covenant.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(a) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire, other casualty, or title defect, or for condemnation by eminent domain;

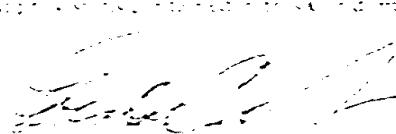

(b) any amendment to any provision of the Constituent Documents of the Project or of the easements held by Lender;

(c) the termination of professional management and assumption of such management by another Association;

(d) any action which would have the effect of rendering the public liability insurance maintained by the Owners Association unacceptable to Lender.

F. Remedies.
