TOGETHER with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, and rents, all of which shall be deemed to be and remain a part of the property covered by this Mortgage; and all of the foregoing, together with the property (or the leasehold estate if this Mortgage is on a leasehold) are referred to in this Mortgage as the "Property".

Borrower covenants that Borrower is lawfully seised of the estate hereby conveyed by this Mortgage and has the right to mortgage, grant and convey the Property, and that the Property is unencumbered, except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record.

THIS IS AN ADVANCE MONEY MORTGAGE. It is understood and agreed that this Mortgage secures present and future obligatory advances made by Lender under the Agreement to or for the benefit of Borrower, and that the lien of future advances up to the Credit Limit set forth in the Agreement shall relate back to the date of recording of this Mortgage and that the lien of advances above the Credit Limit set forth in the Agreement up to any subsequently established Credit Limit shall relate back to the date any amendment of this Mortgage relating to that increase in the Credit Limit is recorded. Pursuant to the Agreement, Borrower may borrow sums under the Agreement from time to time so long as the outstanding principal balance does not at any time exceed the Credit Limit in the Agreement, now set at \$120,000.00, plus interest, and any disbursements made for the payment of taxes, levies or insurance on the Property, with interest on those disbursements. Borrower and Lender agree that full repayment of sums outstanding at any time under the Agreement shall not extinguish the Agreement or the security of this Mortgage for amounts which Borrower may subsequently borrow and owe to Lender under the Agreement, so long as Borrower is still entitled at the time of the borrowings to obtain additional advances under the Agreement.

NOTICE: THIS MORTGAGE SECURES AN AGREEMENT WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. The interest rate will be at 11.50 percentage points above the 26 Week United States Treasury Bill coupon equivalent rate established at the fourth weekly auction which takes place in the calendar month immediately preceding the first day of each monthly billing cycle (the "Index") or b) 11.50 percentage points above the Prime Rate defined as the base rate on corporate loans at large United States money center commercial banks and as most recently published in The Wall Street Journal prior to the last business day of the month immediately preceding the first day of each monthly billing cycle (the "Index"). If more than one rate is published, Borrower will be charged the highest rate.

This means that the interest rate may change each billing cycle. Each change in the interest rate will apply to any principal balance outstanding on the effective date of such change as well as to the future advances. An increase in the Index will increase the Borrower's total interest and the minimum monthly payment due pursuant to the Agreement. Lender reserves the right to, at any time, charge the Borrower a lower rate than the formula might indicate without losing any rights. The interest rate will at no time be reduced below 8.95%. If the Index is no longer available, Lender will choose a new index which is an interest rate index or a national or regional index that measures the rate of inflation or the rate of change in consumer disposable income.

Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest and Performance of other Covenants in the Agreement.** Borrower shall pay promptly when due the principal, interest and other indebtedness evidenced by the Agreement. Borrower shall perform all other covenants contained in the Agreement.
2. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Agreement and Paragraph 1 of this Mortgage shall be applied by Lender first to credit life insurance premiums (where applicable); then to late charges, if any; then to accrued interest payable under the Agreement; then to any applicable penalties and fees, and finally to the principal owed under the Agreement.
3. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any.
4. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender, provided, that such approval shall not be withheld unreasonably. All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Mortgage, whether or not then due.

5. **Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-law, and regulations of the condominium or planned unit development, and constituent documents.

Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorney's fees, and take any action that is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loans secured by this Mortgage, Borrower shall pay the premiums required to maintain the insurance in effect until the time that the requirement for maintaining the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this Paragraph 6 with interest thereon, at the Annual Percentage Rate applicable to loans made pursuant to the Agreement, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, those amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this Paragraph 6 shall require Lender to incur any expense or take any action under this Mortgage.

7. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any inspection specifying a reasonable cause for the inspection which is related to Lender's interest in the Property.
8. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.
9. **Borrower Not Released; Forbearance by Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Mortgage granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against the successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage because of any demand made by original Borrower and Borrower's
