Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and in case of a sale and a deficiency during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period.
