1. The Assignor does hereby Empower the Assignee, its agents or attorneys, to collect, sue for, settle, compromise and give acquittances for all of the Rents that may become due under the Leases and guarantees as the Assignor might have pursued but for this assignment.

2. The Assignor Warrants:

(a) that Assignor is the owner in fee simple absolute of the Premises and has good title to the Leases and Rents;

(b) that the Leases and guarantees are in full force and effect, that it has not heretofore assigned or pledged the same or any interest therein, and no default exists on the part of the lessees, or the Assignor, as lessor, in the performance on the part of either, of the terms and covenants, provisions or agreement in the Leases contained;

(c) that no Rent has been paid by any lessee for more than one installment in advance, and that the payment of none of the Rents to accrue under the Leases has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by the Assignor;

(d) that the Assignor waives any rights of set-off against the Lessee; and

(e) that except as shown in the current rent roll attached to the application for the loan, evidenced by the Note and Mortgage, submitted to Assignee by or on behalf of Assignor, the Leases and guarantees have not been amended or modified, nor have any of the rights of the lessor therein been waived.

All of the foregoing warranties are hereby reaffirmed as of the time of each disbursement of proceeds of loan.

3. To Protect the Security of this Assignment, the Assignor Covenants and Agrees as follows:

(a) that the Leases shall remain in full force and effect irrespective of any merger of the interest of the lessor and lessee thereunder; and that it will not transfer or convey the fee title to the Premises to any of the lessees without requiring such lessees, in writing to assume and agree to pay the debt secured hereby in accordance with the terms, covenants and conditions of the Note and Mortgage and without first obtaining the express written consent of the Assignee;

(b) that if the Leases provide for the abatement of Rent during repair of the demised Premises by reason of fire or other casualty, the Assignor shall furnish rental insurance to the Assignee, the policies to be in amount and form and written by such insurance companies as shall be satisfactory to the Assignee;

(c) not to terminate, modify or amend the Leases or any of the terms thereof, or grant any concessions in connection therewith, either orally or in writing, or accept a surrender thereof without the written consent of the Assignee, and that any attempted termination, modification, or amendment of the Leases without such written consent shall be null and void;

(d) not to collect any of the Rents, income and profits arising or accruing under the Leases in advance of the time when the same become due under the terms thereof;

(e) not to discount any future accruing Rents;

(f) not to execute any other assignments or instruments having the legal effect of assignments, or suffer or permit assignments to occur by operation of law, of the Leases or the reversions therein or any interest therein or any of the Rents thereunder, except, subject hereto, to a purchaser of the Premises;

(g) to perform all of Assignor's covenants and agreements as lessor under the Leases and not to suffer or permit to occur any release of liability of the lessees, or any right to the lessees to withhold payment of Rents; and to give prompt notices to the Assignee of any notice of default on the part of Assignor with respect to the Leases received from the lessees thereunder, and to furnish Assignee with complete copies of said notices;

(h) if so requested by the Assignee to enforce the Leases and guarantees and all remedies available to the Assignor against the lessees and Guarantors, in case of default under the Leases by the lessees, or under said guarantees by Guarantors;

(i) that none of the rights or remedies of the Assignee under the Mortgage shall be delayed or in any way prejudiced by assignment;

(j) that notwithstanding any variation of the terms of the Mortgage or any extension of time for payment thereunder or any release of part or parts of the lands conveyed thereunder, the Leases and guarantees and benefits hereby assigned shall continue as additional security in accordance with the terms hereof;

(k) not to alter, modify or change the terms of any guarantees of any of the Leases or cancel or terminate such guarantees without the prior written consent of the Assignee, or suffer or permit to occur any release of liability of the Guarantor or Guarantors under such guarantees; not to omit to be done anything which may be requisite to keep in effect or render enforceable any guarantee; and promptly to advise the Assignee of any notification or other knowledge or information received by the Assignor or coming to the Assignor's attention of any defenses or claims of non-liability, in whole or in part, of any Guarantor under such guarantee;

(l) not to consent to any assignments of the Leases, or any subletting thereunder, whether or not in accordance with their terms, without the prior written consent of the Assignee;

(m) not to request, consent to, agree to or accept a subordination of the Leases to any mortgage or other encumbrance or lease now or hereafter affecting the Premises, or suffer or permit conversion of any of the Leases to subleases; and

(n) not to engage in any so-called sale and leaseback transaction, or in any other way to lease all or portions of the Premises under any lease which is subject or subordinate to any of the Leases assigned hereby without the prior written consent of the Assignee.

#### 4. The Assignor further Agrees, Acknowledges and Understands:

(a) The security of this assignment is and shall be primary and on a parity with the real estate conveyed by the Mortgage and not secondary. All amounts collected hereunder, after deducting the expenses of operation of the demised premises and after deducting the expenses of collection, shall be applied on account of the indebtedness secured by the Mortgage, or in such other manner as may be provided for in the Mortgage, and nothing herein contained shall be construed as constituting Assignee a trustee or mortgagee in possession.

(b) In the event any representation or warranty herein of Assignor shall be found to be untrue or Assignor shall default in the observance or performance of any obligation, term, covenant, condition or warranty herein, then, in each such instance, the same shall constitute and be deemed to be a default under the Note and Mortgage hereby entitling Assignee to declare all sums secured thereby and hereby immediately due and payable and to exercise any and all of the rights and remedies provided thereunder and hereunder as well as by law.

(c) Upon issuance of a deed or deeds pursuant to foreclosure of the Mortgage, all right, title and interest of the Assignor in and to the Leases and guarantees shall, by virtue of this instrument, thereupon vest in and become the absolute property of the grantee or grantees in such deed or deeds without any further act or assignment by the Assignor. Assignor hereby irrevocably appoints Assignee and its successors and assigns, as its agent and attorney in fact, to execute all instruments of assignment or further assurance in favor of such grantee or grantees in such deed or deeds, as may be necessary or desirable for such purpose.

(d) In the exercise of the powers herein granted the Assignee, no liability shall be asserted or enforced against the Assignee, all such liability being hereby expressly waived and released by the Assignor. The Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases, or under or by reason of this assignment, and the Assignor shall and does hereby agree to indemnify the Assignee for and to hold it harmless of and from any and all liability, loss or damage which it may or might incur under the the Leases or under or by reason of this assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases and guarantees. Should the Assignee incur any such liability, loss or damage under the Leases or under or by reason of this assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and the Assignor shall reimburse the Assignee therefor immediately upon demand.

(e) Although it is the intention of the parties that this instrument shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that the Assignee shall not exercise any of the rights or powers herein conferred upon it until a default shall occur under the terms and provisions of this assignment or of the Note or Mortgage, but upon the occurrence of any such default the Assignee shall be entitled, upon notice to the lessees, to all Rents and other amounts then due under the Leases and guarantees and thereafter accruing, and this assignment shall constitute a direction to and full authority to the lessees and Guarantors to pay all such amounts to the Assignee without proof of the default relied upon. The lessees and Guarantors are hereby irrevocably authorized to rely upon and comply with (and shall be fully protected in so doing) any notice or demand by the Assignee for the payment to the Assignee of any rental or other sums which may be or
