(a) Should Assignor fail to make any payment due hereunder or do any act as herein provided, then Assignee, without any obligation to do so and without releasing Assignor from any obligation hereof, may make or do the same in such manner and to such extent as Assignee may deem necessary to protect the security hereof, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding

purporting to affect the security hereof or the rights or powers of Assignee, and also the right to perform and discharge each and every obligation, covenant and agreement of the Assignor in the Leases contained, and in exercising any such powers to incur and pay necessary costs and expenses, including reasonable attorney's fees, all at the expense of Assignor.

(b) Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability of Assignor under the Leases or this Assignment, and Assignor shall and does hereby agree to indemnify and to hold Assignee harmless of and from any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertaking on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases, except any such claims or demands resulting from the negligence of the Assignee. Should Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and Assignor shall reimburse Assignee therefor with interest at the default rate provided in the Note immediately upon demand.

(c) Nothing herein contained shall be construed as constituting Assignee a "Mortgagee in possession" in the absence of the taking of actual possession of the Property by Assignee pursuant to the provisions hereinafter contained. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor.

(d) A demand on any lessee by Assignee for the payment of the rent on any default claimed by Assignee shall be sufficient authority to the lessee to make future payment of rents to Assignee without the necessity for further consent, instruction or authorization by Assignor.

(e) Assignor does further specifically authorize and instruct each and every present and/or future lessee of the whole or any part of the Property to pay all unpaid rental agreed upon in any tenancy to Assignee upon receipt of demand from Assignee to pay the same, and Assignor hereby waives any right, claim or demand it may now or hereafter have against any such lessee by reason of such payment of rental to Assignee or compliance with other requirements of Assignee pursuant to this Assignment.

Default

Upon, or at any time after, default in the payment of any indebtedness secured hereby or in the performance of any obligation, covenant, or agreement contained herein or in any of the Loan Papers, Assignee may, at its option, without regard to the

adequacy of the security for the indebtedness hereby secured, either in person or by agent, with or without bringing any action or proceeding, or by a receiver to be appointed by a court, enter upon, take possession of, manage and operate the Property or any part thereof, and do any acts which Assignee deems proper to protect the security hereof; and, either with or without taking possession of said property, in the name of Assignor or in its own name, sue for or otherwise collect and receive such rents, issues, profits, and advances, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including, but not being limited to, reasonable attorneys' fees, management fees and broker's commissions, toward the indebtedness secured hereby, in such order as Assignee may determine. Assignee reserves, within its sole discretion, the right to determine the method of collection and the extent to which enforcement of collection of delinquent rents shall be prosecuted, and shall not be accountable for more monies than it actually receives from the Property. The entering upon and taking possession of said Property or the collection of such rents, issues, profits and advances and the application thereof as aforesaid shall not cure or waive any default under the Note or any of the other Loan Papers, and Assignee may continue to so possess and collect even after any such default has been cured. Assignor agrees that it will facilitate in all reasonable ways Assignee's collection of said rents and will, upon request by Assignee, promptly execute a

Assignee's Right to Exercise Remedies

No remedy conferred upon or reserved to Assignee herein or in any of the Loan Papers is intended to be exclusive of any other remedy or remedies, and each and every such remedy and all representations contained herein and in the other Loan Papers shall be cumulative and concurrent and shall be in addition to every other remedy given hereunder and thereunder or now or hereafter existing at law or in equity or by statute. Any and all remedies available to Assignee may be pursued singly, successively or together against the Assignor and/or the Property, according to the sole discretion of Assignee. No delay or omission of Assignee to exercise any right or power shall be construed to be a waiver of any such default or any acquiescence therein, and every power and remedy given by this Assignment to Assignee may be exercised from time to time as often as may be deemed expedient by Assignee.

Defeasance

As long as Assignor shall not have defaulted in the payment of any indebtedness secured hereby or in the performance of any obligations, covenant, or agreement contained herein or in the Loan Papers, Assignor shall have the right to collect upon, but not prior to accrual, all rents, issues, profits and advances from the Property and to retain, use and enjoy the same. Upon the payment in full of all indebtedness secured hereby and the
