May Sampson

THEREIN REFERRED TO AS "MORTGAGOR" AND CHICAGO TITLE AND TRUST COMPANY,
TRUSTEE.

**(Continuation of agreements of Mortgagor from paragraph 6 of the covenants, conditions and provisions, (events which may cause all unpaid indebtedness secured by this Trust Deed to become at once due and payable)).

or (c) immediately upon the dissolution or death of any maker and/or guarantor of the Note, or (d) as the terms and conditions under which the loan evidenced by the Note secured by this Trust Deed are predicated on the continued ownership of the undersigned and the continued holding of interest of the guarantors of the Note either in the real estate subject to this Trust Deed and/or, in the beneficial interest in the land trust holding title to the real estate, and as that continued ownership or holding of interest has been an integral part of the negotiations of the terms and conditions, (i) immediately in the event the undersigned's interest in the real estate, or any part thereof, or any of the incidents of ownership thereto, are sold, transferred, conveyed, whether outright or by instalment or contract sale, or (ii) immediately in the event any or all guarantors of the Note shall sell, assign, transfer or convey any portion or all of the beneficial interest in the land trust holding title to the real estate which is the subject of this Trust Deed, or shall, in any manner, sell, assign, transfer, or convey any portion or all of the power of direction over the land trust whatsoever, (with the exception that with the written consent of the holder or holders of the Note, which consent shall not be unreasonably withheld, the collateral assignment of beneficial interest will not accelerate the contracted maturity of the indebtedness.)

(Additional agreements of First Party continued from Trust Deed.)

17. The principal of each of said instalments and of the final payment unless paid when due shall bear interest after maturity at the same rate as the postmaturity rate stated in the Note. Interest at the postmaturity rate as specified in the Note is to be charged monthly on all past due interest that is earned and unpaid and said past due interest and additional interest are to be added on the last day of each month to the unpaid principal balance of the Note that this Trust Deed secures. The undersigned shall pay to the holder or holders of the Note a LATE CHARGE in an amount equal to TWO percent (2%) multiplied by the entire amount of any instalment (including principal and interest) not received by the holder or holders of the Note on or before TEN (10) DAYS after the due date of that instalment.

18. Taxes, assessments, insurance premiums and other annual charges upon the real estate are to be paid monthly to the holder of the Note this Trust Deed secures, as provided in said Note.

19. Mortgagor covenants and agrees that this Trust Deed and the Note secured thereby are to be construed and governed by the laws of the State of Illinois, and that the entire proceeds of the Note shall be used for business purposes as defined in Chapter 17 of the Illinois Revised Statutes.

20. Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Trust Deed, on its own behalf and on behalf of each and every person, except decree or judgement creditors of Mortgagor, acquiring any interest in or title to the premises subsequent to the date of this Trust Deed.
