UNIFORM COVENANTS. Borrower and Lender covenants and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remedy. If Borrower makes certain conditions, Borrower shall have the right to have cancellation of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable) from the date specified for cancellation; or (b) entry of a judgment enjoining this Security Instrument. Those conditions are set forth in this Security Instrument: (a) pays Lender all sums which Lender would be due under this Security Instrument and the Note had no acceleration (b) pays Lender all sums which Lender would be due under this Security Instrument and the Note had no acceleration (c) pays all other expenses incurred in collecting any amount due under this Security Instrument (d) pays all attorney fees, costs and expenses incurred by Lender in the collection of any amount due under this Security Instrument. If (a) through (d) occur, Lender may exercise its rights under this Section 18.

If I demand exercises during the period, I demand that all Give Borrower notice of acceleration. In the event that any provision of this Security Instrument is held to be contrary to the applicable law, such provision shall not affect other provisions of this Security Instrument or the Note which can be enforced without the conflicting provision. To the extent that the provisions of this Note are deemed to be severable, they shall remain in effect notwithstanding the invalidity of any other provision.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery or by mailing it by first class mail unless otherwise specified in law. Requests for notices shall be given by delivery or by telephone to Borrower at his address set forth in the instrument or at any other address Lender designates by notice to Borrower. Any notice provided for in this paragraph shall be deemed to have been given to Borrower if given when given as provided for in this paragraph.

13. **Legislative Action Against Landlord's Rights.** If enacted, it will have the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms. Landlord, in his opinion, may regard payment in full of all sums secured by this Security Instrument as the best exercise of his option. Landlord shall take the steps specified in the second paragraph of paragraph 17.

12. **Lien on Charge.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loans charges collected or to be collected in connection with the loan exceed the law, then the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (b) any sums already collected from Borrower which exceed the permitted limits will be refunded to Borrower. ADJUSTABLE RATE RIDER (ANNUAL AND LIFETIME RATE CAPS)

THIS ADJUSTABLE RATE RIDER is made this day of . . . DECEMBER . . . 19 . . 86 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to . . . BELL FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

..... 9343 N. CENTRAL PARK, SKOKIE, IL 60076
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER MAY LIMIT MONTHLY PAYMENT INCREASES TO 7½% EACH YEAR IF THE PROVISIONS OF THE NOTE PERMIT IT.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of . . . 7.500%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES; BORROWER'S RIGHT TO LIMIT PAYMENT

(A) Change Dates

The interest rate I will pay may change on the first day of . . . JANUARY 19 , and on that day every . . . 12 . . th month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index". The "Index" is the national monthly median cost of funds for Federal Savings and Loan Insurance Corporation insured Savings and Loans, as made available by the Federal Home Loan Bank Board.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND ONE-HALF . . percentage points (. 2.500 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date.

The interest rate cannot be increased or decreased by more than . . . 2.0 . . percentage points at any Change Date. This limitation and the limitation on the new monthly payment increase of Section 4 (F) below will

be effective immediately.

be effective after the first Change Date.

The interest rate on this loan will never exceed . . . 13.500. . . . percent per annum.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment". It will be the new amount of my monthly payment unless I choose the amount permitted by Section 4(F) below.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

If I choose to pay the Limited Payment, my monthly payment could be less than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the month date in full on the maturity date in substantially equal payments. If so, each month that the Limited Payment is less than the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the month date in full on the maturity date in substantially equal payments. The Note Holder will also add interest on the amount of this difference to my unpaid principal each month. The interest rate on the interest added to principal will be the rate required by Section 4(C) above.

QD. Limit on My Unpaid Principal; Increased Monthly Payment

Any unpaid principal can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed.
