11. Trustee shall release this Trust Deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the Note representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears a certificate of identification purporting to be executed by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party; and where the release is requested of the original trustee and it has never executed a certificate on any instrument identifying same as the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed on behalf of First Party.
