9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or the conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the dollar value of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if it is taken by Lender or Borrower that the condemner offers to make an award or settle a claim for damages, Borrower shall respond to Lender within 30 days after the date the notice is given. Lender is authorized to collect and apply the proceeds of the award, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whenever convenient.

Unless Lender and Borrower otherwise agree in writing, all applications of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2, or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Payment of the principal, payment or modification of amortization of the sums secured by this Security Instrument by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest, or to set the extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note shall be co-signer of this Security Instrument only for storage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument to the persons duly obligated to pay the sums secured by this Security Instrument, and so agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any account or adjustment regarding the terms of this Security Instrument or the Note without Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and any amounts collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this reduction reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. Borrower may not invoke applicable laws for the effect of rendering any provision of the Note or this Security Instrument invalid, voidable according to its terms. Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and/or any remedies permitted by paragraph 19. If Lender exercises this option, Lender may take the action specified in the second subparagraph of paragraph 17.

14. Notices. Any notice to Borrower shall be given in this Security Instrument shall be given by delivery of or by mailing by first class mail or by airmail or by law requires. Such notice shall be directed to the Property Address or any other address Borrower has granted to Lender in writing. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given at the office of Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument is governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect the provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end, the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one contemporaneous copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If (a) any part of the Property or any interest in it is sold or transferred, or if a beneficial interest in Borrower is assigned or transferred, or Borrower is not a natural person, or if Borrower enters into Articles of Agreement for Deed, or any agreement for assignment sale of the Property, or the beneficial interest in Borrower and Borrower consents in writing to Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by statute or as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower 30 days' notice. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower fails to cure a default, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 5 days, or such other period as applicable law may specify for reinstatement, before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred, (b) cures any default of any other covenants, agreements, or parts of expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (c) does such other as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reentry of the Property, the Security Interest and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

NON-UNIFORM COVENANTS. Borrower and Lender shall covenant and agree as follows:

19. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). This notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full.

Loan Number 111-1234567890

NOTICE: The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

This Rider is made this 10 day of April, 1985, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Citicorp Savings of Illinois, A Federal Savings and Loan Association

(the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at

1000 N. KEDRON DR., DAYTON, OHIO 45412, as more fully described in the Security Instrument.

In witness whereof,

MODIFICATIONS: In addition to the covenants and agreements set forth in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Interest Rate and Monthly Payment Changes

The Note has an "Initial Interest Rate" of 10.00%. The Note interest rate may be increased or decreased on the **FIRST** day of the month beginning on MAY 1, 1985 and on the **1st** day of the month every 120 months thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the [Check the box to indicate Index.]

(1) The weekly average yield of United States Treasury Securities, adjusted to constant maturity in 10 years, as made available by the Federal Home Loan Bank Board.

In no event over the full term of the Note will the interest rate be increased or decreased by more than 4.075 percentage points (from the Initial Interest Rate). However,

Before each Change Date the Note Holder will calculate the new interest rate by adding 2.15 percentage points to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than 4.00 percentage points (from the rate of interest currently being paid).

(2) * Other:

If the Interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. Loan Charges

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected in connection with the loan exceed the permitted limits; then, (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (2) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

C. Prior Liens

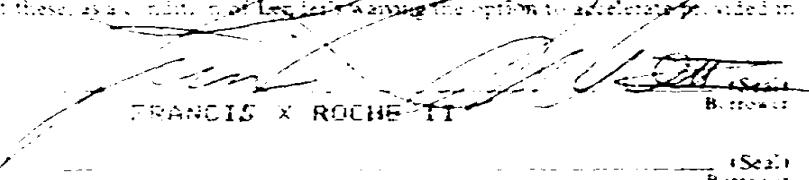

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly execute an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

D. Transfer of the Property

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require an increase in the current Note interest rate, or (2) an increase in or removal of the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

*If more than one box is checked or if no box is checked and Lender and Borrower do not otherwise agree in writing, the first Index named will apply.
