3.1(a) The sole ownership of the entire Lessor's Interest in the Leases is vested in Borrower, and that Borrower has not, and shall not, perform any acts or execute any other instruments which might prevent Assignee from fully exercising its rights under any of the terms, covenants and conditions of this Assignment.

3.1(b) Those Leases listed on the Schedule of Leases (attached hereto as Exhibit "B" and expressly made a part hereof) are valid and enforceable in accordance with their terms and have not been altered, modified, amended, terminated, cancelled, renewed or surrendered nor have any of the terms and conditions thereof been waived in any manner whatsoever except as approved in writing by Assignee.

3.1(c) There are no leases of the subject property except those listed on the Schedule of Leases.

3.1(d) None of the Leases shall be materially altered, modified, amended, terminated, cancelled or surrendered nor any term or condition thereof be waived without the prior written approval of the Assignee.

3.1(e) There are no defaults now existing under any of the Leases and there exists no state of facts which, with the giving of notice or lapse of time or both, would constitute a default under any of the Leases.

3.1(f) Assignor shall give prompt notice to Assignee of any notice received by Borrower claiming that a default has occurred under any of the Leases on the part of the Borrower, together with a complete copy of any such notice.

3.1(g) Each of the Leases shall remain in full force and effect irrespective of any merger of the interest of lessor and any lessee under any of the Leases.

3.1(h) Assignor will not permit any Lease to come before the Mortgage and shall subordinate all leases to the lien of the Mortgage.

4.1 The parties further agree as follows:

4.1(a) This Assignment is absolute and is effective immediately. Notwithstanding the foregoing, until notice is sent to the Assignor in writing that a default has occurred, and has not been cured, under the terms and conditions of the Note or any other instrument constituting additional security for the Note (which notice is hereafter called the "Notice"), Assignor may receive, collect and enjoy the rents, income and profits accruing from the subject property.

4.1(b) In the event of any default at any time in the Note, Mortgage or any other instrument constituting additional security for the Note, Assignee may, at its option after service of a Notice, receive and collect all such rents, income and profits as they become due, from the subject property and under any and all Leases of all or any part of the subject property. Assignee shall thereafter continue to receive and collect all such rents, income and profits, as long as such default or defaults shall exist, and during the pendency of any foreclosure proceedings, and if there is a deficiency, during any redemption period.

4.1(c) Borrower hereby irrevocably appoints Assignee its true and lawful attorney with full power of substitution and with full power for Assignee in its own name and capacity or in the name and capacity of Assignor, from and after the service of the Notice of any default not having been cured, to demand, collect, receive and give complete acquittances for any and all rents, income and profits accruing from the subject property, and at Assignee's discretion to file any claim or take any other action or proceeding and make any settlement of any claims, in its own name or otherwise, which Assignee may deem necessary or desirable in order to collect and enforce the payment of the rents, income and profits. Lessees of the subject property are hereby expressly authorized and directed to pay any and all amounts due Borrower pursuant to the Leases directly to Assignee or such nominee as Assignee may designate in writing delivered to and received by such lessees who are expressly relieved of any and all duty, liability or obligation to Borrower in respect of all payments so made.

4.1(d) From and after service of the Notice of any default that has not been cured, Assignee is hereby vested with full power to use all measures, legal and equitable, deemed by it necessary or proper to enforce this Assignment and to collect the rents, income and profits assigned hereunder, including the right of Assignee or its designee to enter upon the subject property, or any part thereof, with or without force and with or without process of law, and take possession of all or any part of the subject property together with all personal property, fixtures, documents, books, records, papers and accounts of Assignor relating thereto, and may exclude the Assignor, its agents and servants, wholly therefrom. Assignor hereby grants full power and authority to Assignee to exercise all rights, privileges and powers herein granted at any and all times after service of the Notice of any default that has not been cured, without further notice to Assignor, with full power to use and apply all of the rents and other income herein assigned to the payment of the costs of managing and

operating the subject property and of any indebtedness or liability of Borrower to Assignee, including but not limited to the payment of taxes, special assessments, insurance premiums, damage claims, the costs of maintaining, repairing, rebuilding and restoring the improvements on the subject property or of making the same rentable, attorneys' fees incurred in connection with the enforcement of this Assignment, and of principal and interest payments due from Borrower to Assignee on the Note and the Mortgage, all in such order as Assignee may determine according to provisions of the Security Documents executed herewith. Assignee shall be under no obligation to exercise or prosecute any of the rights or claims assigned to it hereunder or to perform or carry out any of the obligations of the lessor under any of the Leases and does not assume any of the liabilities in connection with or growing out of the covenants and agreements of Assignor in the Leases. It is further understood that this Assignment shall not operate to place responsibility for the control, care, management or repair of the subject property, or parts thereof, upon Assignee, nor shall it operate to make Assignee liable for the performance of any of the terms and conditions of any of the Leases, or for any waste of the subject property by any lessee under any of the Leases or any other person, or for any dangerous or defective condition of the subject property or for any negligence in the management, upkeep, repair or control of the subject property resulting in loss or injury or death to any lessee, licensee, employee or stranger.

4.1(e) Waiver of or acquiescence by Assignee in any default by the Assignor, or failure of the Assignee to insist upon strict performance by the Assignor of any covenants, conditions or agreements in this Assignment, shall not constitute a waiver of any subsequent or other default or failure, whether similar or dissimilar.

5.1 The rights and remedies of Assignee under this Assignment are cumulative and are not in lieu of, but are in addition to any other rights or remedies which Assignee shall have under the Note or any other instrument constituting security for the Note, or at law or in equity.

6.1 If any term of this Assignment, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Assignment, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent permitted by law.
