This assignment shall not become operative until a default exists in the payment of principal or interest or in the performance of the terms or conditions contained in the Trust Deed or Mortgage herein referred to and in the Note or Notes secured thereby.

Without limitation of any of the legal rights of Assignee as the absolute assignee of rents, issues and profits of said real estate and premises above described, and by way of enumeration only, it is agreed that in the event of any default under the said Trust Deed or Mortgage above described, whether before or after the note or notes secured by said Trust Deed or Mortgage are declared to be due in accordance with the terms of said Trust Deed or Mortgage, or whether before or after the institution of any legal proceedings to foreclose the lien of said Trust Deed or Mortgage, or before or after any sale thereunder, Assignee shall be entitled to take actual possession of the said real estate and premises hereinabove described, or any part thereof, personally or by agent or attorney, as to condition broken, and may, with or without force, and with or without process of law, and without any action on the part of the holder or holders of the indebtedness secured by said Trust Deed or Mortgage, enter upon, take, and maintain possession of all or any part of said real estate and premises hereinabove described together with all documents, books, records, papers, and accounts relating thereto, and may exclude the Assignor, its beneficiaries or their agents or servants wholly therefrom, and may hold, operate, manage and control the said real estate and premises hereinabove described, and conduct the business thereof.
