Together with all buildings, improvements, and tenements now or hereafter erected on the property, and all
 heretofore or hereafter vacated alleys and streets abutting the property, and all easements, rights, appurtenances,
 rents, royalties, mineral, oil and gas rights and profits, water, water rights, and water stock appertaining to the pro-
 perty, and all fixtures, machinery, equipment, engines, boilers, incinerators, building materials, appliances and goods
 of every nature whatsoever now or hereafter located in, or on, or used or intended to be used in connection with
 the property, including, but not limited to, those for the purposes of supplying or distributing heating, cooling, elec-
 tricity, gas, water, air and light; and all elevators, and related machinery and equipment, fire prevention and ex-
 tinguishing apparatus, security and access control apparatus, plumbing, bathtubs, water heaters, water closets, sinks,
 ranges, stoves, refrigerators, dishwashers, disposals, washers, dryers, awnings, storm windows, storm doors, screens,
 blinds, shades, curtains and curtain rods, mirrors, cabinets, paneling, rugs, attached floor coverings, furniture, pic-
 tures, antennas, trees and plants, and.....

.....all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the real
 property covered by this instrument; and all of the foregoing, together with said property (or the leasehold estate
 in the event this instrument is on a leasehold) are herein referred to as the "Property".

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mort-
 gage, grant, convey and assign the Property (and, if this instrument is on a leasehold, that the ground lease is in
 full force and effect without modification except as noted above and without default on the part of either lessor
 or lessee thereunder), that the Property is unencumbered, and that Borrower will warrant and defend generally the
 title to the Property against all claims and demands, subject to any easements and restrictions listed in a schedule
 of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants
 with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written Waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimate of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

12. **Loan Charges.** If the loan instrument or note is secured by security instruments or otherwise, without limit or otherwise, to a law which sets maximum loan charges, and that law is finally interpreted so that the interest of other loans charged collected or to be collected in connection with the loan exceeded the permitted amount, then: (a) any such loan charge shall be reduced by the amount collected previously to reduce the charge to the permitted amount, and (b) any sums already collected from Borrower under the note will be retained under the Note or by making a direct payment to Borrower. If a reduced reduces principal, the reduction will be treated as a partial prepayment without any expense charge under the Note.

13. **Liquigation.** Excepting Lender's rights, if enforcement of application of any provision of this Note or its Security Instrument under applicable recording laws has the effect of rendering any provision of this Note or its Security Instrument unenforceable according to its terms, Lender, at its option, may, exercise immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies available to him under the Note or its Security Instrument.

14. **Permit.** Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 19.

10. Borrower Not Releasable: Forbearance By Lender Not a Waiver. Any Successor in interest of Borrower shall not be required to pay the summa secured by this Security Instrument if he has no knowledge of the extension of the time for payment of the summa secured by this Security Instrument.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The combinations of Security Instruments shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's co-venants and agreements shall be joint and several. Any Borrower who mortgages this Security Instrument shall be liable to Lender and Borrower or to the other Borrower under the terms and conditions of this Security Instrument.

12. Borrower Not Releasable By Lender Not a Waiver. Extension of the time for payment of the summa secured by this Security Instrument shall not operate to release the liability of the original Borrower or Successor in interest of Borrower to pay the summa secured by this Security Instrument if he has no knowledge of the extension of the time for payment of the summa secured by this Security Instrument.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security instrument shall be reduced by the amount of the proceeds multipled by the following fraction: (a) the total amount of the sums secured by the taking, divided by (b) the fair market value of the Property immediately before the taking, provided imediately before the taking, divided by the fair market value of the Property immediately before the taking.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date of the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the property or to pay the amount so received to Lender and Borrower in proportions set forth in the original instrument.

(the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to ..Bridgeview..Bank..and..
..Trust..Company.....(the "Lender")
of the same date and covering the property described in the security instrument and located at:

..7235..W., 90th Place, Bridgeview, Illinois.....
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM AND MINIMUM RATES THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of ...9..75.....%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of ...June....., 19..89..., and on that day every ...36th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" isWeekly Average of 20 year Constant Maturity U.S. Treasury issues.....
.....as published in "Federal Reserve Statistical Release H.15"..... The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding ...two..... percentage points (...2..00.....%) to the Current Index. The Note Holder will then round the result of this addition to the nearest ...25th... of one percentage point (0..25.....%). Subject to the limits stated in Section 4 (D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11..75.....% or less than ...-0-.....%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than ...two..... percentage point(s) (...2..00.....%) from the rate of interest I have been paying for the preceding ...36..... months. My interest rate will never be greater than ...17..00.....%, nor less than ...-0-.....%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

IN WITNESS WHEREOF, the undersigned corporation, not personally but as Trustee as aforesaid, has caused these presents to be signed by its Vice ..President and its corporate seal to be hereunto affixed and attested by its Assistant ..Secretary.

As Trustee as aforesaid and not personally Under Trust No.
