The undersigned mortgagor covenants and agrees to pay to the mortgagee or bearer hereof, on each principal and interest installment payment date, until the indebtedness secured by the mortgage is fully paid, an additional sum equal to one-twelfth (1/12th) of the annual taxes and assessments levied against the mortgaged premises and one-twelfth (1/12th) of the annual premium for insurance carried in connection with said premises; all as estimated by the mortgagor or bearer, the mortgagor, concurrently with the disbursement of the loan, will also deposit with mortgagee or bearer an amount based upon the taxes and assessments an ascertainable or so estimated by the mortgagee, for taxes and assessments on said premises, on an accrued basis, for the period from January 1, succeeding the year for which all taxes and assessments have been paid to and including the date of the first deposit in this paragraph hereinabove mentioned. Such tax and insurance deposits are to be held without any allowance of interest and are to be used for the payment of taxes and assessments and renewal of such insurance policies, on said premises next due and payable when they become due. If the funds so paid and deposited are insufficient to pay for such purposes, the mortgagor shall within ten (10) days after receipt of demand therefor pay and deposit such additional funds as may be necessary to pay such taxes, assessments and insurance premiums in full. It shall not be obligatory upon the mortgagee or bearer to inquire into the validity or accuracy of any of said items before making payment of the same and nothing herein contained shall be construed as requiring the mortgagee or bearer to advance other monies for said purposes, nor shall the bearer incur any personal liability for anything it may do or omit to do hereunder.

The undersigned reserve the right to prepay this note in whole or in part any time, but the mortgagee may require payment of not more than six (6) months advance interest on that part of the aggregate amount of all prepayments on the note in one year, which exceeds twenty per cent (20%) of the original principal amount of the loan.

It is expressly agreed and understood by and between the parties hereto that in the event of the sale of the property, execution of Articles of Agreement, transfer of title or change in the beneficial ownership to the aforementioned described real estate, without the prior written approval from the holder of the note secured by this instrument, then at the option of the holder of the note, the entire unpaid balance due on or under this instrument, together with accrued interest thereon, shall immediately become due and payable in full without notice to anyone.

At the maturity, you must repay the entire principal balance of the loan and unpaid interest then due. This loan matures and is payable in full at the end of 5 years, unless extended for an additional 5 years with payments based on the original amortization period. Provided however the bank may elect to lower or increase the interest or offer the same rate. If the rate is to be increased, it may be adjusted only to a level that is 1% higher than the effective or yield rate then applicable to U.S. Government Bonds maturing in approximately 5 years from such extension date. Provided however in no event shall the interest rate be increased by more than 1%. The bank is under no obligation to refinance the loan at ultimate maturity. A renegotiation fee of 1/2 of 1% of the current loan balance will be due and payable to the Bank in the event the mortgagors elect to extend the loan beyond its original maturity.

In the event the mortgagor fails to make a payment of any installment of principal and interest as agreed, and such default continues for 11 days, the holder reserves the right in such event to assess a charge of 5% of the principal and interest amount of such delinquency payment as a "LATE CHARGE" the foregoing right being in addition to all other rights and remedies he may have against the holder hereof.
