## UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, prepayment and late charges as provided in the Note, and the principal of and interest on any Future Advances secured by this Mortgage.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal and interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments which may attain priority over this Mortgage, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account, or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within 30 days from the date notice is mailed by Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 18 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, then to the principal of the Note, and then to interest and principal on any Future Advances.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and household payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Mortgage; provided, that Borrower shall not be required to discharge any such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender, or shall in good faith contest such lien by, or defend enforcement of such lien in, legal proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof.

**5. Hazard Insurance.** Borrower shall keep the improvements, now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require; provided, that Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Mortgage.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All premiums on insurance policies shall be paid in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the insurance carrier.

All insurance policies and renewals thereof shall be in form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and the security of this Mortgage is not thereby impaired. If such restoration or repair is not economically feasible or if the security of this Mortgage would be impaired, the insurance proceeds shall be applied to the sums secured by this Mortgage, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. If under paragraph 18 hereof the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to the sale or acquisition shall pass to Lender to the extent of the sums secured by this Mortgage *immediately prior to such sale or acquisition*.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents. If a condominium or planned unit development rider is executed by Borrower and recorded together with this Mortgage, the covenants and agreements of such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Mortgage as if the rider were a part hereof.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums and take such action as is necessary to protect Lender's interest, including, but not limited to, disbursement of reasonable attorney's fees and entry upon the Property to make repairs. If Lender required mortgage insurance as a condition of making the loan secured by this Mortgage, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and

## ADJUSTABLE RATE LOAN RIDER

NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

This Rider is made this 19th day of May, 1986, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Riverside Savings a Federal Savings and Loan Association (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at \_\_\_\_\_

1410 South Elmwood Avenue, Berwyn, Illinois 60402

*Property Address*

**Modifications.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 12 %. The Note interest rate may be increased or decreased on the 1st day of the month beginning on June 1, 1987 and on that day of the month every 12 months thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the:  
*(Check one box to indicate Index.)*

(1)

(2)  7th District Cost of Funds Index for the monthly moving average of three months published by the Federal Home Loan Bank of Chicago.

To set the new interest rate, before each interest Change Date, the Note Holder will first add 2.50 percentage points (2.50%) to the Current Index. The Current Index is the most recent Index figure available 45 days prior to each Change Date. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be the new rate of interest until the next interest Change Date. After the 1st Change Date, the new rate of interest will not be increased or decreased by more than 2.00 percentage points from the previous interest rate and provided further that at no time during the term of the Note shall the interest rate be decreased more than .00 percentage points below the Initial Interest Rate.

If the interest rate changes, the amount of Borrower's monthly payments will also change. Decreases in the interest rate will result in lower payments and increases in the interest rate will result in higher payments. However, your payment change will have a "Cap" or limit of 7.5 % per rate change increase. As a result of this "Cap" the rate change increases might exceed the payment change "Cap" causing increases in the principal loan amount through "negative amortization". If this is the case, then each month that the amount of the monthly payment is less than the interest portion, the Note Holder will subtract the amount of the interest portion and will add the difference to the unpaid principal balance. The Note Holder will also add interest on the amount of this difference to the unpaid principal balance each month. The rate of interest added to principal will be the rate of interest as changed from time to time by provisions of the Note described above.

Notwithstanding anything herein to the contrary, the maximum interest rate changes shall not increase more than 5.00 percentage points, nor decrease more than .00 percentage points from the initial rate over the life of the loan.

By signing this, Borrower agrees to all of the above.

86206157

The terms and provisions of the Adjustable Rate Note and Rider which are set forth in Paragraph A above, however, the total indebtedness secured by this mortgage, shall in no event exceed one hundred and twenty-five per cent of the original principal sum of the loan stated in the attached mortgage by adding to said indebtedness the amounts set forth in Paragraph A above. In addition, the total indebtedness secured by this mortgage, shall in no event exceed one hundred and twenty-five per cent of the original principal sum of the adjustable rate note and rider which are set forth in Paragraph A above.

D. TOTAL INDEBTEDNESS SECURED BY THIS MORTGAGE

to accelerate provided in paragraph 17.

If there is a transfer of the Property subject to paragraph 1 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change in the current Note interest rate, or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option (if there is a limit), or (4) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option

C. TRANSFER OF THE PROPERTY

It could be said the loan secured by the Security instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. [If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; (B) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

### B. LOAN CHARGES

On the last day of a five (5) year period which commences on the date the first principal and interest payment is due and payable on the last day of each and every succeeding five year period thereafter or whenever the unpaid loan balance reaches one hundred and twenty-five per cent of the original principal amount of this mortgage loan, or one hundred and twenty-five per cent of the initial fair market value of the real estate secured hereby, whichever should occur first, the then unpaid loan balance shall be fully recast to a level sufficient to amortize the loan balance over the remaining term of this loan.

Increases in the interest rate on any Change Date my require higher principal and interest payments (higher adjusted monthly payment), which exceed a seven and one half per cent increase in the monthly principal and interest payments paid to the Lender in the preceding twelve month period. If higher adjusted monthly payments exceed the seven and one half per cent increase stated above, then except as stated below the Borrower shall pay to the Lender only principal portions of the higher adjusted monthly payments which exceed amounts to the previous principal and interest payments that portion of the higher adjusted monthly payment which amounts to the previous principal and interest payments plus an increase of seven and one half per cent and the Lender shall defer and add to the principal amount of this loan the remaining unpaid portion of the higher adjusted monthly payment. The adjusted monthly payment shall not be less than the amount which would be required for the full amortization of the unpaid balance of this mortgage at an interest rate of 10% per annum. If, however, during the term of this mortgage the effective adjusted contract rate of interest falls below 10% per annum then, in that event, the terms of this mortgage may provide for a lesser monthly payment provided said lesser monthly payment is required by the movement of the index stated above.
