BY SIGNING BELOW, I AGREE TO THE TERMS AND CONDITIONS CONTAINED IN THIS SECURITY AGREEMENT AND IN ANY FEE SCHEDULE(S) EXECUTED BY BORROWER AND RECORDDED WITHIN.

23. Relate to this Security Instrument, if one or more riders are executed by Barrower and recorded together with this Security Instrument, the coverings and agreements of each such rider shall be incorporated into and shall amend and supplement the coverings and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. The coverings and agreements of each such rider shall remain in full force and effect notwithstanding any amendment or modification made to this Security Instrument.

19. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). The notice shall specify: (a) the date the election required to cure the default; (c) the date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that the failure to cure the date before the date specified in the notice may result in acceleration of the summae executed by this Security Instrument, notwithstanding any provision to the contrary.

NON-UNIFORM GOVERNANTS. Bottower and Lender furthered government and agree as follows:

UNOFFICIAL COPY

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owing payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvement, now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

federal law was as of the date of this security instrument.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of Property or a Beneficial Interest in Borrower. If or any part of the property in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), without Lender's prior written consent, Lender shall not be exercised by Lender if exercise is prohibited by security by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by security by this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by law of the State in which it is located. In the event that any provision of this Security Instrument conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To the extent the provisions of this Note are declared to be severable.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the property address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address listed hereinafter or any other address Borrower provides for in this Security Instrument. Any notice to Borrower or Lender shall be deemed to have been given to Borrower or Lender when given as provided for in this Security Instrument.

13. **Leveraging Note's Remedies**: Under Article 19, if a party fails to pay its debts when due, the creditor may require immediate payment of all sums secured by the Security Instrument and may invoke any remedies permitted by paragraph 19, if Lender exercises this option. Lender shall take the steps specified in the second paragraph of this Agreement.

12. **Loan Charges.** If the legal interpretation by this authority instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it is interpreted or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limits will be returned to Borrower. Under this authority instrument the principal owed under the Note or by making a direct payment to Borrower, if a refund reduces principal, the reduction will be treated as a partial final payment without any prepayment privilege under the Note.

This security instrument shall bind all beneficiaries and successors of Lender and Borrower, subject to the provisions of paragraph 7, Borrower's co-conspirators, and beneficiaries of Lender and Borrower, unless it is otherwise provided in this security instrument which may accommodate any accommodations, but is subject to the terms of this security instrument or the Note without Borrower's consent.

10. **Blocker Fee Not Reimbursed**: For each payment made by the Member Not a Holder. Expiration of the time for payment of modification of authorization of the summa received by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest of Borrower shall not operate to release the summa received by this Security Instrument granted by Lender to any successor in interest of Borrower. Lender shall not be liable to the Member Not a Holder for any amount due under this Note if the Note is not paid in full by the Member Not a Holder.

11. **Successors and Assigns**: Subject to the restrictions on assignment of preferences to third parties to whom the Note is sold, the Note may be assigned in whole or in part by the Member Not a Holder to any other party who agrees to assume all the obligations of the Member Not a Holder under this Note. The Note may not be assigned by the Member Not a Holder without the prior written consent of the Lender.

unleas Burrower and Lender otherwise agree in writing, the sums secured by the Security Instrument shall be reduced by the amount of the principal paid to Burrower.

any legal action and shall be paid to Lender.

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this 20th day of May 1986 and is incorporated into and shall be deemed to amend and supplement a Mortgage, Deed of Trust or Deed to Secure Debt (herein "Security Instrument") dated of even date herewith given by the undersigned (herein "Borrower") to secure Borrower's Note to First National Bank of Highland Park (herein "Lender") and covering the Property described in the Security Instrument and located at: 1703 Northfield Square, Unit C, Northfield, IL 60093 (Property Address)

The Property comprises a unit in, together with an undivided interest in the common elements of, a condominium project known as (Name of Condominium Project)

..... (herein "Condominium Project"). If the Owners Association or other governing body of the Condominium Project (herein "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property shall also be comprised of Borrower's interest in the Owners Association and the proceeds of such interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Assessment. Borrower shall promptly pay, when due, all assessments imposed by the Owners Association pursuant to the provisions of the declaration, by-laws, code of regulations or other constituent documents of the Condominium Project.

B. Hazard Insurance. So long as the Owners Association maintains a "master" or "blanket" policy, which is satisfactory in form to Lender, with a generally accepted insurance carrier on the Condominium Project and which provides insurance coverage in such amounts, for such periods, and against such hazards as Lender may require, including fire and hazards included within the term "extended coverage", then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in such required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any such proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy, acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument in the manner provided under Uniform Covenant 9.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to any provision of the declaration, by-laws, or code of regulations of the Owners Association, or equivalent constituent documents of the Condominium Project (herein "Constituent Documents") which is for the express benefit of Lender;

(iii) termination of professional management and assumption of self-management of the Condominium Project Owners Association; or

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Notice to Lender. In addition to notices required to be given Lender by the terms of the Security Instrument, Borrower shall promptly give notice to Lender of any material amendment to any provision of the Constituent Documents and also of any amendment to a material provision hereof. Examples of material provisions include, but are not limited to, those which provide for, govern or regulate: voting or percentage interests of the unit owners in the Condominium Project; assessments, assessment liens or subordination of such liens; the boundaries of any unit or the exclusive easement rights appurtenant thereto; or reserves for maintenance, repair and replacement of the common elements.

G. Remedies. If Borrower breaches Borrower's covenants and agreements hereunder, including the covenant to pay when due condominium assessments, then Lender may invoke any remedies provided under the Security Instrument, including, but not limited to, those provided under Uniform Covenant 7.

IN WITNESS WHEREOF, Borrower has executed this Condominium Rider.
