Such receiver or Mortgagee in possession shall have power to collect the rents, issues and profits of the premises during the pendency of such foreclosure suit, as well as during any further times when Borrower, his successors or ass'ns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the property during the whole said period.
