1 ACCEPTANCE OF CONTRACT. ARTICLE I. This Material Contract is accepted when signed by Supplier and by W.E. O'Neil
2 Construction Company as Contractor or by partial or complete performance under this Contract. The terms set forth herein are a complete
3 statement of this Agreement and shall supersede and shall not be interpreted by any reference to any previous proposal, document or
4 understanding, written or oral, or other agreement except as specifically provided in this Agreement. Acceptance of this Agreement is
5 limited to the terms hereof.

6 Contractor and Supplier have an independent ^{their} contractor status in relation to each other. As an expert in ^{their} field, Each has sole
7 control over the means, methods, and safety by which ^{the} Work is done. This provision does not extend the obligation
8 of liability when equipment is in the care, custody and control of the other party.

1 SUPPLIER'S OBLIGATIONS TO THE OWNER AND ARCHITECT. ARTICLE II. Supplier shall perform the Work and his obligations
2 under this Agreement in accordance with and subject to the provisions of the Principal Contract. Supplier expressly agrees that if the
3 Principal Contract imposes any obligation on the Contractor in connection with the performance of the Work, Supplier hereby assumes such
4 obligations and shall perform the same to the full extent that the Principal Contract requires of the Contractor. ~~The Contractor shall have~~
5 ~~the same rights and remedies against Supplier with respect to the Work as the Contractor has against the Contractor~~

6 Supplier shall complete the Work ~~in accordance with the terms of the Principal Contract~~. The Architect's and Owner's decision (or as
7 otherwise provided in the Principal Contract) as to the meaning of the plans and specifications shall be final. The Contractor, Owner and
8 Architect shall have the right to inspect and test the Work at reasonable times. But only to the extent same are applicable
to the work of this agreement.

1 TERMS OF PAYMENT. ARTICLE III. A. If the Supplier is making satisfactory progress with the Work (in the Contractor's or Owner's
2 reasonable opinion), is not in default under this Agreement, and complies with the Payment Procedures, and if but only to the extent that
3 the Contractor has received payment from the Owner for each Work, then progress payments shall be made to the Supplier within five days
4 of the date that are received from the Owner in an amount that shall be withheld from each partial payment pursuant to the retention terms of the
5 Principal Contract. ~~(SEE ALSO ADDITIONAL PAYMENT TERMS ELSEWHERE)~~

6 The Minimum Payment procedures shall include
7 B. i. On the 20th of each month, Supplier will furnish Contractor at our field office with three (3) copies of its billing for work
8 accomplished during the preceding month. ~~A minimum~~ this billing must set forth the information required by ~~Exhibit 1~~ ^{EXHIBIT 1} ~~Supplier~~ ^{REQUIRED SHALL:}

9 ii. A Sworn Statement by Contractor to Owner (The Affidavit) in the form of Exhibit 2. The Affidavit shall be substantiated with
10 evidence satisfactory to the Contractor that the Supplier has paid his obligations relating to the Work; and
11 iii. Three (3) copies of partial waivers of lien, cumulative to date, by Supplier, his suppliers, subcontractors and materialmen in the
12 form indicated by Exhibit 3, to be delivered to the Contractor at the time of payment.

13 All "Cost Plus" billings must be detailed as to material, labor, equipment and subcontractor charges and substantiated by copies of
14 invoices, certified payrolls, and by signed tickets for labor and equipment charges. ~~These billings are to be part of Supplier's monthly~~
15 ~~progress billing. Requested revisions to Supplier's contract price are not to be included in its billings until Supplier receives Contractor's~~
16 ~~signed Change Order in accordance with Article X. The Change Order is to be billed on the next regular billing date to the extent the changed~~
17 ~~Work is completed.~~

18 C. Final Payment will consist of the unpaid balance of the Contract Price, ~~which includes retainage withheld, less any amounts the~~
19 ~~Contractor has applied to cure any default. The time for Final Payment shall not occur until the Work has been completed and accepted by~~
20 ~~the Owner. The Owner has paid the Contractor the entire balance of the amount relating to the Work, and the Supplier has delivered to~~
21 ~~the Contractor:~~

22 i. A final billing and an Affidavit in the form indicated in Par. B of this Article;
23 ii. Complete and final waivers of lien, in the form indicated by Exhibit 4, satisfactory to the Contractor, by the Supplier, his suppliers,
24 subcontractors and materialmen, for all liens which are in any way related to the Work; and
25 iii. ~~Guarantees required by Article XII of the Principal Contract and all operating instructions, Federal, State or local reports, payroll~~
26 ~~certifications, or the like which, if required by the Principal Contract, is to be provided as part of the Work.~~

27 D. Supplier shall keep the property supplied or upon which work is performed free of any claim or lien.
28 ~~The above procedures are the minimum conditions which shall be met prior to any payment in addition, Supplier agrees to comply~~
29 ~~with any additional procedures required by the Principal Contractor.~~

1 SCHEDULING. ARTICLE IV. Supplier shall commence within ~~30 days~~ ^{ONE BUSINESS DAY} of notice by Contractor
2 appropriate action to service and repair equipment and put equipment back into service
3 as quickly as is reasonably possible.

1 CANCELLATION. ARTICLE V. If the Principal Contract is terminated by the Owner, or progress is delayed due to conditions which the
2 Contractor cannot control, the Contractor may cancel this Agreement without any liability to Supplier. Supplier will be entitled to payment
3 for his work in the amount approved and accepted by the Contractor, ~~and Owner, and accepted by the Contractor by the Owner~~
^{A SUBJECT TO MINIMUM RENTAL PROVISIONS ELSEWHERE.}

1 SUPPLY BOND. ARTICLE VI. If requested, Supplier shall furnish a Supply Bond (Exhibit 5) with a surety acceptable to Contractor. If a
2 bond is requested, an amount equal to the premium for the bond shall be added to Supplier's contract price ~~unless the specifications or~~
3 ~~bid documents call for such a bond. Supply bond not required.~~

1 SUBMISSION OF DATA. ARTICLE VII. ~~Supplier shall take all field measurements required for his Work and furnish all~~
2 ~~drawings, certifications and data the contractor may request to detail and illustrate the Work.~~
3 Supplier, at its own expense, shall perform all tests ~~required by the Principal Contract or required in his opinion or in the opinion of the~~
4 Architect for the proper completion of the Work. If the Principal Contract requires that tests be performed by an independent laboratory,
5 ~~Supplier shall pay for such tests. Supplier shall be reimbursed for such tests only to the extent provided in the Principal Contract.~~

1 COMPLIANCE WITH LAWS. ARTICLE VIII. Supplier, at his own expense, shall comply with all Federal, State, Municipal and local laws,
2 ordinances, rules, regulations, codes, standards, orders, notices and requirements applicable to the Work and concerning, but not limited to
3 the Occupational Safety and Health Act, Workmen's Compensation, Occupational Disease, Unemployment, Social Security, permit
4 restrictions, the Civil Rights Act, and Executive Orders thereunder prohibiting discrimination because of age, sex, race or national origin.

1 PERMITS, TAXES AND FEES. ARTICLE IX. ~~Supplier at his own expense, shall obtain all permits except the building permit, licenses,~~
2 ~~bonds and inspection fees that this Agreement or local, state or federal governments require for undertaking the Work. Supplier shall pay all~~
3 ~~sales, use, occupational, excise, transportation, F.I.C.A. and any other taxes applicable to this Agreement.~~

1 CHANGES IN WORK. ARTICLE X. The Contractor may, before the completion of the Work, order any changes in the Work whether such
2 changes increase or diminish the amount to be done. Such changes may only be made upon the issuance by the Contractor of a Change Order
3 or a written notice to proceed. No additional compensation or no adjustment to the Contract Price or time allowed for performance of the
4 Work shall be made except by Change Order.

5 Within fourteen days (or such lesser time as may otherwise be directed) of notice to Supplier of the contemplated change to the Work,
6 Supplier shall submit an estimate of the change to the Contract Price and duration which would be required should the changes
7 contemplated be ordered. The method by which adjustment to Contract Price shall be determined (unless otherwise specified in the Principal
8 Contract) in order of precedence shall be:
9 A. Unit Prices, if any
10 B. Lump sum estimates, indicating the estimated hours and costs of labor, the anticipated cost of material, equipment, transpor-
11 tation, sub-subcontracting, insurance, fringe benefits, and taxes, less the value of work omitted. To this shall be added an agreed overhead
12 and profit.
13 C. If no agreement can be reached, Supplier shall keep a separate record of all reasonable costs directly incurred in performance of the
14 changed work. The Contractor shall be notified, in writing, of the amounts of labor, materials and equipment expended. No changes
15 ~~in cost of work shall in any way affect any other part of this agreement.~~

1 SAFETY. ARTICLE XI. Supplier, at its own expense, shall conform to the safety policies and regulations established by the Contractor.
2 Supplier, his employees, agents and representatives MUST WEAR HARD HATS AT ALL TIMES while on the project site. Supplier shall
3 constantly police this requirement. Supplier shall report to the Contractor all damages or injuries suffered by its employees, other persons,
4 or property from the Work arising out of this Agreement. Supplier shall furnish the Contractor two (2) copies of the written accident report
5 within three (3) days of the injury or damage.

~~1 GUARANTEE. ARTICLE XII. Supplier shall deliver to the Contractor his written guarantee to repair stating that Contractor
2 his work against defects in materials or workmanship for one (1) year (or such longer period required in the Principal Contract) from the
3 date of the Contractor's final acceptance of the Work. Supplier at its own expense shall promptly repair, replace, restore or rebuild, at the
4 Contractor's option, any such defects occurring within the guarantee period upon written notice from the Contractor. This guarantee shall be
5 in addition to and not in lieu of the Contractor's rights under law, other guarantees or other warranties, whether express or implied.~~

1 INSURANCE AND INDEMNIFICATION. ARTICLE XIII. Supplier shall maintain insurance with coverages in amounts as specified by ^{below}
2 the Contractor. Before work is begun, Supplier shall furnish certificates from his insurance carriers indicating coverage limits, and
3 providing that the policy(s) may not be changed or cancelled without thirty days prior written notice to the Contractor and if the Contractor
4 requests, shall name Contractor, Owner and Architect as additional insured parties. Should Supplier fail to submit the certificates required,
5 the Contractor may take such steps it deems necessary to provide proper protection and charge all costs to Supplier.

6 Unless otherwise stipulated in the Principal Contract or this Agreement, the minimum limits on coverage shall be:
7 A. Workmen's Compensation and Occupational Disease-Statutory at contractor's cost and option
8 B. Employer's Liability-\$500,000 (Coverage B).
9 C. Comprehensive General Liability including blanket (broad form) contractual liability coverage-Bodily Injury: \$1,000,000 each
10 person, \$1,000,000 each occurrence; Property Damage: \$500,000 each occurrence, \$500,000 aggregate.

11 D. Automobile Liability for claims arising out of the ownership, maintenance, or use of owned and non-owned vehicles-Bodily Injury:
12 \$500,000 each person, \$1,000,000 each occurrence; Property Damage: \$500,000 each occurrence. Supplier agrees to indemnify and hold
13 harmless the Contractor, Owner and Architect, their officers, agents and employees from all losses, damages, costs or injuries, including
14 legal fees, judgments and decrees, which Contractor, Owner and Architect, their officers, agents and employees may directly or indirectly
15 incur, and agrees upon demand to defend any action or proceeding which may be brought against Contractor, Owner and Architect, their
16 officers, agents and employees because of personal injury or death of any persons whomsoever, or property damage to any persons or
17 organizations whatsoever, arising out of, in any way connected with the performance of Work related to this Agreement. Contractor shall
18 have the right to withhold from any payments due or to become due to Supplier an amount sufficient in its judgment to indemnify it and its
19 officers, agents and employees from any loss, damage, cost or injury, including legal fees, judgments and decrees. Contractor may require
20 Supplier to furnish a surety bond in the amount of \$100,000 to protect Contractor, Owner and Architect, their officers, agents and
21 in the foregoing is intended as an agreement of indemnity of non-harmless Contractor, Owner and Architect, their officers, agents and
22 employees, from such person's own negligence. ^{above} shall apply (only) in event of sole negligence of
supply.

1 DEFAULT. ARTICLE XIV. A. The following shall constitute events of default:
2 i. Supplier shall fail to comply with any condition or terms of this Agreement or shall abandon the Work.

3 ii. Supplier shall fail to pay any sub-contractor, supplier or worker for any materials, labor or other things used in the Work when
4 such payments are due; provided, however, that if Supplier, within two (2) days of the due date of such payment, posts a bond in amount and
5 form satisfactory to the Contractor as security for such payment, such non-payment shall not constitute an event of default.

6 iii. Supplier shall become insolvent, or there shall be filed against him proceedings for bankruptcy, reorganization, dissolution,
7 receivership or similar federal or state law.

8 B. If any event of default occurs, then the Contractor may at any time elect any or all of the following remedies ¹⁰ UPON ¹⁰ DAYS ¹⁰ PREVIOUS
9 i. Order Supplier to immediately comply with any conditions or terms of this Agreement. ¹⁰ WRITTEN ¹⁰ NOTICE ¹⁰ TO
10 ii. Order Supplier to take back any defective work or materials and to replace such work or materials with satisfactory work or ¹⁰ CURE ¹⁰ DEFAULT

11 materials.
12 iii. Accept any defective work or materials and reduce the Contract Price.
13 iv. Arrange for completion of any of Supplier's duties at Supplier's expense.

14 v. Refuse to make any payments to Supplier for Work performed until the event of default ceases.
15 vi. Upon two (2) business days' written notice to Supplier, terminate this Agreement and cover for or finish the Work by whatever
16 means which the Contractor, in his sole discretion, may choose.

~~17 C. If the Contractor terminates this Agreement, the Contractor shall have no obligation to pay for any Work performed after
18 termination, and will have no obligation to make any further payments to Supplier for work performed before such termination until the
19 Project has been completed, accepted by the Owner, the Contractor has received full payment for the Project from the Owner, and the
20 Contractor determines to his satisfaction that potential costs and claims relating to the performance of the Work have been satisfied. Such
21 payments to the Supplier shall be reduced by the amount due to the Contractor under the terms of this Agreement. The Contractor's choice of
22 remedy shall not operate to waive any other rights provided hereunder or by law against supplier or his surety.~~

23 D. Upon demand, Supplier shall immediately pay all direct or indirect losses, damages and costs, including all administrative costs
24 and attorneys' fees incurred by the Contractor in connection with any default or good faith exercise of any right upon Supplier's default. If
25 Supplier does not pay the costs immediately, the Contractor may withhold all costs from any payments of the Contract Price. An itemized
26 statement of such costs shall be prima facie evidence of Supplier's liability.

1 MISCELLANEOUS PROVISIONS. ARTICLE XV. A. No act, failure to act or delay by the Contractor shall constitute a waiver of
2 future performance of any power or right under the Agreement, except to the extent they are specifically stated in writing. No
3 payment made under this Agreement shall be evidence of the performance of the Work or shall be construed to be an acceptance of defective
4 work or improper materials.

5 B. No amendment to this Agreement shall modify this Agreement unless it is in writing and signed by both Contractor and Supplier.
6 This agreement shall be governed by the laws of the State of Illinois.

7 C. No provisions of this Agreement shall in any way inure to the benefit of any third person (including the public at large) so as to
8 constitute any such person a third party beneficiary of any part of this Agreement.

9 D. Supplier shall not assign this Agreement or any payments due him under this Agreement, without the Contractor's prior written
10 consent. Any such assignment without consent shall be null and void. No Subcontract or assignment shall relieve the Supplier from the
11 obligation of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Material Contract as of the day and year first above written.
