NON-UNIFORM COVENANTS: Borrower and Lender further covenant and agree as follows:

# UNOFFICIAL COPY

## UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvement, now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any cash paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered to mail to the Borrower's last known address or to the address of the security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any of the remedies set forth in Section 11.2.

16. Borrower's Copy. Borrower shall be given one conforming copy of this Note and of this Security Instrument.  
17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any  
interest in this is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is no longer  
a party to this Note), the transferee shall be bound by the terms of this Note and of this Security  
Instrument.

**NO ONE IS IRREVERSIBLY DESTINED TO BE SEVERE.**

**13. Coverage Law; Severability.** This Security Instrument shall be governed by California law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall affect other provisions of this Security Instrument or the Note to the extent necessary to make it conform to such law. To the extent that any provision of this Security Instrument or the Note conflicts with the terms of the Note, the Note shall control.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless otherwise directed. All notices of action or notice to Lender shall be given by delivery to Lender at Lender's address stated herein or by notice to Lender's address by registered or certified mail to Lender's address set forth above. Any notice to Borrower shall be given by delivery to Borrower or by notice to Borrower at Borrower's address set forth above. Any notice to Lender shall be given by delivery to Lender at Lender's address set forth above. Any notice to Borrower or Lender shall be given by delivery to Borrower or Lender at the address set forth above.

**13. Legislation Affecting Lenders' Rights.** It enacts mutual, or, if applicable, laws that have the effect of amending any provision of this Note or this Security Instrument unless otherwise specifically provided in the second paragraph of paragraph 17.

12. **Loan Charges.** If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is usually interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; and (b) if the loan charge exceeds the permitted limits, the lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

11. **SECURITY INSTRUMENTS AND AGREEMENTS**. The coverings and agreements of  
this Security instrument shall bind him and his successors and assigns to the provisions  
of paragraph 17. Borrower's coverings and agreements shall be joint and several. Any Borrower who co-signs this Security  
instrument but does not execute the note (a) is co-signing this Security instrument only to pay  
the sums incurred by this Security instrument; and if the terms of this Security instrument  
are breached and another Borrower may agree to extend,  
modify, forgive or make any accommodation, such regard to the terms of this Security instrument as the Note without  
that Borrower's consent.

Unless a lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. **Borrower's Net Revenues**; Performance By Lender Note & Waiver. Extension of the time for payment or modification of an amortization of the sums secured by this Security Instrument granted by Borrower to any successor in interest of Borrower, shall not operate to release the liability of the original Borrower or of any successor in interest of Borrower, shall not be construed as an amendment of the instrument of trust or of any other document made under the law of the state in which it was created by the Securitization Lender, unless the Securitization Lender has given its written consent to such amendment.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower fails to remediate that the condominium offers to make an award of or settle a claim for damages, Borrower shall be liable to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, either to its option, or to reallocation of部分 of the Property or to the same used by the Security Interest.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, the amount of the proceeds otherwise secure in writing, the sum secured by this Security instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured by this Security instrument shall be reduced by the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

9. **Complaint:** The proceeds of any award or damages, direct or consequential, in connection with any condemnation of other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assumed and shall be paid to [Redacted].

8. **Leaseholder** shall give notice at the time of or prior to an inspection specifying reasonable criticisms upon and inspecting recommendations of the Property. Lender shall give notice at the time of or prior to an inspection specifying reasonable criticisms upon and inspecting recommendations of the Property. Lender may make reasonable criticisms in accordance with Section 8 and Lender's written instructions or application for renewal.

If Leenders required mortgagor insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premium required to maintain the insurance in effect until such time as the requirement for the
