That property is not residential real estate and therefore the real estate and therefore the following prepayment penalty from Illinois herein "Property Address"), following preparation by reference made a part of the Promissory Note applies. See Addendum "A" attached hereto and by reference made a part hereof.

TO HAVE AND TO HOLD such property unto Lender and Lender's successors and assigns, forever, together with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, after-acquired title or reversion in and to the beds of ways, streets, avenues, and alleys adjoining the Property, and rents (subject however to the rights and authorities given in this Mortgage to Lender to collect and apply such rental royalties, mineral, oil, and gas rights and profits, water, water rights, and waste stock, insurance and condemnation proceeds, and all fixtures now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Mortgage; and all of the foregoing, together with said property (or the leasehold estate if this Mortgage is on a leasehold) are hereinafter referred to as the "Property"; as to any property which does not constitute a fixture (as such term is defined in the Uniform Commercial Code), the Mortgage is hereby deemed to be, as well, a Security Agreement under the UCC for the purpose of creating a security interest in such Property, which Borrower hereby grants to Lender as Secured Party (as such term is defined in the UCC);

To Secure to Lender on condition of the repayment of the indebtedness evidenced by a Note of even date herewith in the principal sum of U.S. \$ 239,355.50, with interest as stated therein, the principal balance of the indebtedness, if not sooner paid due and payable on October 1, 2000, the payment of all other sums, with interest thereon, advanced in accordance with this Mortgage to protect the security of this Mortgage, and the performance of the covenants and agreements of Borrower contained in this Mortgage and in the Note.

Notwithstanding anything to the contrary herein, the Property shall include all of Borrower's right, title, and interest in and to the real property described above, whether such right, title, and interest is acquired before or after execution of this Mortgage. Specifically, and without limitation of the foregoing, if this Mortgage is given with respect to a lessor's estate held by Borrower, and Borrower subsequently acquires a fee interest in the real property, the lien of this Mortgage shall attach to and include the fee interest acquired by Borrower.

Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey, and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Agreement calls for an "adjustable rate." In this regard, the paragraphs of the Note set forth verbatim below relate to the adjustable rate:

PRINCIPAL	INTRODUCTORY AGREED RATE OF CHARGE	AGREED RATE OF CHARGE (in effect after expiration of Introductory Agreed Rate of Charge. See below for explanation of how this rate will be adjusted.)
\$ 239,355.50	(In effect until _____)	12.25 % per year.

INCREASES OR DECREASES IN AGREED RATE OF CHARGE: Borrowers agree that the Agreed Rate of Charge shown above is subject to increase or decrease based on changes in the monthly average yield of the United States Treasury securities adjusted to a constant maturity of 5 year(s), which is the "Index" for this loan. The average yield on the index during July, 1985, was 9.70 %, which is the "Index rate" for this loan. The Agreed Rate of Charge shown above is equal to the index rate plus 2.55 %, which is the "rate spread" for this loan. The Agreed Rate of Charge will increase or decrease on September 3, 1985, and on that date every 1 month thereafter, which are the "adjustment dates" for this loan. On each adjustment date, a new index rate will be fixed, based on the monthly average yield of the index as determined during the second month preceding the month in which the adjustment date occurs, as fixed by the statistical releases of the Board of Governors of the Federal Reserve System. On each adjustment date, a new Agreed Rate of Charge will be established, and will be equal to the new index rate plus the rate spread, truncated to the second decimal point. Thus, if the new index rate is higher than the previous index rate the Agreed Rate of Charge paid by Borrowers will be increased by an amount equal to the amount of the increase.

in the index rate. If the new index rate is lower than the previous index rate on an adjustment date, the Agreed Rate of Charge paid by Borrowers will be decreased by an amount equal to the amount of the decrease in the index rate. For example, if the index rate on this loan were 10.00%, and the rate spread were 5.00%, the Agreed Rate of Charge would be 15.00%. If, on the next adjustment date, the index rate were to increase to 12.00%, the Agreed Rate of Charge would increase to 17.00%. Unless the box in front of the Limitation on Changes in Agreed Rate of Charge paragraph below is checked, the Agreed Rate of Charge will always be equal to the index rate plus the rate spread. If the box in front of the Limitation on Changes paragraph is checked, the Agreed Rate of Charge will always be equal to the index rate in effect at the time plus the rate spread unless the change required at the time of an adjustment date would be greater than that permitted by the Limitation on Changes paragraph.

LIMITATION ON CHANGES IN AGREED RATE OF CHARGE: If this box is checked, the Agreed Rate of Charge will not increase or decrease by more than 1/2 % per year at the time of any one adjustment, or by more than 1/2 % per year during the term of this loan. This paragraph does not apply to the increase which may occur at the time the Introductory Agreed Rate of Charge expires.

COVENANTS. Borrower and Lender covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due, in accordance with the terms of the Note, the principal and interest on the indebtedness evidenced by the Note, together with any late charges or other charges imposed under this Note.

2. APPLICATION OF PAYMENTS. Unless applicable law requires otherwise, all payments received by Lender under the Note and this Mortgage shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraphs 6 and 26 of this Mortgage, then to interest payable on the Note, then to other charges payable under the Note, and then to the principal of the Note.

3. PRIOR MORTGAGES AND DEEDS OF TRUST; CHARGES; LIENS. Borrower shall fully and timely perform all of Borrower's obligations under any mortgage, deed of trust, or other security agreement with a lien which has or appears to have any priority over this Mortgage, including Borrower's covenants to make any payments when due. Borrower shall pay or cause to be paid, at least 10 days before delinquency, all taxes, assessments, and other charges, fines, and impositions attributable to the Property and all encumbrances, charges, loans, and liens (other than any prior first mortgage or deed of trust) on the Property which may attain any priority over this Mortgage, and leasehold payments or ground rents, if any. Borrower shall deliver to Lender, upon its request, receipts evidencing such payment.

4. HAZARD INSURANCE. Borrower shall, at its cost, keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards (collectively referred to as "Hazards") as Lender may require. Borrower shall maintain Hazard insurance for the entire term of the Note or such other periods as Lender may require and in an amount equal to the lesser of: (a) the maximum insurable value of the Property; or (b) the amount of the credit secured by this Mortgage plus the outstanding amount of any obligation secured in priority over this Mortgage, but in no event shall such amounts be less than the amount necessary to satisfy the coinsurance requirement contained in the insurance policy.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust, or other security agreement with a lien which has or appears to have any priority over this Mortgage. If Borrower makes the premium payment directly, Borrower shall promptly furnish to Lender all renewal notices and, if requested by Lender, all receipts of paid premiums. If policies and renewals are held by any other person, Borrower shall supply copies of such to Lender within 10 calendar days after issuance.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Subject to the rights and terms of any mortgage, deed of trust, or other security agreement with a lien which has or appears to have any priority over this Mortgage, the amounts collected by Borrower or Lender under any hazard insurance policy may, at Lender's sole discretion, either be applied to the indebtedness secured by this Mortgage and in such order as Lender may determine or be released to Borrower for use in repairing or reconstructing the Property, and Lender is hereby irrevocably authorized to do any of the above. Such application or release shall not cure or waive any default or notice of default under this Mortgage or invalidate any act done pursuant to such notice.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender in writing within 30 calendar days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is irrevocably authorized to settle the claim and to collect and apply the insurance proceeds at Lender's sole option either to restoration or repair of the property or to the sums secured by this Mortgage.

If the Property is acquired by Lender, all right, title, and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to such sale or acquisition shall become the property of Lender to the extent of the sums secured by this Mortgage immediately prior to such sale or acquisition.

5. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOLDS; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Borrower shall use, improve and maintain the Property in compliance with applicable laws, statutes, ordinances, orders, requirements, decrees, or regulations, shall keep the Property in good condition and repair, including the repair or restoration of any improvements on the Property which may be damaged or destroyed, shall not commit or permit waste or permit impairment or deterioration of the Property, and shall fully and promptly comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall promptly perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or a planned unit development, the by-laws and regulations of the condominium or a planned unit development, and constituent documents, all as may be amended from time to time. If a condominium or a planned unit development rider is executed by Borrower and recorded together with this Mortgage, the covenants and agreements of such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Mortgage as if the rider were a part of this Mortgage.

19. RELEASE: Upon payment and discharge of all sums secured by this Mortgage, this Mortgage shall become null and void and lender shall release this Mortgage. Borrower shall pay all cost of recordation, if any.

(3) TRANSFER OF PROPERTY: If the Borrower promises any contracts to sell, convey, assign, or transfer, all or beneficially or a trust, if any, sells, conveys, assigns, or transfers, all or any part of the beneficial interest in the trust, if any, to the Borrower, all or any part of the leases affixed, she prepares, or if title to the property, or any direct or indirect interest in the property, is otherwise sold or transferred, voluntarily or involuntarily, including without limitation sale or transfer in any other manner, to the Borrower, all or any part of the debts, liabilities, or obligations due and payable as set forth in the note. Such notice shall be given to Borrower in accordance with paragraph 11 of this Mortgage and shall contain the following information: (1) the nature of the Borrower's breach of violation; (2) the action, if any, required or permitted to cure such breach or violation; (3) the applicable grace period, if any, during which such breach or violation must be cured; and (4) whether failure to cure such breach or violation would result in acceleration of the sums secured by this Mortgage and the potential foreclosure of this Mortgage.
