Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. 12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any charges already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

This Rider is made this . . . 29TH . . . day of . . . JULY . . . 1986 . . . and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to . . . MIDWEST SAVINGS AND LOAN ASSOCIATION . . . (the "Note Holder") of the same date (the "Note") and covering the property described in the Security Instrument and located at . . . 2619 DRURY . . . MODIFICATIONS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Note Holder further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an initial interest rate of . . . 8.90 . . %. The interest rate may be increased or decreased every 12th month on each "Change Date," as described in the Note. Changes in the interest rate are governed by changes in the Index as defined in the Note. The Index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one year, as published by the Federal Reserve Board. The maximum change in the interest rate at any one time is 2 percentage points. The maximum interest rate variation over the life of the loan is 5.00 percentage points over or under the initial interest rate.

The monthly payment amount may be adjusted every 12th month to take effect on the month following each Change Date as described in the Note. The new monthly payment amount is based on the interest rate in effect on the Change Date and will remain in effect until the month following the next succeeding Change Date.

B. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (i) the interest rate or any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from Borrower which exceeded limits will be refunded to Borrower. The Note Holder may choose to make this refund by reducing the principal of the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment.

C. CONVERSION FEATURE

- (i) Borrower may, at Borrower's option and provided Borrower has been current on the loan each month for twelve months prior to the applicable Change Date, modify the repayment terms of the indebtedness secured hereby prior to the first, second, or third Change Date. At that time, Borrower may convert the adjustable rate loan evidenced by the Note into a fixed interest rate loan to be fully repaid in equal monthly payments of principal and interest over the remaining term of the loan (i.e. 29, 28, or 27 years, depending on the conversion date selected).
- (ii) Note Holder's "Notice of Periodic Adjustment" to Borrower pursuant to paragraph 4 (a) of the Note given prior to the first, second, third, or fourth Change Date shall contain the following information pertaining to Borrower's option to convert:
 - (a) the approximate fixed interest rate payable by Borrower if Borrower converts into a fixed interest rate loan (the actual rate will be the rate in effect on the date the conversion is registered);
 - (b) the approximate amount of Borrower's new monthly payment at the fixed rate of interest; and
 - (c) a date, at least 15 days from the date the Notice is given, by which Borrower must "lock in" an interest rate by telephoning a number provided and registering the conversion with the Note Holder, and a subsequent date (no later than the applicable Change Date) by which the Borrower must complete, execute and deliver to Note Holder a document in the form required by Note Holder evidencing the modification of the Note to provide a fixed interest rate.
- (iii) The fixed rate of interest payable by Borrower will be based on The Federal Home Loan Mortgage Corporation 30 day mandatory delivery required yield plus 50 basis points for 30 year fixed rate, level payment, fully amortized loans on the date the conversion is registered. The new fixed interest rate will become effective on the applicable Change Date.

Borrower's monthly payments at the new fixed interest rate will begin as of the first monthly payment after the applicable Change Date. The monthly payment will be the amount that is necessary to repay in full the principal Borrower will owe (assuming timely payment of all amounts due prior to that date) on the Change Date in substantially equal payments by the maturity date set forth in the Note at the fixed interest rate.
