and, whereas, said Mortgagee is the holder of said mortgage and the Note secured thereby:

NOW, THEREFORE, in order to further secure said indebtedness, and as a part of the consideration of said transaction, the undersigned hereby assigns, transfers and conveys over unto said Mortgagee, and/or its successors and assigns, all the rents now due or which may hereafter become due under or by virtue of any lease, either oral or written, or any letting of, or any agreement for the use or occupancy of any part of the premises herein described, which may have been heretofore or may be hereafter made or agreed to, or which may be made or agreed to by the Mortgagee under the power herein granted, it being the intention hereby to establish an absolute transfer and assignment of all such leases and agreements and all the avails hereunder unto the Mortgagee, and especially those certain leases and agreements now existing upon the property hereinabove described.

The undersigned hereby irrevocably appoints the Mortgagee the agent of the undersigned for the management of said property, and hereby authorizes the Mortgagee to let and re-let said premises or any part thereof, according to its own discretion, and to bring or defend any suits in connection with said premises in its own name or in the name(s) of the undersigned, as it may consider expedient, and to make such repairs to the premises as it may deem proper or advisable, and to do anything in and above said premises that the undersigned might do, hereby ratifying and confirming anything and everything that the Mortgagee may do.

It is understood that the undersigned waives any rights of set off against any person in possession of any portion of the premises. If any lease provides for the abatement of rent during repair of the premises demanded thereunder by reason of fire or other casualty, the undersigned shall at the option of the Mortgagee, furnish to the Mortgagee rental insurance, the policies to be in amount and form and written by such insurance companies as shall be satisfactory to the Mortgagee. The undersigned agrees that it will not further assign any of the rents or profits of said premises, except to a purchaser or grantee of the premises.

Nothing herein contained shall be construed as constituting the Mortgagee in possession in the absence of the taking of actual possession of the premises by the Mortgagee in the exercise of the powers herein granted the Mortgagee, no liability shall be asserted or enforced against the Mortgagee, all such liability being expressly waived and released by the undersigned.

It is understood and agreed that the Mortgagee shall have the power to use and apply said avails, issues and profits toward the payment of any present or future indebtedness or liability of the undersigned to the Mortgagee, due or to become due, or that may hereafter be contracted and also toward the payment of all expenses for the care and management of said premises, including taxes, insurance, assessments, usual and customary commissions to a real estate broker for leasing said premises and collecting rents and the expense for such attorneys, agents and servants as may reasonably be necessary.

It is further understood and agreed, that in the event of the exercise of this assignment, the undersigned will pay rent for the premises occupied by the undersigned at the prevailing rate per month for each room, and a failure on the part of the undersigned to promptly pay said rent on the first day of each and every month shall, in and of itself constitute a forcible entry and detainer and the Mortgagee may in its own name and without any notice or demand, maintain an action of forcible entry and detainer and obtain possession of said premises. This assignment and power of attorney shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the parties hereto and shall be construed as a Covenant running with the land, and shall continue in full force and effect until all of the indebtedness or liability of the undersigned to the said Mortgagee shall have been fully paid, at which time this assignment and power of attorney shall terminate.

It is understood and agreed that the Mortgagee will not exercise its rights under his Assignment until after default in any payment secured by the mortgage or after a breach of any of its covenants.

The failure of the Mortgagee to exercise any right which it might exercise hereunder shall not be deemed a waiver by the Mortgagee of its right of exercise thereafter.

This assignment of rents is executed by said corporation not personally but as Trustee as aforesaid in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said corporation hereby warrants that it possesses full power and authority to execute this instrument) and it is expressly understood and agreed that nothing herein or in said note contained shall be construed as creating any liability on the said corporation, either individually or as Trustee aforesaid, personally to pay the said note or any interest that may accrue thereon, or any indebtedness accruing hereunder, or to perform any covenant either express or implied herein contained, all such liability, if any, being expressly waived by the Mortgagee and by every person now or hereafter claiming any right or security hereunder, and that so far as said corporation, either individually or as Trustee aforesaid, or its successors, personally are concerned, the legal holder or holders of said note and the owner or owners of any indebtedness accruing hereunder shall look solely to the premises hereby conveyed for the payment thereof, by the enforcement of the lien hereby created in the manner herein and in said note provided or by action to enforce the personal liability of the guarantor, if any.
