TO SECURE:

(1) The payment of a Promissory Note (hereinafter "Note"), executed concurrently herewith by the Mortgagor and delivered to the Mortgagee, bearing even date herewith in the principal sum of SIX HUNDRED FIFTY THOUSAND AND 00/100 (\$650,000.00) Dollars, which Note, together with interest thereon as therein provided at the rate of 11.0% per annum, the Mortgagor promises to pay out of that portion of the trust estate subject to said Trust Agreement and hereinbefore specifically described, in monthly installments of principal and interest with all outstanding accrued interest, principal and other amounts as therein and herein provided being due July 31, 1993. (b) All taxes, equivalents, assessments, general and special, ordinary and extraordinary, of every name and kind, which shall be taxed, levied, imposed, or assessed upon all or any part of the property, or the interest of the undersigned or the Association or either of them in and to the property.

If, under applicable law, any such tax, charge, fee, rate, imposition or assessment may at the option of the taxpayer be paid in installments, the undersigned may exercise such option. The undersigned may contest any such tax, charge, fee, rate, imposition or assessment in the manner provided by law, but only if the undersigned has first paid the same in full "under protest". The undersigned shall furnish the Association within thirty (30) days after the due date duplicate receipts for all payments of general real estate taxes or special assessments and, upon request of the Association, evidence satisfactory to the Association of the payment of all other taxes, charges, fees, rates, impositions or assessments.

(3) To keep the improvements now or hereafter upon said premises insured in such amounts and against such hazards as the Mortgagee may reasonably require to be insured against until said indebtedness is fully paid, in such companies, through such agents or brokers, and in such form as shall be reasonably satisfactory to the Mortgagee; such insurance policies shall remain with the Mortgagee during said period, and contain the usual clause satisfactory to the Mortgagee making them payable to the Mortgagee. In case of loss under such policies, if the cost to repair, rebuild or restore does not exceed \$5,000.00 and, if Mortgagor is not then in default of any provision of this Mortgage or the Promissory Note which it secures, then all of the net proceeds of insurance policies resulting from claims for losses shall be paid to Mortgagor; however, if such cost to repair, rebuild or restore exceeds \$5,000.00 or if Mortgagor is in default of any provision of this Mortgage or the Promissory Note which it secures, then the Mortgagee is authorized to adjust, collect and compromise, in its discretion, all claims thereunder and to execute and deliver on behalf of the Mortgagor all necessary proofs of loss, receipts, vouchers, releases and acquittances required to be signed by the insurance companies, and the Mortgagor agrees to sign, upon demand, all receipts, vouchers and releases required of it to be signed by the Mortgagee for such purpose; and the Mortgagee is authorized to apply the proceeds of any insurance claim to the restoration of the property or upon the indebtedness hereby secured in its discretion; but all payments required under the Note or this Mortgage shall continue until said indebtedness is paid in full.

(4) Without regard to the availability or adequacy of any casualty insurance proceeds or eminent domain awards, immediately after destruction or damage, to commence and complete the rebuilding or restoration of buildings and improvements now or hereafter on said premises to substantially the same character as prior to such damage or destruction, unless the Mortgagee elects to apply on the indebtedness secured hereby the proceeds of any insurance covering such destruction or damage;

(5) To keep said premises in good condition and repair without waste, and free from any mechanic's lien or other lien or claim of lien not expressly subordinate to the lien hereof except that Mortgagor may (subject to Mortgagee's options contained in paragraph (B) hereof), in good faith and with reasonable diligence, contest the validity or amount of any Lien not expressly subordinated to the lien hereof, and defer payment and discharge thereof during the pending of such contest, provided: (a) Mortgagor furnishes the Association with coverage over such claim or lien from a title insurance company, authorized to do business in the State of Illinois, and acceptable to the Association, or (b) (i) that such contest shall have the effect of preventing the sale or forfeiture of the Premises or any part thereof, or any interest therein, to satisfy such Lien; (ii) that, within ten (10) days after Mortgagor has been notified of the assertion of such Lien, Mortgagor shall have notified Mortgagee in writing of Mortgagor's intention to contest such Lien; and (iii) that Mortgagor shall have deposited with Mortgagee at its office in Arlington Heights, Illinois, or at such other place as Mortgagee may from time to time in writing appoint, a sum of money which shall be sufficient in the judgment of Mortgagee to pay in full such Lien and all interest which might become due thereon, and shall keep on deposit an amount so sufficient at all times, increasing such amount to cover additional interest whenever, in the judgment of Mortgagee, such increase is needed. Such deposits are to be held without any allowance of interest. If Mortgagor shall fail to prosecute such contest with reasonable diligence or shall fail to pay the amount of the Lien plus any interest finally determined to

be due upon the conclusion of such contest, to the extent such amount exceeds the amount which Mortgagee will pay as provided below, or shall fail to maintain sufficient funds on deposit as hereinabove provided, Mortgagee may, at its option, apply the money so deposited in payment of or on account of such Lien, or that part thereof then unpaid, together with all interest thereon. If the amount of money so deposited shall be insufficient for the payment in full of such Lien, together with all interest thereon, Mortgagor shall forthwith, upon demand, deposit with Mortgagee a sum which, when added to the funds then on deposit, shall be sufficient to make such payment in full. Mortgagee shall, upon the final disposition of such contest, apply the money so deposited in full payment of such Lien or that part thereof then unpaid, together with all interest thereon (provided Mortgagor is not then in default hereunder) when so requested in writing by Mortgagor and when furnished by Mortgagor with sufficient funds to make payment in full and with evidence satisfactory to Mortgagee of the amount of payment to be made.

(6) Not to make, suffer or permit any unlawful use of or any nuisance to exist on said property nor to diminish nor impair its value by any act or omission to act.

(7) To comply with all requirements of law with respect to the mortgaged premises and the use thereof.

(8) Not to make, suffer or permit without the written permission of the Mortgagee being first had or obtained (a) any use of the property for any purpose other than that for which it is now used, (b) any alterations of the improvements, apparatus, appurtenances, fixtures or equipment now or hereafter on said property except those which are of a non-structural nature, do not involve the exterior of any building or other improvement, and are in the ordinary course of operating the property as a commercial and residential rental property, and (c) any purchase on conditional sale, lease or agreement under which a title is reserved in vendor, of any apparatus, fixtures or equipment to be placed in or upon any buildings or improvements on said property.

B. (1) In order to provide for the payment of taxes, assessments, insurance premiums and other similar current charges upon the property securing this indebtedness, the undersigned promises to pay to the Association monthly, in addition to the above payments, a sum estimated by the Association to be equivalent to one-twelfth (1/12th) of the amount payable annually for such taxes and other items and to make as well if necessary a lump sum payment sufficient to create on January first of each year a fund in the Association to pay when due all taxes on such real estate security for the prior year. All payments provided for in this paragraph may, at the option of the Association: (a) be held by it in trust for the payment of the items in this paragraph described, without obligation to pay to the undersigned any interest thereon or earnings therefrom (in such case the Association may commingle such payments with its own funds); (2) be carried in a savings deposit and withdrawn by the Association for the payment of such items; or (3) in the event the Association advances upon this obligation its own funds to pay said items as the same accrue and become payable, be credited to the unpaid balance of said indebtedness as received. If the amount established by the Association to be sufficient to pay said items is not sufficient for such purpose, the undersigned promises to pay the difference upon demand. If such sums are held in trust or carried in a savings deposit, the same are hereby pledged to further secure this indebtedness. Said Association is authorized and is given the option to pay said items as charged or billed without further inquiry. All estimates contemplated by this paragraph shall be made by the Association and shall be conclusive on the undersigned.

B. (2) In the event of failure of the undersigned to make any payment of whatever nature, periodic or otherwise, required by the terms hereof or by the provisions of said Promissory Note secured hereby, the Association may, at its option, discharge such obligation of the undersigned by itself advancing such payment and, in that event, all such advances shall be added to the unpaid balance under said Promissory Note as of the first day of the month during which such advance is made, and the advance and interest thereon shall be secured hereby.

C. This Mortgage contract provides for additional advances which may be made at the option of the Mortgagee and secured by this Mortgage, and it is agreed that in the event of such advances the amount thereof may be added to the Mortgage debt and shall increase the unpaid balance of the Note hereby secured by the amount of such advance and shall be a part of said Note indebtedness under all of the terms of said Note and this contract as fully as if a new such Note and contract were executed and delivered. An additional Advance Agreement may be given and accepted for

such advance and provision may be made for different monthly payments and a different interest rate and other express modifications of the contract, but in all other respects this contract shall remain in full force and effect as to such indebtedness, including all advances.

D. That in case of failure to perform any of the covenants herein, Mortgagee may do on Mortgagor's behalf everything so covenanted; that said Mortgagee may also do any act it may deem necessary to protect the lien hereof; that Mortgagor will repay upon demand any moneys paid or disbursed by Mortgagee for any of the above purposes (including reasonable attorney's fees and other expenses) and such moneys, together with interest thereon at the rate applicable under the terms of the Note hereby secured shall become so much additional indebtedness secured by this Mortgage with the same priority as the original indebtedness and may be included in any decree foreclosing this Mortgage and be paid out of the rents or proceeds of sale of the Property if not otherwise paid; that it shall not be obligatory upon the Mortgagee to inquire into the validity of any lien, encumbrance or claim in advancing moneys as above authorized, but nothing herein contained shall be construed as requiring the Mortgagee to advance any moneys for any purpose nor to do any act hereunder; and the Mortgagee shall not incur any personal liability because of anything it may do or omit to do hereunder.

E. That it is the intent hereof to secure payment of said Note and obligation whether the entire amount shall have been advanced to the Mortgagor at the date hereof, or at a later date, and to secure any other amount or amounts that may be added to the Mortgage indebtedness under the terms of this Mortgage contract.

F. At the option of the holder of the Note and obligation hereby secured and without notice to the Mortgagor, or to any endorser or guarantor of said Note, all unpaid indebtedness secured by this Mortgage shall, notwithstanding anything in said Note or Mortgage to the contrary become immediately due and payable (1) if the Mortgagor sells or conveys, contracts to convey, or further encumbers the Property or any portion thereof, or (2) if ownership of the Property or any portion thereof becomes vested in a person other than the undersigned, or (3) if the owner or owners, as of the date of the execution of this Mortgage, of a beneficial interest under the Trust Agreement described in the first paragraph hereof assign, transfer, or encumber said beneficial interest or any portion thereof, or (4) if said beneficial interest or a portion thereof becomes vested in a person other than the owner or owners aforesaid; nor shall acceptance of any payment required by said Note or on account of said indebtedness after the occurrence of any such contingency be taken as a waiver of such option.

G. That time is of the essence hereof and if default be made in performance of any covenant herein contained or in making any payment under said Note or obligation or any extension or renewal thereof, or if proceedings be instituted to enforce any other lien or charge upon any of said property, or if proceedings in bankruptcy be instituted by or against the Mortgagor or the said owner or owners of a beneficial interest under the said trust agreement, or if the Mortgagor or the said owner or owners of a beneficial interest under said trust agreement make an assignment for the benefit of their creditors or if their property be placed under control of, or in custody of, any Court or if the Mortgagor abandons any of said property then and in any of said events, the Mortgagee is hereby authorized and empowered, at its option and without affecting the lien hereby created or the priority of said lien or any right of the mortgagee hereunder, to declare without notice, all sums secured hereby immediately due and payable, whether or not such default be remedied by Mortgagor or the owner or owners of a beneficial interest under the said trust agreement, and apply toward the payment of said Mortgage indebtedness, any indebtedness of the Mortgagee to the Mortgagor, and said Mortgagee may also immediately proceed to foreclose this Mortgage, and in any foreclosure a sale may be made of the premises en masse without offering the several parts separately.

H. Mortgagee may employ counsel for advice or other legal services at the Mortgagee's discretion in connection with (a) any dispute of whatever nature as to the debt hereby secured or the lien of this instrument or any litigation to which the Mortgagee may be made a party on account of this lien or which may affect the title to the property securing the indebtedness hereby secured, or which may affect said debt or lien; (b) preparations for the commencement of or for conduct of any suit for the foreclosure hereof after the accrual of the right to foreclose, whether or not such suit is actually commenced. Mortgagee may, in connection with

any of the matters in this paragraph mentioned, pay and incur at its discretion all expenses (which may be estimated as to items which are to be expended after entry of a foreclosure decree), including but not by way of limitation, court costs, publication expense, expenses of title examination, guaranty policies, recording fees, Torrens Certificates, and Sheriff's or Magistrate's commission. All such items of expense in this paragraph mentioned including reasonable attorney's fees shall become so much additional indebtedness secured hereby and shall be immediately due and payable by the Mortgagor with interest thereon at the rate then applicable under the terms of the Note hereby secured.

I. In case the mortgaged property, or any part thereof, shall be taken by eminent domain or condemnation, the Mortgagee is hereby empowered to collect and receive all compensation which may be paid for any property taken or for damages to any property not taken and all condemnation compensation so received shall be forthwith applied by the Mortgagee as it may elect, to the immediate reduction of the indebtedness secured hereby, or to the repair and restoration of any property so damaged, provided that any excess over the amount of the indebtedness shall be delivered to the Mortgagor or its assignee. Mortgagor hereby assigns, transfers and sets over unto the Mortgagee the entire proceeds of any award and any claim for damages for any of the property taken or damaged under the power of eminent domain or by condemnation.

J. All easements, rents, issues and profits of said premises are specially pledged, assigned and transferred to the Mortgagee, whether now due or hereafter to become due under or by virtue of any lease or agreement for the use or occupancy of said property, or any part thereof, whether said lease or agreement be written or verbal, and it is the intention hereby to pledge said rents, issues and profits on a parity with said real estate and not secondarily, and such pledge shall not be deemed merged in any foreclosure decree.

K. No failure even though repeated by holder to exercise any option contained in this Mortgage or in the Note which it secures, and no waiver, even though repeated, of performance of any of the covenants contained in either such instrument shall in any way affect the right of holder thereafter to exercise such option, or to require or enforce performance of such covenant.

L. That upon the commencement of any foreclosure proceeding hereunder, the court in which suit is filed may at any time, either before or after sale, and without notice to the Mortgagor, or any party claiming under it, and without regard to the solvency of the person or persons, if any, liable for the payment of the indebtedness secured hereby, the Mortgagor, or the then value of said premises, or whether the same shall then be occupied by the owner of the equity of redemption as a homestead, appoint a receiver or Mortgagee in Possession (Mortgagee or any other holder of the Note may be appointed such receiver or mortgagee in possession) with power to manage and rent and to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and the statutory period of redemption (if any), and such rents, issues and profits, when collected, may be applied, before as well as after the foreclosure sale and before as well as after any redemption by any person, towards the payment of the indebtedness, costs, taxes, insurance or other items necessary for the protection and preservation of the property, including the expenses of such receivership, or on any deficiency decree whether there be a decree therefor in personam or not, and if a receiver (or Mortgagee in Possession) shall be appointed, he shall remain in possession until the expiration of the full period allowed by statute for redemption, irrespective of whether there be redemption or not, and no lease of said premises shall be nullified by the appointment or entry in possession of a receiver, but he may elect to terminate any lease junior to the lien hereof.

M. That the Mortgage shall be released by Mortgagee by proper instrument upon payment to it of all indebtedness secured hereby and the payment to Mortgagee of a reasonable release fee which fee shall be so much additional indebtedness secured hereby.

N. Mortgagor represents and has been advised by the beneficiaries of the land trust under which Mortgagor holds title to the property that the proceeds of the loan secured by this Mortgage will be used for the purposes specified in paragraph 6404 of Chapter 17 of the Illinois Revised Statutes, and that the principal obligation secured hereby constitutes a "business loan" within the purview and operation of said paragraph.

O. The Mortgagor will keep or will cause to be kept books of record and account in which full, true and correct entries will be made of all
