UNIFORM COVENANTS, DEEDS OF TRUST AND LIENS ACT AND TITLE ACT, 1963, § 2

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum "Funds" equal to one twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency, including Lender if Lender is such an institution. Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note, second, to prepayment charges due under the Note, third, to amounts payable under paragraph 2, fourth, to interest due, and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property, or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above with 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30 day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Rights to Remedy. If Borrower meets certain conditions, Borrower shall have the right to accelerate the loan if certain disbursements are made prior to the end of a 30-day grace period as applicable law permits. In addition, if Borrower fails to make a payment when due, Borrower shall have the right to accelerate the loan if certain disbursements are made prior to the end of a 30-day grace period as applicable law permits. The Note shall not be accelerated if the amount of the unpaid principal and accrued interest does not exceed \$100.00.

If exercise is prohibited by a federal law as of the date of this Second Interim Determination, the holder exercisable under this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums accrued by this Second Interim Determination if Borrower fails to pay these sums prior to the expiration of this period. Lender may invoke any remedy permitted by this Second Interim Determination without notice or demand on Borrower.

17. Transfer of the Property or a Beneficial Interest in Bottower. If all or any part of the Property or instrument is sold or transferred - or if a beneficial interest in Bottower is sold or transferred - or if a natural person, without Lender's prior written consent, Lender may, at its option, repay to Mediator payee in full of all sums so used by this Settlor's instrument. However, this option shall not be exercised by Lender

16. **Borrower's Copy.** Borrower shall be given one unbound copy of the foregoing and of this Security

13. Governing Law; Severability. This Securities Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Securities Instrument or the Note contravenes applicable law, such contravention shall not affect the other provisions of this Securities Instrument or the Note and the Note will be declared to be severable.

14. Notices. Any notice to Borrower provided for in this Securities Instrument shall be given by delivery in writing to Borrower's principal place of business or at his address as set forth in this Securities Instrument, and shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

13. Legislation Affecting Lenders' Rights. It is a matter of expectation of all parties that the effect of lending will be to make available funds to the borrower for his/her own use.

12. Loan Charges. If the loan security is finally interpreted so that the instrument is subject to a law which sets maximum loan charges, and that law is held invalid by this Section, then the instrument or other loan charges collected or to be collected in connection with the pre-arranged loans, shall be deducted by the loan security to reduce the charge to the pre-arranged loans, than a sum such that a charge shall be deducted by the loan security to reduce the charge to the pre-arranged loans, and b) any sum already collected by Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund is made, principal and interest will be treated as a partial prepayment, without any prepayment charge under the Note.

11. **Succesors and Assigas Bond; Joint and Several Liability; Co-signers.** The co-signants and agreements of the Debtors shall bind and benefit the successors and assigns of Lender and Borrower subject to the provisions of paragraph 12. Borrower's co-signants and agreements shall be joint and several. Any Borrower who co-signs this instrument but does not execute the Note, (a), is co-signing this instrument only to mortgage, grant and convey his or her interest in the Property under the terms of this instrument and as otherwise provided by this Note without the Debtors' consent.

10. Borrower Not Released; Forbearance By Lender. Extension of the time for pay-
ment of and deferral of amortization of the sums secured by this Security Instrument granted by Lender to any
successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's
successors in interest of Borrower from the obligations of this Security Instrument or from the payment of the sums
secured by this Security Instrument or from the payment of any interest or fees due hereunder or from the payment
of any other amounts due hereunder or from the payment of any costs or expenses incurred by Lender in
connection with the collection of any amounts due hereunder or from the payment of any costs or expenses
incurred by Lender in connection with the enforcement of any rights of Lender under this Security Instrument.
Any holder of this Security Instrument may demand payment of all sums secured by this Security Instrument
when payment of any sum secured by this Security Instrument is demanded by the original Borrower or Borrower's
successors in interest of Borrower or when payment of any sum secured by this Security Instrument is demanded
by Lender in accordance with the terms of this Security Instrument.

Class Leader and Recorder together agree in writing any application of proceeds to purposes not exceeding or postpone the due date of the monthly payments referred to in paragraph 1 and 2 of clause 6 of such documents.

If the Property is abandoned by You Borrower, or if after notice to Lender to Borrower fails to pay the amount due before the date of sale, You shall be paid to Borrower.

In this case, a transfer of a total award to one employee would not be applied to the other employee, who would receive his/her award.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for costs or expense in the event of condemnation are hereby assigned and shall be paid to Leader.

8. Inspection. Lender or his agent may make reasonable entries upon and inspections of the property under the title of the Borrower notice at the time of or prior to an inspection specified, in reasonable cause for the inspection.

11. Leader required mortgage insurance as a condition of making the loan secured by his security instrument.
