UNIFORM COVENANTS, CONDITIONS AND LIENS FOR RENTS AND LEASEHOLD PROPERTY
4 3 3 3

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of, the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extender coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Borrower fails to pay the amount due on or before the due date, Lender may exercise all rights available under law to collect the amount due.

8. Liquidation. Lender may liquidate or sell the property of Borrower at public auction or otherwise as Lender deems appropriate.

9. Condemnation. If the property is condemned, Lender will receive the condemnation award and any proceeds from the sale of the property.

10. Borrower's Right to Sale. Lender may sell the property at public auction or otherwise as Lender deems appropriate.

11. Successors and Assigns; General Liability; Co-signers. The co-signers and agreements of Lender and Borrower shall not extend to the heirs of Lender.

12. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is firmly interpreted to limit the interest or other loan charges collected or to be collected in installments, and that law is not exceeded so that it permits a maximum loan charge to the interest or other loan charges collected or to be collected in installments, then (a) any such loan charge shall be deducted from the principal balance of the note or agreement, and (b) the note or agreement shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (c) any such loan charge shall be deducted from the principal balance of the note or agreement only if the amount necessary to reduce the charge to the permitted limit exceeds the amount deducted under (a).

13. Preparation of Note. Lender may make any preparation without charge under the Note or by making a direct payment to Borrower. It is agreed that Lender shall not be liable for any damage or loss resulting from any preparation of the Note.

14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by delivery in writing or by mail to Borrower at his address set forth in the Note or by delivery in writing to his place of business or residence or to his last known address.

15. Governing Law; Severability. This Security instrument shall be governed by the laws of the state or territory in which the property is located. In the event that any provision of this Security instrument or the Note is held invalid, the invalid portion shall be severed and the valid portion shall remain in full force and effect.

16. Borrower's Right to Remedy. If Borrower makes certain corrections to any power of sale contained in this Security instrument, Lender may invoke any remedies permitted by this Security instrument. If Borrower fails to pay the sum paid under this Note prior to the expiration of this period, Lender may invoke any security interest in the property and Borrower shall provide a period of no less than 30 days from the date the note is delivered to the date the note is due to pay the sum paid under this Note prior to the expiration of this period.

17. Transfer of Title. Transfer of the Property or a Beneficial Interest in Borrower is valid or transferred and Borrower is not a natural person in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may at his option require Lender to exercise his right to accelerate if exercisable by Borrower.

18. Borrower's Right to Retain. If Borrower makes certain corrections to any power of sale contained in this Security instrument, Lender may invoke any security interest in the property and Borrower shall provide a period of no less than 30 days from the date the note is delivered to the date the note is due to pay the sum paid under this Note prior to the expiration of this period.

19. General. Lender may exercise all rights available under law to collect the amount due.

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this 4th..... day of August....., 1986...., and is incorporated into and shall be deemed to amend and supplement a Mortgage, Deed of Trust or Deed to Secure Debt (herein "Security Instrument") dated of even date herewith, given by the undersigned (herein "Borrower") to secure Borrower's Note to First National Bank of Highland Park....., (herein "Lender") and covering the Property described in the Security Instrument and located at: 431 West Oakdale, Chicago, Illinois, 60657 #8B.....
(Property Address)

The Property comprises a unit in, together with an undivided interest in the common elements of, a condominium project known as Oakdale Towers.....
(Name of Condominium Project)

..... (herein "Condominium Project"). If the Owners Association or other governing body of the Condominium Project (herein "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property shall also be comprised of Borrower's interest in the Owners Association and the proceeds of such interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Assessments. Borrower shall promptly pay, when due, all assessments imposed by the Owners Association pursuant to the provisions of the declaration, by-laws, code of regulations or other constituent documents of the Condominium Project.

B. Hazard Insurance. So long as the Owners Association maintains a "master" or "blanket" policy, which is satisfactory in form to Lender, with a generally accepted insurance carrier on the Condominium Project and which provides insurance coverage in such amounts, for such periods, and against such hazards as Lender may require, including fire and hazards included within the term "extended coverage", then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in such required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any such proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument in the manner provided under Uniform Covenant 9.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to any provision of the declaration, by-laws or code of regulations of the Owners Association, or equivalent constituent documents of the Condominium Project (herein "Constituent Documents") which is for the express benefit of Lender;

(iii) termination of professional management and assumption of self-management of the Condominium Project Owners Association; or

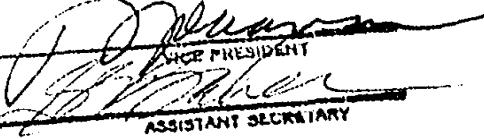

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

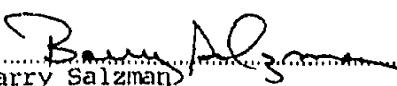

F. Notice to Lender. In addition to notices required to be given Lender by the terms of the Security Instrument, Borrower shall promptly give notice to Lender of any material amendment to any provision of the Constituent Documents and also of any amendment to a material provision thereof. Examples of material provisions include, but are not limited to, those which provide for, govern or regulate: voting or percentage interests of the unit owners in the Condominium Project; assessments, assessment liens or subordination of such liens; the boundaries of any unit or the exclusive easement rights appertaining thereto; or reserves for maintenance, repair and replacement of the common elements.

G. Remedies. If Borrower breaches Borrower's covenants and agreements hereunder, including the covenant to pay when due condominium assessments, then Lender may invoke any remedies provided under the Security Instrument, including, but not limited to, those provided under Uniform Covenant 7.

IN WITNESS WHEREOF, Borrower has executed this Condominium Rider.
