### THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.

The Note provides for an Initial Interest rate of 7 • 750 %. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

#### "4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) General.

The interest rat A pay will change based on movements of the Index (described in Section 4(C)) and rate change limitations (described in Section 4(E)).

#### (B) Changa Pates.

The interest rate I pay may thange on the first Change Date and on every January 1 and July 1 thereafter. Each day on which my interest rate could change is called a "Change Date". Since interest is collected in arrears, the amount of my monthly payment may change on each February 1 and August 1 after the first Change Date.

#### (C) The index.

Beginning with the first Change Circe, my interest rate will be based on an index. Although the index value on the first Change Date cannot be predicted, the index value for the month of  $3\sqrt{2y}$  19 86 was 6.360%.

The "index" is the monthly average yield, expreused as a percent per annum, for six month certificates of deposit (CDs) traded in the secondary market, as published in the Federal Reserve's statistical release H-15 and the Federal Reserve Bulletin and as available from the Lender and the Federal Reserve Bank of Chicago. The new rate for each six month period will be based on the most recent index available at the end of the month preceding the Change Date. If the Index is no longer available, the NCto I folder will choose a new index and will give me notice of this choice.

#### (D) Calculation of Changes.

Before each Change Date, the Note Holder will calculate my new interest rate by adding 2.6 percentage points to the Index. The Note Holder will then apply the limits in Section 4(E). The result will be my new interest rate until the next Change Date.

With each interest rate change, the Note Holder will determine the new a nount of the monthly payment necessary to repay my loan in substantially equal payments by the maturity date. I will be notified of each change in an interest rate and loan payment in accordance with Section 4(G).

#### (E) Limits on Interest Rate Changes.

#### (F) Effective Date of Changes.

My new interest rate will become effective on each Change Date. I will pay the amount of my new conthly payment on the first monthly payment date after each Change Date until the amount of my monthly payment changes again.

#### (G) Notice of Changes.

The Note Holder will mail me a notice of any rate change at least 25 days before there is a change in my mon hip proyment. This notice will include all information required by law."

By signing this ADJUSTABLE RATE RIDER TO MORTGAGE, Borrower acknowledges all the terms hereof.
