To Secure to Lender on condition of the repayment of the REVOLVING LINE OF CREDIT indebtedness evidenced by an Illinois Revolving Loan Agreement and Disclosure Statement ("Agreement") of even date herewith in the maximum principal sum of U.S. \$ 36,000.00, or so much thereof as may be advanced and outstanding, with interest thereon, providing for monthly installments of interest, with the principal balance of the indebtedness, if not sooner paid or required to be paid, due and payable 15 years from the date thereof; the payment of all other sums, with interest thereon, advanced in accordance with this Mortgage to protect the security of this Mortgage; and the performance of the covenants and agreements of Borrower contained in this Mortgage and in the Agreement. This Mortgage permits and secures future advances, which have the priority of the original advance. All advances will be made within 20 years of the date of this Mortgage.

Notwithstanding anything to the contrary in this Mortgage, the Property shall include all of Borrower's right, title, and interest in and to the real property described above, whether such right, title, and interest is acquired before or after execution of this Mortgage. Specifically, and without limitation of the foregoing, if this Mortgage is given with respect to a leasehold estate held by Borrower, and Borrower subsequently acquires a fee interest in the real property, the lien of this Mortgage shall attach to and include the fee interest acquired by Borrower.

Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey, and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Agreement calls for a "variable interest rate," and that the Lender may, prior to the expiration of the term of the Agreement cancel future advances thereunder and/or require repayment of the outstanding balance under the Agreement. In this regard, the Agreement provisions set forth verbatim below relate to the variable interest rate and the Lender's option to require repayment prior to expiration of the term of the Agreement or to cancel future advances for reasons other than default by the Borrower.

The paragraph of the Illinois Revolving Loan Agreement and Disclosure Statement, entitled "FINANCE CHARGE," provides as follows:

FINANCE CHARGE: Borrowers agree to pay a Periodic Finance Charge on the Average Daily Balance of their account beginning on the date any advance or other charge is added to the account. The Average Daily Balance for a billing period is computed by adding the unpaid balances on the account at the end of each day during the billing period and dividing the total by the number of days in the billing period. The unpaid balance at the end of each day shall be determined by adding to the previous day's unpaid balance all advances and other charges, except Periodic Finance Charge, occurring that day, and subtracting from such amount all payments made by Borrowers and other credits. The Periodic Finance Charge is calculated at the end of each billing period by multiplying the Daily Periodic Rate in effect at the time by the number of days in the period, and then multiplying the Average Daily Balance during the billing period by the resulting rate. The Periodic Finance Charge rates under this Agreement as of the date of this Agreement are:

Introductory Annual Percentage Rate n/a %

Corresponding Introductory Daily Periodic Rate n/a %

ANNUAL PERCENTAGE RATE 11.91 %

Corresponding Daily Periodic Rate 0.0326 %

The Daily Periodic Rate is the Annual Percentage Rate divided by 365. The Annual Percentage Rate and Corresponding Daily Periodic Rate described in this Agreement are applicable to all balances under this Agreement. In addition to periodic Finance Charge at the Annual Percentage Rate shown above, Borrowers agree to pay a Prepaid Finance Charge of \$ n/a immediately upon the establishment of the Line of Credit provided under this Agreement. Borrowers agree that if they do not pay the Prepaid Finance Charge in cash, it will be added to the unpaid balance on the account under this Agreement, and will bear interest at the Annual Percentage Rate.

If this box is checked, the following disclosure set forth in brackets is applicable:

(The Introductory Annual Percentage Rate will remain in effect through 11/21/1985 0, 18.
The Annual Percentage Rate shown is the current Annual Percentage Rate that would have been applied to this Line of

Credit if the Introductory Annual Percentage Rate has not been in effect. The Corresponding Daily Periodic Rate is the Daily Periodic Rate that would have been applied to this Line of Credit if the Introductory Daily Periodic Rate had not been in effect.

INTRODUCTORY TERMS: The Introductory Daily Periodic Rate is the Introductory Annual Percentage Rate divided by 365. The Introductory Annual Percentage Rate and Corresponding Introductory Daily Periodic Rate described in this Agreement are applicable to all balances under this Agreement through n/a 9, 19 _____. In addition to the Introductory Periodic Finance Charge at the Introductory Annual Percentage Rate shown above, Borrowers agree to pay a Prepaid Finance Charge of \$ n/a immediately upon the establishment of the Line of Credit provided under this Agreement. Borrowers agree that if they do not pay the Prepaid Finance Charge in cash, it will be added to the unpaid balance on the account under this Agreement and will bear interest at the Introductory Annual Percentage Rate, as long as that Rate applies, and at the Annual Percentage Rate thereafter.]

The paragraph of the Illinois Revolving Loan Agreement and Disclosure Statement, entitled "USE OF DRAFTS," provides in its entirety the following conditions:

USE OF DRAFTS: Borrowers agree that if Lender provides them with money drafts to be used for the purpose of taking advances on Borrowers' Line of Credit, their use of such money drafts shall be subject to the following limitations: (a) No money draft may be negotiated with a face amount of less than \$500.00; (b) Money drafts may not be used for the purpose of making payments under this Agreement; (c) No money draft may be negotiated if Borrowers are in default under any of the terms of this Agreement; (d) No money draft may be negotiated if the unpaid balance under this Agreement is in excess of the Line of Credit or if such money draft would itself cause the unpaid balance of this Agreement to be in excess of the Line of Credit; (e) No money draft may be negotiated after the Date on Which Line of Credit Terminates; (f) All money drafts are and remain the property of Lender, and all money drafts must be returned to Lender upon Lender's request or after the Date on Which Line of Credit Terminates; (g) Lender is not liable for any refusal to honor Borrowers' money drafts or for any retention of a money draft by Lender, any other creditor, or any seller of goods or services, or for any notice Lender may give that Lender refuses to honor a money draft; and (h) Borrowers are liable for the unauthorized use of Borrowers' money drafts. Borrowers should immediately notify Lender, orally and in writing, of the loss, theft, or possible unauthorized use of Borrowers' money drafts.

The paragraph of the Illinois Revolving Loan Agreement and Disclosure Statement, entitled "OVER-LIMIT REQUESTS," provides in its entirety the following conditions:

OVER-LIMIT REQUESTS: If Borrowers request a cash advance which, if granted, would result in Borrowers' unpaid balance being more than Borrowers' Line of Credit (whether or not the balance before the request was more than the Line of Credit), Lender may (a) Honor the request without permanently raising Borrowers' Line of Credit; (b) Honor the request and treat the amount which is more than Borrowers' Line of Credit as immediately due; or (c) Refuse to honor the request. Lender may advise the person who made the request that it has been refused. If Lender refuses to honor a money draft, Lender may do so by advising the person presenting the draft that the cash advance has been refused or in any other manner. If Lender has previously honored requests for cash advances over the Line of Credit, it does not mean that Lender will honor further over-limit requests.

The paragraph of the Illinois Revolving Loan Agreement and Disclosure Statement, entitled "FAILURE TO COMPLY WITH TERMS OF AGREEMENT," provides as follows:

FAILURE TO COMPLY WITH TERMS OF AGREEMENT: Borrowers agree that if they fail to comply with any of the terms of this Agreement or any other document signed by them in connection with this Agreement or, if one or more Borrowers die or have made any misrepresentations in connection with this Agreement, Lender may without notice require Borrowers to immediately pay the entire unpaid balance of this Agreement, including accrued Periodic Finance Charge. Lender also has this right if there is a material adverse change in Borrowers' financial condition or credit standing. If Borrowers become subject to bankruptcy proceedings or if Borrowers do anything that indicates they are unable or unwilling to repay this loan. Once Lender has declared the entire unpaid balance due, the Line of Credit under this Agreement is terminated. In addition, Borrowers agree that Lender may without notice and at any time require Borrowers to pay all or any part of the unpaid balance of this loan, including accrued Finance Charge, if the property given by Borrowers to secure this loan declines in value to the extent that Lender, at its sole discretion, deems it to be insecure.

PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due, in accordance with the terms of the Agreement, the principal and interest on the indebtedness evidenced by the Agreement, together with any late charges or other charges imposed under the Agreement.

APPLICATION OF PAYMENTS. Unless applicable law requires otherwise, all payments received by Lender under the Agreement and this Mortgage shall be applied by Lender first in payment of amounts payable to Lender by Borrower (under paragraphs 6 and 26 of this Mortgage, then to interest payable on the Agreement, then to other charges payable under the Agreement, and then to the principal of the Agreement).

3. PRIOR MORTGAGES AND DEEDS OF TRUST; CHARGES; LIENS. Borrower shall fully and timely perform all of Borrower's obligations under any mortgage, deed of trust, or other security agreement with a lien which has or appears to have any priority over this Mortgage, including Borrower's covenants to make any payments when due. Borrower shall pay or cause to be paid, at least 10 days before delinquency, all taxes, assessments, and other charges, fines and impositions attributable to the Property, and all encumbrances, charges, liens, and fees (other than any prior first mortgage or deed of trust) on the Property which may attain any priority over this Mortgage, and household payments or ground rents, if any. Borrower shall deliver to Lender, upon its request, receipts evidencing such payment.

4. HAZARD INSURANCE. Borrower shall, at its cost, keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards (collectively referred to as "Hazards") as Lender may require. Borrower shall maintain Hazard insurance for the entire term of the Note or such other periods as Lender may require and in an amount equal to the lesser of: (a) the maximum insurable value of the Property; or (b) the amount of the line of credit secured by this Mortgage plus the outstanding amount of any obligation secured in priority over this Mortgage, but in no event shall such amounts be less than the amount necessary to satisfy the coinsurance requirement contained in the insurance policy.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust, or other security agreement with a lien which has or appears to have any priority over this Mortgage. If Borrower makes the premium payment directly, Borrower shall promptly furnish to Lender all renewal notices and, if requested by Lender, all receipts of paid premiums. If policies and renewals are held by any other person, Borrower shall supply copies of such to Lender within 10 calendar days after issuance.
