If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any charges already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

1. Lender may take action under this paragraph, Lender does not have to do so.
2. Any amounts disbursed by Lender under this paragraph shall become additional debt of Borrower secured by this Security Interest. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate payable, with interest, upon notice from Lender to Borrower requesting payment.

7. Protection of Lenders' Rights in the Merger. Lenders agree to the merger in writing.

8. Borrower fails to perform the covenants and agreements contained in this Security Instrument, or otherwise violates the terms hereof, Lenders may take action under this instrument to proceed against the property to make repairs. Although Lenders' actions may include paying reasonable attorney fees and costs of suit, Lenders do not do so.

6. Preservation and Maintenance of Property; Leasesholds. Borrower shall not destroy, damage or sustainably change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if the lease is terminated, the lessee shall remain liable for the obligations of the lessee to the lessor.

Postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount (or the payments) if under paragraph 19 the property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security instrument immediately prior to the acquisition.

of the Property damage, if the restoration or repair is economically feasible or Lender's security would be lessened, the insurance proceeds shall be restored or repaired, if the restoration or repair is not otherwise agreeable to the Lender and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower, it is agreed to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to restore the property to its condition prior to the occurrence of the loss, or to pay sums secured by this Security Instrument, whether or not then due. The day period will begin when the notice is given.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals and to receive the premiums and renewals. Lender and Borrower shall make prompt notice to the insurance carrier and Lender if not made prompt by Borrower. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the damaged premises.

5. Hazard Insurance. Borrower shall keep the hazard coverments now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term, "extreme coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower and subject to Lender's approval which shall not be unreasonably withheld.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation, secured by the lien in a manner acceptable to Lender; or (b) contestants in good faith the lien or forfeiture agreement of the Lender's right to foreclose on the property, or defers an enforcement of the lien in, illegal proceedings against the Lender's opinion or action.

If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one of the following ways:

(a) Funds secured by Lender in full or all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender to the extent of the deficiency in one of the amounts required to pay the escrow items when due.

ADJUSTABLE RATE RIDER

(1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made 17TH..... day JULY.....88....., and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to SHELTER MORTGAGE CORPORATION.....
..... (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

217 SOUTH ROBERTS ROAD, BARRINGTON, IL 60010

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 5.00.....%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of AUGUST 01.....88....., and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding 2.60..... percentage points (60.....%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.500.....% or less than 5.500.....%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 2.500.....%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

216394

216394
I, the undersigned, do hereby declare and represent that I am the owner of the property described above and that I have the right to make this instrument. I further declare and represent that I am of sound mind and that I am not under duress or undue influence. I understand that this instrument creates a lien on the property described above and that it is a legal obligation. I have read this instrument and understand its contents. I have had the opportunity to consult with an attorney and have done so. I have signed this instrument voluntarily and without pressure or threats.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferor to sign an assumption agreement that is acceptable to Lender and that obligates the transferor to keep all the promises and agreements made in the Note and in this Security instrument. Lender will continue to be obligated under the Note and this Security instrument unless Lender releases the instrument. Lender may also require the transferor to pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. By signing below, Borrower accepts and agrees to the terms and conditions contained in this Adjustable Rate Rider. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. ADDENDUM TO ADJUSTABLE RATE RIDER (Fixed Rate Conversion Option)

THIS ADDENDUM TO ADJUSTABLE RATE RIDER is made this 17th day of JULY, 1987, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note, with Addendum To Adjustable Rate, to SHELTER MORTGAGE CORPORATION AND OR ITS ASSIGNS (the "Lender") and located at:

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

A. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

1. Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default, I have been delinquent at any time during the term of this loan, or this Section A1 will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to a fixed rate.

The conversion may take place at any time after the first anniversary through the fourth year. I can convert my interest rate only during this period called the "Conversion Period".

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I must give the Note Holder notice that I am doing so during the Conversion Period and at least thirty days before the end of the Conversion Period; (b) on the Conversion Date, I am not in default under the Note or the Security Agreement; (c) I have never been delinquent on any payment under my Note from the inception of this loan; (d) on the conversion date I must pay the Note Holder a conversion fee equal to one percent (1.0%) of the unpaid principal balance of the Note on the Conversion Date; (e) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion; (f) I must be qualified at the rate of interest after conversion using the Note Holder's FHLBC Current Underwriting guidelines for fixed rate mortgages; and (g) I must be the original Borrower under this Note.

84391

2. Calculation of Fixed Rate

My new fixed rate will be equal to the rate of interest for Shelters 60-day conventional rate and discount for 15 or 30 year fixed rate loans on the Conversion Date. If this loan is above the conforming loan limits, the conversion rate will be Shelters Jumbo 60-day prime for 15 or 30-year fixed rate notes.

Instead, some of these conditions will be described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

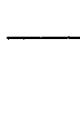

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW Borrower accepts and agrees to the terms and covenants contained in this Addendum To Adjustable Rate Note.
