Indebtedness Being Secured. You are signing this Mortgage to secure to Lender (i) repayment of amounts outstanding under a certain variable rate Equity Line Agreement (the "Agreement") dated the same date as this Mortgage in the amount of \$

("Credit Limit") or so much thereof as may be outstanding from time to time under the Agreement plus accrued interest (Finance Charges), fees, charges and other amounts that may be owing under the Agreement providing for monthly payments of interest (Finance Charges) and providing for all sums owing to Lender hereunder and under the

Agreement if not paid earlier either voluntarily or required to be paid on ("Maturity Date") and all renewals, extensions or modifications of the Agreement, (ii) any amounts advanced to protect the security of this Mortgage, (iii) the performance of the parties signing the Agreement, and (iv) your performance of covenants and agreements contained in the Mortgage. The Agreement sets forth terms under which the rate (Annual Percentage Rate) at which the Finance Charge is computed may change over the term of the Agreement. The Annual Percentage Rate may increase or decrease each day depending upon the daily balance on the Account. The Annual Percentage Rate may also vary each month if the Prime Rate or reference rate used to determine the Annual Percentage Rate changes. The Prime Rate shall mean the highest (unless Lender's Prime Rate or reference rate is the highest rate quoted in which case the next highest Prime Rate shall be applicable) of the Prime Rates as reported in the Key Money Section of the Wall Street Journal on the last business day of the month before the Billing Period in which it is to be applied. The effect of an increase in the Annual Percentage Rate, whether daily or monthly will be an increase in the scheduled minimum monthly payment of the Finance Charge.

Any forbearance or extension of time for payment or modification of amortization of the sums secured by this Mortgage, as authorized by Paragraph 10 hereof, including but not limited to the procurement of insurance, the payment of taxes or other liens, fees or charges, or the making of repairs, shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Mortgage.
