Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

That if the premises, or any part thereof, be condemned under any power of eminent domain, or acquired for a public use, the damages, proceeds, and the consideration for such acquisition, to the extent of the full amount of indebtedness upon this Mortgage, and the Note secured hereby remaining unpaid, are hereby assigned by the Mortgagor to the Mortgagee and shall be paid forthwith to the Mortgagee to be applied by it on account of the indebtedness secured hereby, whether due or not.

The Mortgagor further agrees that should this mortgage and the note secured hereby not be eligible for insurance under the National Housing Act within sixty days from the date hereof (written statement of any officer of the Department of Housing and Urban Development or authorized agent of the Secretary of Housing and Urban Development dated subsequent to the sixty day time from the date of this mortgage, declining to insure said note and this mortgage being deemed conclusive proof of such ineligibility), the Mortgagee or the holder of the note may, at its option, declare all sums secured hereby immediately due and payable.

In the event of default in making any monthly payment provided for herein and in the note secured hereby for a period of thirty (30) days after the due date thereof, or in case of a breach of any other covenant or agreement herein stipulated, then the whole of said principal sum remaining unpaid together with accrued interest thereon, shall, at the election of the Mortgagee, without notice, become immediately due and payable.

And in the event that the whole of said debt is declared to be due, the Mortgagee shall have the right immediately to foreclose this mortgage, and upon the filing of any bill for that purpose, the court in which such bill is filed may at any time thereafter, either before or after sale, and without notice to the said Mortgagor, or any party claiming under said Mortgagor, and without regard to the solvency or insolvency of the person or persons liable for the payment of the indebtedness secured hereby, at the time of such applications for appointment of a receiver, or for an order to place Mortgagee in possession of the premises, and without regard to the value of said premises or whether the same shall then be occupied by the owner of the equity of redemption, as a homestead, enter an order placing the Mortgagee in possession of the premises, or appoint a receiver for the benefit of the Mortgagee with power to collect the rents, issues, and profits of the said premises during the pendency of such foreclosure suit and, in case of sale and a deficiency, during the full statutory period of redemption, and such rents, issues, and profits when collected may be applied toward the payment of the indebtedness, costs, taxes, insurance, and other items necessary for the protection and preservation of the property.

Whenever the said Mortgagee shall be placed in possession of the above described premises under an order of a court in which an action is pending

to foreclose this mortgage or a subsequent mortgage, the said Mortgagee, in its discretion, may keep the said premises in good repair; pay such current or back taxes and assessments as may be due on the said premises; pay for and maintain such insurance in such amounts as shall have been required by the Mortgagee; lease the said premises to the Mortgagor or others upon such terms and conditions, either within or beyond any period of redemption, as are approved by the court; collect and receive the rents, issues, and profits for the use of the premises hereinabove described; and employ other persons and expend itself such amounts as are reasonably necessary to carry out the provisions of this paragraph.

And in the case of foreclosure of this mortgage by said Mortgagee in any court of law or equity, a reasonable sum shall be allowed for the solicitor's fees, and stenographers' fees of the complainant in such proceeding, and also for all outlays for documentary evidence and the cost of a complete abstract of title for the purpose of such foreclosure; and in case of any other suit, or legal proceeding, wherein the Mortgagee shall be made a party thereto by reason of this mortgage, its costs and expenses, and the reasonable fees and charges of the attorneys or solicitors of the Mortgagee, so made parties, for services in such suit or proceedings, shall be a further lien and charge upon the said premises under this mortgage, and all such expenses shall become so much additional indebtedness secured hereby and be allowed in any decree foreclosing this mortgage.

And there shall be included in any decree foreclosing this mortgage and be paid out of the proceeds of any sale made in pursuance of any such decree: (1) All the costs of such suit or suits, advertising, sale, and conveyance, including attorneys', solicitors', and stenographers' fees, outlays for documentary evidence and cost of said abstract and examination of title; (2) all the moneys advanced by the Mortgagee, if any, for the purpose authorized in the mortgage with interest on such advances at the rate set forth in the note secured hereby, from the time such advances are made; (3) all the accrued interest remaining unpaid on the indebtedness hereby secured; (4) all the said principal money remaining unpaid. The overplus of the proceeds of sale, if any, shall then be paid to the Mortgagor.

If Mortgagor shall pay said note at the time and in the manner aforesaid and shall abide by, comply with, and duly perform all the covenants and agreements herein, then this conveyance shall be null and void and Mortgagee will, within (30) days after written demand therefor by Mortgagor, execute a release or satisfaction of this mortgage, and Mortgagor hereby waives all benefits of all statutes or laws which require the earlier execution or delivery of such release or satisfaction by Mortgagee.

It is expressly agreed that no extension of the time for payment of the debt hereby secured given by the Mortgagee to any successor in interest of the Mortgagor shall operate to release, in any manner, the original liability of the Mortgagor.

In the case of the general or negative side of the X-ray spectrum no such perturbations of the prior term of the ordinary form appear as those in the case of the absorption bands. The X-ray spectrum of the perturbed atom is the same as that of the unperturbed atom, but the intensity of the X-ray spectrum is reduced by the factor $\frac{1}{1 + \frac{1}{2} \alpha^2}$. The perturbation of the X-ray spectrum is due to the perturbation of the electron motion in the atom.
