If the Property damaged, it is the responsibility of repeat to repair or replace or Leader's reasonable expenses for removal and replacement of damaged property. The Leader may sue the Borrower for damage to his property or to pay sums secured by this Security instrument, whether or not then due. The 30-day period within which the notice of termination of this instrument, whether or not then due, may sue the Borrower for damage to his property or to pay sums secured by this Security instrument, whether or not then due. The 30-day period within which the notice of termination of this instrument, whether or not then due, may sue the Borrower for damage to his property.

Borrower shall prominently display over this Agreement any liability incurred by Lender in connection with the payment of the obligations set forth in this Agreement, and (ii) agrees to pay to Lender all reasonable expenses incurred by Lender in connection with the collection of any amounts due under this Agreement, including attorney's fees, costs and expenses of collection, and reasonable attorney's fees for any action or proceeding to collect any amounts due under this Agreement.

which may attain priority over the *debetory* instruments, and leaseshold payments or ground rents, if any, Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in full within ninety days following the date on which payment becomes due, to the person named in the instrument of record.

Funds held by Lender or under its program may be used for the acquisition of instruments, equipment or property of the type described in Section 19 of the Credit Agreement.

The Funds shall be held in an institution or institutions of account of which are invested by a creditor or trustee of the Funds for holding and applying the Funds. A beneficiary may charge his account or verify his claim against the Funds to pay the escrow items. A creditor may not charge for holding and applying the Funds unless he has agreed to such an escrow item. 9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any applications of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. **Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property or a Beneficial Interest In Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold, assigned or transferred and Borrower is not a natural person) or if Borrower enters into Articles of Agreement for Deed or any agreement for installment sale of the Property or the beneficial interest in Borrower (and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay the sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

19. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise). This notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full

Loan Number:

**NOTICE:** The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

10TH AUGUST 87

This Rider is made this day of , 19 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Citicorp Savings of Illinois, A Federal Savings and Loan Association, (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at

LOT 357 BLOCK 8 BRETON POINTE, HOFFMAN ESTATES, IL 60195

**Property Address**

**MODIFICATIONS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. Interest Rate and Monthly Payment Changes**

The Note has an "Initial Interest Rate" of **7.15%**. The Note interest rate may be increased or decreased on the **1st** day of the month beginning on **SEPTEMBER 1ST, 19 88** and on that day of the month every **12** month(s) thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.]

- (1)  The weekly average yield on United States Treasury securities adjusted to a constant maturity of **1** year(s), as made available by the Federal Reserve Board.  
 In no event over the full term of the Note will the interest rate be increased more than **6.75** percentage points (**6.75%**) from the initial Rate of Interest.  
 Before each Change Date the Note Holder will calculate the new interest rate by adding **2.90** percentage points (**2.90%**) to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than **2.00** percentage points (**2.00%**) from the rate of interest currently being paid.

- (2)  Other:

If the Interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

**B. Loan Charges**

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits; then: (I) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (II) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

**C. Prior Liens**

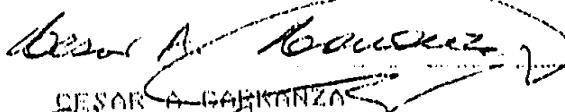

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a debt which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

**D. Transfer of the Property**

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

\*If more than one box is checked or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first Index named will apply.

Loan Number: 000913426

THIS ADJUSTABLE RATE MORTGAGE CONVERSION RIDER is made this  
10TH day of AUGUST, 1987, and is incorporated into  
and shall be deemed to amend and supplement the Mortgage (the  
"Security Instrument") of the same date given by the undersigned  
(the "Borrower") to secure Borrower's Adjustable Rate Note (the  
"Note") to Citicorp Savings of Illinois, a Federal Savings and  
Loan Association, (the "Lender") and covering the property  
described in the Security Instrument located at: LOT 357 BLOCK 8 BRETON POINTE  
HOFFMAN ESTATES ILLINOIS 60195  
(Property Address)

ADDITIONAL COVENANTS: In addition to the covenants and agreements  
made in the Security Instrument, Borrower and Lender further  
covenant and agree as follows:

A. BORROWER'S OPTION TO CONVERT: The Adjustable Rate Note  
Conversion Rider to Borrower's Note contains provisions that allow  
the Borrower to convert the Adjustable Rate Note to a fixed rate,  
level payment, fully amortizing loan. That Rider provided as  
follows:

#### "A. OPTION TO CONVERT FIXED RATE

I have a Conversion Option which I can exercise  
unless this Section will not permit me to do so.  
The "Conversion Option" is my option to convert the  
interest rate I am required to pay by the Note from  
an adjustable interest rate: (a) to a fixed  
interest rate loan for the remaining term if my  
outstanding principal balance on the Conversion  
Date is less than or equal to Five Hundred Thousand  
and No/100 Dollars (\$500,000.00); or (b) to a fixed  
interest rate loan for a term to maturity of  
fifteen (15) years from the Conversion Date if my  
outstanding principal balance on the Conversion  
Date is greater than Five Hundred Thousand and  
No/100 Dollars (\$500,000.00).

The conversion can only take place on the first  
FIVE (5) Change Date(s). Each Change Date on  
which my interest rate can convert from an  
adjustable rate to a fixed rate is also called a  
"Conversion Date". I can convert my interest rate  
only on this (these) Conversion Date(s).

If I want to exercise the Conversion Option, I must  
first meet certain conditions. Those conditions  
are that: (a) I am not in default or foreclosure

under the Note or the Security Instrument on the Conversion Date; (b) I have not been assessed for two or more late payments in the twelve (12) months immediately preceding the Conversion Date; (c) I am current on my payments as of 45 days prior to the Conversion Date; (d) I give the Note Holder notice that I want to convert to a fixed rate within the time specified by the Note Holder; (e) I pay a non-refundable conversion fee equal to the greater of one percent (1%) of the outstanding principal balance of my Note on the Conversion Date or \$100.00.; (f) I sign any documents required by the Note Holder to effect the conversion; (g) I provide the Note Holder with current credit information; and (h) I have not exercised any Assumption Feature offered by the Note Holder and accepted by me as of the Conversion Date.

If I do not exercise this option to convert in accordance with the terms and conditions of this Rider by the FIVE ( 5 ) Change Date to occur pursuant to the Adjustable Rate Note after the date of this Rider and the Note, this option to convert created by this Rider shall terminate.

## B. NOTE HOLDER'S NOTICE TO BORROWER

This Conversion Rate Rider is notice to me of my option to convert and the conditions for exercising that option. Note Holder may, but is not required to, provide me with additional Notice of my option to convert before each Conversion Date. That notice, if provided, will contain the following information:

- (i) the fixed interest rates payable by me if I convert to a fixed interest rate loan and the amount of my new monthly payment at the fixed rate of interest; and
- (ii) a date not less than 15 days from the date the notice is sent, by which I must execute and deliver to Note Holder a document in the form required by Note Holder evidencing my election to convert to a specified fixed rate loan.

## C. CALCULATION OF FIXED RATE

My fixed interest rate will be determined by the Note Holder FORTY -FIVE ( 45 ) days before each Conversion Date. That interest rate will be equal to the interest rate then charged by Citicorp Savings of Illinois, a Federal Savings and Loan Association, on similar fixed rate loans with a

term of 15 years if my outstanding principal balance is greater than \$500,000.00 on the Conversion Date, or with a term of 30 years if my outstanding principal balance is less than or equal to \$500,000.00 on the Conversion Date. That interest rate will be higher if the original principal amount of my Loan exceeded 80% of either the purchase price of my home or the appraised value of my home at Loan Settlement as determined by the appraisal prepared and submitted to Note Holder prior to Loan Settlement. If I elect to convert, any limit on interest rate changes on a Change Date or over the term of the Note will not apply in setting the fixed interest rate.

## D. CALCULATION OF NEW PAYMENT AMOUNT

The new fixed interest rate will become effective on the Conversion Date if I choose to convert.

My monthly payments at the new fixed interest rate will begin with the first monthly payment due after the Conversion Date. The monthly payment will be the amount that is necessary to repay in full the principal I am expected to owe on the Conversion Date in substantially equal payments by the end of the term provided in "A" above.

## E. ELECTION TO CONVERT

I must execute and deliver to Note Holder a document on a form required by Note Holder evidencing the modifications to the Note at least fifteen (15) days prior to the effective conversion Date. If I do not do this within the specified time, I can no longer exercise the option to convert on that particular Conversion Date. In this case, the terms of my Note will continue in effect without any change.

Failure of Note Holder to provide the notice described in Paragraph B above, will not extend the time for me to exercise this option to convert. In any event, I must deliver to Note Holder written notice of my election to convert not less than TWENTY ( 20 ) days from the Conversion Date.

## F. CONVERSION FEE

I agree to pay the Note Holder at the time the document evidencing the modification of the Note is executed and delivered, a nonrefundable conversion fee equal to one percent (1%) of the unpaid principal balance of my Note on the Conversion Date
