NOTICE: The Security Instrument secures a Note which contains a provision allowing for changes in the interest rate. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

This Rider is made this 17TH day of AUGUST , 1987 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Citicorp Savings of Illinois, A Federal Savings and Loan Association.

MODIFICATIONS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Interest Rate and Monthly Payment Changes

The Note has an "Initial Interest Rate" of 6.90 %. The Note interest rate may be increased or decreased on the FIRST day of the month beginning on SEPTEMBER 1ST , 19 88 and on that day of the month every 12 month(s) thereafter.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the: [Check one box to indicate Index.]

(1) The weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year(s), as made available by the Federal Reserve Board.

In no event over the full term of the Note will the interest rate be increased more than 7.00 percentage points (7.00 %) from the Initial Rate of Interest.

Before each Change Date the Note Holder will calculate the new interest rate by adding 2.90 percentage points (2.90 %) to the Current Index. However, the rate of interest that is required to be paid shall never be increased or decreased on any single Change Date by more than 2.00 percentage points (2.00 %) from the rate of interest currently being paid.

If the Interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. Loan Charges

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Lender may choose to make this refund by reducing the principal I owe under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

C. Prior Liens

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

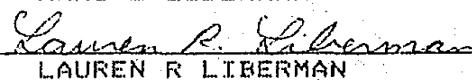

D. Transfer of the Property

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

*If more than one box is checked or if no box is checked, and Lender and Borrower do not otherwise agree in writing, the first Index named will apply.
