THIS INDENTURE, made July 27 1987, between Matteson-Richton Bank as Trustee U/T/A #74-1089 dtd. June 23, 1980 of Rt. 30 & Kostner Av., Matteson, IL (the "Grantor") and MATTESON-RICHTON BANK (the "Trustee").

loan under the Line of Credit Agreement which shall bear interest on the unpaid principal balance from time to time at a per annum rate as hereinafter described. The Note evidences a revolving credit and the lien of the Trust Deed secures payment of any existing indebtedness and future advances made pursuant to the Note to the same extent as if such future advances were made on the date hereof and regardless of whether or not any advance has been made as of the date of this Trust Deed or whether there is any outstanding indebtedness at the time of any future advances. Payments of all accrued interest on the then outstanding principal balance of the Note, at 1 1/2% above the index rate as hereafter defined, shall commence on the 2nd day of September 1987 and continue on the 2nd day of each month thereafter with a final payment of all principal and accrued interest due on July 27 1992.

The "Index Rate" of interest is a variable rate of interest and is defined in the Note as the announced prime rate of interest of Harris Trust and Savings Bank as determined on the 12th day of each month during the term hereof. In the event Harris Trust and Savings Bank discontinues announcing or establishing a prime rate of interest the Index Rate shall thereafter be the Bank Prime Loan Rate on the 12th day of each month during the term hereof as set forth in Federal Reserve statistical H.15 published by the Federal Reserve Board.

To secure the payment of the principal balance and of all interest due on the Promissory Note and performance of the agreement, terms and conditions of the Line of Credit Agreement, and for other good and valuable consideration, the Grantor does hereby grant, sell, assign, mortgage, warrant and convey to the Trustee, its successors and assigns the following described real estate of Tinley Park County of Cook and State of Illinois to wit:

Such receiver shall have power to collect the rents, issues and profits of said Premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time when Grantor, its successors or assigns, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (1) the indebtedness secured hereby, or by any decree for foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency, in case of a sale and deficiency.

The procurement of insurance or the payment of taxes, other liens or charges by Trustee or Holder of the Note shall not be a waiver of Trustee's right as otherwise provided in this Trust Deed or accelerate the maturity of the indebtedness secured by this Trust Deed in the event of Grantor's default under this Trust Deed.

10. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors, heirs, legal heirs, devisees and assigns of Trustee and Grantor.
