UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extender coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

0C126520

O'GRIFFIN'S STAGE shall not apply in the case of Accreditation under Paragraphs

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interests of other loan charges collected or to be collected in connection with the loan exceed the permitted limit, then: (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (2) any sums already collected from Borrower which exceed partial prepayment without any prepayment charge under the Note will be refund by making a direct payment to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. **Laws Affecting Lenders' Rights.** (a) Enactment, (b) interpretation of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedy permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of this Note to collect the amounts due under the Note.

14. **Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by mailing it by first class mail to Lender's address stated herein or any other address Lender designs by notice to Lender. Any notice provided for in this Security Instrument shall be given by first class mail to any other address Borrower designates by notice to Borrower. Any notice given by Borrower to any other address shall be given by first class mail to Lender. Any notice given by Lender to Borrower or to another party shall be deemed to have been given to Borrower or to another party when given as provided for in this Security Instrument.

11. Successors and Assignees - Found; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security instrument shall bind and benefit the successors and assigns of Lemender and Borrower, subject to the provisions of paragraph 17. Borrower's successors and assigns shall be joint and several. Any Borrower who co-signs this instrument but does not execute the Note, (e) is co-signing this Security instrument only to mortgage, grants and conveys that sum secured by this Security instrument, and (f) agrees that Lemender and any other Borrower may agree to extend, modify, forgive or make any accommodations with regard to the terms of this Security instrument or the Note without the sums secured by this Security instrument, and (g) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (h) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (i) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (j) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (k) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (l) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (m) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (n) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (o) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (p) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (q) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (r) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (s) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (t) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (u) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (v) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (w) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (x) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (y) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument, and (z) agrees that Lemender and any other Borrower may agree to pay the sums secured by this Security instrument.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or

In the event of a total taking or partial taking of the property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess shall be applied to the part of the property taken.

If Lender shall pay the Premiums required to make the loan secured by this Security Instrument, Borrower shall pay the Premiums required to maintain the insurance in effect until such time as the insurance terminates in accordance with Lender's written agreement; however, if the insurance terminates earlier than the date specified in the original policy, Lender shall receive the amount paid by Borrower up to the date of termination.

ADJUSTABLE RATE RIDER (1 Year Treasury Index—Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 14TH day of AUGUST , 1987 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to CTX MORTGAGE COMPANY (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

4951 CREST COURT, COUNTRY CLUB HILLS, ILLINOIS 60477

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.500 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of OCTOBER , 1988 , and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND THREE QUARTERS percentage points (2.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.500 % or less than 5.500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.500 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

References to the Note or the Security Instrument in any other documents executed in connection with the Note or the Security Instrument shall be deemed to be references to the Note and the Security Instrument as modified and supplemented by this Rider.

1. The last sentence of Paragraph 13 of the Security Instrument is hereby deleted and the following is hereby substituted therefor:

"If Lender exercises this option, Lender shall take the steps specified in the third paragraph of paragraph 17."

2. Paragraph 17 of the Security Instrument (including a description of certain portions of Paragraph 17 of the Security Instrument set forth in Section 10 of the Note) is hereby deleted and the following is hereby substituted therefor:

"17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

"Lender may charge a reasonable fee not to exceed one percent (1%) of the outstanding principal balance of the loan as a condition to Lender's consent to the loan assumption, unless prohibited by applicable law. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

"If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower."

object is still exact. I also realized that from the point of view of the VLSI designer the logic design must be done in parallel with the physical design.

As predicted and forecasted by the model, the rate of growth of the real gross domestic product will be 1.1% in 2013, 1.2% in 2014 and 1.3% in 2015. The projected growth rates are feasible given the available information.

and therefore it is important to have a good understanding of the various types of feedback available.

The first type of feedback is called "positive feedback". This occurs when a signal from one part of a system stimulates another part in such a way that the overall effect is to increase the original signal. For example, if you turn up the volume on a radio, the sound level increases, which in turn stimulates your brain to produce more energy, which in turn stimulates the radio to produce even more sound. This can lead to a self-reinforcing loop where the system continues to grow until it reaches a point of saturation or until it is interrupted by external factors.

The second type of feedback is called "negative feedback". This occurs when a signal from one part of a system stimulates another part in such a way that the overall effect is to decrease the original signal. For example, if you turn up the volume on a radio, the sound level increases, which in turn stimulates your brain to produce less energy, which in turn stimulates the radio to produce less sound. This can lead to a self-limiting loop where the system stabilizes at a certain level or until it is interrupted by external factors.

The X-ray and optical spectra of the quiescent state of the source are shown in Figure 1.
