If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for convenience in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 10 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note (at the time of signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument which is not personally obligated to pay the sums secured by this Security Instrument) and agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest, other than charges, collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable law has the effect of rendering any provision of the Note or this Security Instrument unenforceable, notwithstanding its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. It shall not be a transfer of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorney's fees and (d) takes such action as Lender may reasonably require to assure that the hen of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

THIS ADJUSTABLE RATE RIDER is made this 15TH day of SEPTEMBER , 19 87 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to SEARS MORTGAGE CORPORATION, AN OHIO CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1511 RICHMOND STREET, ARLINGTON HEIGHTS, ILLINOIS 60004

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.875 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of OCTOBER 1 , 19 88 , and on that day every 12th month thereafter each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 75/100ths percentage points (2.75 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.875 % or less than 7.875 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.875 %, and will never be lower than 5.875%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

By SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

ADDENDUM TO ADJUSTABLE RATE RIDER

(Fixed Rate Conversion Option)

THIS ADDENDUM TO THE ADJUSTABLE RATE RIDER is made the 15TH day of SEPTEMBER, 1987, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), each of which bears the same date as above and is given by the undersigned (the "Borrower") to secure the Borrower's Adjustable Rate Note to

SEARS MORTGAGE CORPORATION, AN OHIO CORPORATION

(the "Lender") of the sum set forth in the Note) and covering the property described in the Security Instrument and located at

1511 RICHMOND STREET, ARLINGTON HEIGHTS, ILLINOIS 60004

(Property Address)

IN ADDITION TO THE PROVISIONS CONTAINED IN THE RIDER TO THE SECURITY INSTRUMENT, THIS ADDENDUM MAY PERMIT THE BORROWER TO CONVERT THE ADJUSTABLE RATE LOAN INTO A FIXED RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS In addition to the covenants and agreements made in the Note, Borrower and Lender further covenant and agree as follows:

A. OPTION TO CONVERT TO FIXED RATE

Except as provided in Section B below and notwithstanding anything to the contrary in the Note or the Rider to the Security Instrument, I may choose at certain times to convert my monthly interest payments to fixed rate interest payments at any time during the second, third, fourth and fifth year of the mortgage term.

To initiate the conversion of the interest rate from an adjustable rate to a fixed rate, I must pay a nonrefundable conversion fee to register with the Lender my intention to convert my loan at the current conversion rate and fee.

The interest rate at which this loan may be converted may be obtained from the Lender on the day my conversion fee is received. This day is called the "Conversion Registration Date". The fixed rate of interest I must pay will be calculated as the best yield point for Sears Mortgagors Securities Corporation's 30-year fixed rate mortgage program, 30-day mandatory delivery commitment period, as of the Conversion Registration Date, plus the margin fee established by the Lender.

If such a required rate is not available, the Lender will determine my new fixed interest rate by using a comparable quote.

B. CONDITIONS TO OPTION

I will not have the option to convert any adjustable rate interest payments as Section A above if I am not current with respect to all payments due or if my payment was not made within the month it was due during the previous 30 months.

I must submit the required conversion fee, which sum will not be refundable in order to initiate the conversion and look to the new fixed monthly interest rate. I also must sign and give to the Lender a document, in my form that the Lender may request, changing the terms of the Note in accordance to give effect to the conversion. This document must be received by the Lender no later than the 15th business day from the Conversion Registration Date. If the completed forms are not received by the Lender within the prescribed time period, the conversion will be canceled. My conversion fee, however, will not be refunded if the conversion is canceled.

C. DETERMINATION OF NEW PAYMENT AMOUNT

If I choose to convert to a fixed rate of interest as provided in Section A above, the Lender will then determine the amount of a monthly payment that would be sufficient to repay the unpaid principal balance of my loan (assuming timely payment of all accrued due) that I am expected to owe on the first day of the second month after the Conversion Registration Date (the "Effective Conversion Date") in full on the maturity date of my new interest rate as substantially equal payments. The result of this calculation will be the new amount of my monthly principal and interest payments (the "New Payment Amount").

D. PAYMENT OF NEW PAYMENT AMOUNT; CONTINUATION OF FIXED RATE

Beginning with my first monthly payment after the Effective Conversion Date, I will, if I have chosen the foregoing conversion, pay the New Payment Amount, plus any required escrow payments, as my monthly payment, and the interest rate I will pay will not change from the fixed rate established as of the Effective Conversion Date.

E. PAYMENT OF CONVERSION FEE

For choosing to convert my adjustable rate interest payments to fixed rate payments as provided above, I will pay the Lender a nonrefundable conversion fee equal to **ONE AND NO 100/1000 DOLLARS** (percent 1.00%) of the sum of principal due, as of the Effective Conversion Date, has not been paid. I will pay the conversion fee in order to initiate the conversion from adjustable interest rate payments to fixed interest rate payments.

F. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If I choose the Conveyance Option and thereafter, if I or any part of the Property, or my interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), without the Note Holder's prior written consent, the Note Holder may, at its option, require immediate payment in full of all amounts I owe under this Note. However, this option shall not be exercised by the Note Holder if exercise is prohibited by federal law as of the date of this Note.

If the Note Holder exercises this option, the Note Holder shall give me notice of noncompliance. This notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which I must pay all amounts I owe.

G. FAILURE TO CHOOSE CONVERSION

If I do not, during the second, third, fourth or fifth year of the mortgage term, give the Lender notice that I choose to convert my adjustable rate interest payments to fixed rate interest payments and do the other things that I must do under Sections A and B above within the applicable times specified in such Sections, I will no longer have right to choose such a conversion of interest payments.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Addendum to Adjustable Rate Rider.
