Mortgagee shall not and the beneficiary of Mortgage, if any, shall not enter into or permit to be entered into any management contract, assignment or sublease of any lease, license or concession pertaining to the Premises without the prior written approval of Mortgagee having first been obtained and following such approval shall not modify or amend the same without the prior approval of Mortgagee.

Mortgagee will not and Mortgagee's beneficiary or beneficiary will not, without Mortgagee's prior written consent: (i) execute any assignment or pledge of any lease or any interest of the Premises except an assignment or pledge securing the indebtedness in favor of Mortgagee; or (ii) accept any occupancy by the tenant thereunder.

Mortgagee shall not and Mortgagee's beneficiary or beneficiary will not, without Mortgagee's prior written consent: (i) execute any assignment or pledge of any lease or any interest of the Premises except an assignment or pledge securing the indebtedness in favor of Mortgagee; or (ii) accept any occupancy by the tenant thereunder.

7. STAMP TAX; EFFECT OF CHANGES IN LAWS REGARDING TAXATION. If, by the laws of the United States of America or of any state or territory thereof having jurisdiction over the Mortgagee, any tax is due or becomes due in respect to the Note, or this Mortgage, the Mortgagee shall pay such tax in the manner required by any such law. The Mortgagee further covenants to reimburse the Mortgagee for any sums which Mortgagee may expend by reason of the imposition of any tax on the issuance of the Note.

As used in this Paragraph 6, the term "Disbursing Party" refers to the Mortgagee and/or to any title insurance company selected by the Disbursing Party.

6. ADJUSTMENT OF LOSSES WITH INSURER AND APPLICATION OF PROCEEDS OF INSURANCE. In case of the loss or damage by fire or other casualty, Mortgagee is authorized: (a) to settle and adjust any claim under insurance policies which insure against such risks; or (b) to allow Mortgagee to agree with the insurer, or companies or persons, on the amount to be paid in regard to such loss. In either case, Mortgagee is authorized to collect and receipt for any such insurance proceeds. So long as: (a) each lease applicable to the Premises is in full force and effect and thereunder is not in default and such loss or damage shall not result in the termination or cancellation of any of those leases or give any tenant the right to terminate or cancel its lease; (b) no insurer denies liability as to any insured or claims any right of participation in any of the proceeds or reimbursement; and (c) this Mortgagee is not in default, the proceeds shall be distributed upon the "Disbursing Party" (hereinafter defined) being furnished with satisfactory evidence of the cost of completion, repair or restoration of the building, and with architect, engineer, contractor and subcontractor's sworn statements, the continuation and other evidence of cost and payment to that the Disbursing Party can verify that the amounts disbursed from time to time are represented by completed and in-place work and that said work is free and clear of mechanics' liens claims. No payment made prior to the final completion of the work shall exceed ninety percent (90%) of the value of the work performed from time to time, and at all times the undisbursed balance of such proceeds remaining in the hands of the Disbursing Party shall be at least sufficient to pay for the cost of completion of the work and clear of such proceeds. If the cost of rebuilding, repairing or restoring the building and other improvements may reasonably exceed the sum of FIFTY THOUSAND DOLLARS (\$50,000.00), then the Mortgagee must approve of the plan and specifications of such work before such work shall be commenced. Any surplus which may remain out of said insurance proceeds, after payment of the cost of repair, rebuilding, restoration and the reasonable charges of the Disbursing Party, shall, at the option of the Mortgagee, be applied on account of the indebtedness or paid to any party entitled thereto as the same appear on the records of the Mortgagee. No interest shall be allowed to Mortgagee on any proceeds of insurance held by the Disbursing Party.

Within ninety (90) days following the end of each fiscal year of Mortgage, at the request of the Mortgagee, Mortgagee agrees to furnish evidence of replacement cost, without cost, to the Mortgagee, such as are regularly and ordinarily made by insurance companies to determine the then replacement cost of the building(s) and other improvements on the Premises.

Mortgagee shall not take out separate insurance coverage in form or contributing in the event of loss with that required to be maintained hereunder until Mortgagee is included thereunder under a standard non-contributory mortgagee clause acceptable to Mortgagee. Mortgagee shall immediately notify Mortgagee whenever any such separate insurance is taken out and shall promptly deliver to Mortgagee the original policy or policies for such insurance. In the event of a transfer of title to the Premises or purchase of the Premises or purchase, all interest in all insurance policies in force shall pass to Mortgagee, transferee or purchaser, as the case may be.

5. INSURANCE. Mortgagee shall keep all buildings and improvements and the Collateral (defined in Paragraph 27 below) now or hereafter situated on said Premises insured against loss or damage by fire on a so-called "All Risks" basis and against such other hazards as may reasonably be required by Mortgagee, including without limitation of the foregoing: (a) real loss or business interruption insurance whenever in the opinion of Mortgagee such protection is necessary; and (b) flood insurance whenever same is available and, in the opinion of Mortgagee, such protection is necessary. All policies of insurance to be furnished hereunder shall be in form, companies and amounts satisfactory to Mortgagee, with waiver of subrogation and replacement cost endorsement and a standard non-contributory mortgagee clause attached to all policies, including a provision requiring that the coverage evidenced thereby shall not be terminated or materially modified without thirty (30) days' prior written notice to the Mortgagee. Mortgagee shall deliver all original policies, including additional and renewal policies, to Mortgagee and, in the case of insurance about to expire, shall deliver renewal policies not less than thirty (30) days prior to their respective dates of expiration.

4. MORTGAGEE'S INTEREST IN AND USE OF TAX AND INSURANCE DEPOSITS; SECURITY INTEREST. In the event of a default hereunder, the Mortgagee may, at its option but without being required to do so, apply any monies at the time of deposit pursuant to Paragraph 3 and hereon on any of Mortgagee's obligations contained herein or in the Note, in such order and manner as the Mortgagee may elect. When the indebtedness has been fully paid, any remaining deposit shall be paid to Mortgagee or to the then owner or owner of the Premises as the same appear on the records of the Mortgagee. A security interest, within the meaning of the Uniform Commercial Code of the State in which the Premises are located, is hereby granted to the Mortgagee in and to all monies at any time on deposit pursuant to Paragraphs 3 and 26 hereon and such monies and all of Mortgagee's right, title and interest therein are hereby assigned to Mortgagee, all as additional security for the indebtedness hereunder and shall, in the event of default hereunder, be applied by the Mortgagee for the purposes for which made hereunder and shall be subject to the direction or control of the Mortgagee; provided, however, that Mortgagee shall not be liable for any failure to apply to the payment of taxes or assessments or insurance premiums or to make application of such funds to the payment of the particular taxes or assessments or insurance premiums. Mortgagee shall not be liable for any act or omission taken in good faith, but only for its gross negligence or willful misconduct.

12. ACCELERATION OF INDEBTEDNESS IN CASE OF DEFAULT. (a) default be made in the due and principal payment of principal or interest on the Note, or any other payment due in accordance with the terms thereof; or (b) the Mortgagee or any beneficiary thereof shall be notified in writing within ten (10) days of the date of the acceleration of the Note, or any other payment due in accordance with the terms thereof, that the Mortgagee has elected to accelerate the Note, or any other payment due in accordance with the terms thereof, on the basis that the Mortgagor or any beneficiary thereof has failed to perform any act herein required of the Mortgagor in any form and manner. The Mortgagee or any beneficiary thereof shall be notified in writing of any acceleration of the Note, or any other payment due in accordance with the terms thereof, and the Mortgagee or any beneficiary thereof shall be notified in writing of any acceleration of the Note, or any other payment due in accordance with the terms thereof, and the Mortgagee or any beneficiary thereof shall be notified in writing of any acceleration of the Note, or any other payment due in accordance with the terms thereof.

11. MORTGAGEE'S RELIANCE ON TAX BILLS, ETC. Mortgagee in making any payment hereby authorized (a) relating to taxes and interest, may do so according to any computer or billing service, bill, statement or estimate procured from the appropriate public office or title company without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereon; or (b) for the purchase, discharge, compromise settlement of any other prior lien, may do so without inquiry as to the validity or amount of any claim for which payment may be assessed.

10. MORTGAGEE'S PERFORMANCE OF DEFAULTED ACTS. In case of default herein, Mortgagee may, but need not, make any payment or perform any act herein required of the Mortgagor in any form and manner. Mortgagee deems expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or assessment or other lien or title or claim thereon, or redeem from any tax sale or forfeiture or consent any tax or assessment or cure any default of any land in any lease of the Premises. All monies paid for any of the purposes hereof shall be credited to the Premises and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Mortgagee in regard to protecting the Premises or the lien hereof, shall be so much additional indebtedness secured hereby, and that become immediately due and payable without notice and with interest thereon at the rate of interest set forth in the Note applicable to a period when a default exists hereunder. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of the Mortgagor.

Mortgagee shall pay to Mortgagee a reasonable service charge and such title insurance premiums and attorney's fees (including in-house staff) as may be incurred by Mortgagee for any action described in this Paragraph taken at the request of Mortgagee or its beneficiary or beneficiaries. Mortgagee shall pay to Mortgagee a reasonable service charge and such title insurance premiums and attorney's fees (including in-house staff) as may be incurred by Mortgagee for any action described in this Paragraph taken at the request of Mortgagee or its beneficiary or beneficiaries.

9. MORTGAGOR AND LIEN RELEASED. From time to time Mortgagee may, at Mortgagee's option, without giving notice to or obtaining the consent of Mortgagee, its beneficiary, or Mortgagee's successors or assigns or the consent of any junior lien holder, guarantor or tenant, without liability on Mortgagee's part and now standing Mortgagee's breach of any covenant, agreement or condition; (a) release any one or more of the secondarily liable on any of the indebtedness; (b) accept a renewal note or notes of the Note; (c) release from the lien of this Mortgagee any part of the Premises; (d) take or release other or additional security for the indebtedness; (e) consent to any plan, map or plan of the Premises or Declaration of Condominium as to the Premises (in whole or in part); (f) consent to the granting of any extension or subordination of agreements; (g) agree in writing with Mortgagee to modify the rate of interest or period of amortization of the Note or charge the time of payment or the amount of the installment payable (hereinafter referred to as "waiver or fall to exercise any rights, power or remedy granted by law or herein or in any other instrument given at any time to evidence or secure the payment of the indebtedness";

Mortgagee shall have the option to declare this Mortgage in default because of a material default of the Mortgagor in any lease of the Premises, whether or not such default is set forth in Paragraph 8, or otherwise, shall constitute a default hereunder, on account of which the whole of the Rent or Lease payable pursuant to this Paragraph 8, or otherwise, shall constitute a default hereunder, on account of which the whole of the indebtedness secured hereby shall at once, at the option of the Mortgagee, become immediately due and payable, without notice to the Mortgagor.

8. If the event of the enforcement by Mortgagee of any remedial provided for by law or by this Mortgage, the tenant under each lease of the Premises shall, at the option of the Mortgagee, elect to accept or decline in the interest of the landlord as a result of such enforcement and shall recognize such successor in interest as landlord without such change in the terms of other provisions hereof; provided, however, that said successor in interest shall not be bound by any payment of rent or additional rent for more than one month in advance or any amendment or modification to any lease made with or without the consent of Mortgagee or said successor in interest. Each tenant, upon request by said successor in interest, shall execute and deliver an instrument in writing of assignment or subordination of interest. Each tenant, upon request by said successor in interest, shall execute and deliver an instrument in writing of assignment or subordination of interest.

At the option of the Mortgagee, this Mortgage shall become subject and subordinate, in whole or in part (but not with respect to priority of lien) to any mortgage or other security interest in or upon the premises or any part of the Premises, upon the execution by Mortgagee and recording or registration of this Mortgage in the office hereafter, in the office where this Mortgage was registered or filed for record, of a unilateral declaration to that effect.

Nothing in this Mortgage or in any other documents relating to the Note secured hereby shall be construed to obligate Mortgagee, expressly or by implication, to perform any of the covenants of the landlord under any of the leases assigned to Mortgagee or to pay any sum of money or damages therefor, provided to be paid by the landlord, each and all of which covenants and payments Mortgagee agrees to perform and pay or cause to be performed and paid.

Mortgagee or at its sole cost and expense will: (i) at all times promptly and faithfully abide by, discharge and perform all of the covenants, conditions and agreements contained in all leases of the Premises, on the part of the landlord hereunder to be kept and performed; (ii) enforce or secure the performance of all of the covenants, conditions and agreements of such leases on the part of the tenants to be kept and performed; but Mortgagee shall not and Mortgagee's beneficiary or beneficiaries shall not modify, amend, cancel, terminate or accept surrender of any lease without prior written consent of Mortgagee; (iii) appear in and defend any action or proceeding arising under, growing out of or in any manner connected with such leases or the obligations, duties or liabilities of the landlord or of any tenants hereunder; (iv) transfer and assign or cause to be separated, transferred and assigned to Mortgagee, upon written request of Mortgagee, any lease or leases of the Premises heretofore or hereafter entered into, and make, execute and deliver to Mortgagee upon demand, any and all instruments required to effectuate said assignment; (v) furnish Mortgagee, within ten (10) days after a request by Mortgagee to do so, a written statement containing the names of all tenants and the terms of all leases of the Premises, including the spaces occupied and the rentals payable thereunder; and (vi) exercise within five (5) days of any demand therefor by Mortgagee any right to request from the tenant under any lease of the Premises a certificate with respect to the status thereof.

27. SECURITY AGREEMENT AND FINANCING STATEMENT. Mortgage and mortgage agree: (i) that this Mortgage shall constitute a Security Agreement within the meaning of the Uniform Commercial Code (the "Code") of the State in which the Premises are located with respect to all sums on deposit with the Mortgagee pursuant to Paragraphs 6 and 18 hereof ("Deposits"), and with respect to any property included in the definition herein of the word "Premises," which property may not be deemed to form a part of the real estate described in EXHIBIT "A," or may not constitute a "Fixture" (within the meaning of Section 9.31 of the Code), and all replacement of such property, substitutions for such property, additions to such property, books and records relating to the Premises and operation thereof and the proceeds thereof (said property, replacements, substitutions and the proceeds thereof being sometimes herein collectively referred to as the "Collateral"); and (ii) that the Deposits and all of Mortgagee's right, title and interest therein are hereby assigned to the Mortgagee; all to secure payment of the indebtedness and to secure performance by the Mortgagee of the terms, covenants and provisions hereof.

28. Eviction of Prepayment Premium. If maturity of the indebtedness is accelerated by the Mortgagee because of default, as herein provided, and a tender of payment is made by or on behalf of the Mortgagee in an amount necessary to satisfy the indebtedness at any time prior to judicial confirmation of foreclosure sale, such tender shall constitute an evasion of the prepayment premium provided for in the Note, if any, and shall be treated as a prepayment thereunder. Any such tender must therefore include the prepayment premium, if any required under the Note; or if at that time there is no prepayment privilege provided for in the Note, then such payment will include a prepayment premium of two per cent (2%) of the then unpaid principal balance of the Note.

29. After an event of default, Mortgagee shall have the right and option to commence a civil action to foreclose the lien of this Mortgage and to obtain an order of judgment of foreclosure and sale subject to the rights of any tenant or tenants of the Premises. The failure to join any tenant or tenants of the Premises as party defendant or defendants in any such civil action or the failure of any such order of judgment to foreclose their rights shall not be asserted by the Mortgagee as a defense in any civil action instituted to collect the indebtedness secured hereby, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Premises, any waiver or rule of law or any time extending to the contrary notwithstanding.

30. Governmental Compliance. Mortgagee shall not by act or omission permit any lands or improvements not subject to the use of this Mortgage to include the Premises or any part thereof in fulfillment of any governmental requirement, and Mortgagee hereby assigns to Mortgagee any and all rights to give consent for all or any portion of the Premises to be so used. Similarly, no land or improvements comprising the Premises shall be included with any lands or improvements not subject to the use of this Mortgage to include the Premises or any part thereof in fulfillment of any governmental requirement, and Mortgagee shall not by act or omission impair the interest of the Premises as a single zoning lot separate and apart from all other premises. Any act or omission by Mortgagee which would result in a violation of any of the provisions of this paragraph shall be void.

31. Extended Certificate. Mortgagee, within fifteen (15) days after mailing of a written request by the Mortgagee, agrees to furnish from time to time a signed statement setting forth the amount of the indebtedness and whether or not any default, offset or defense then is alleged to exist against the indebtedness and, if so, specifying the nature thereof.

32. Release of Previous Holder. The word "Mortgagee" when used herein shall include the successors and assigns of the original Mortgagee named on Page 1 hereof, and the holder or holder, from time to time, of the Note. However, whenever the Note is sold, each prior holder shall be automatically freed and relieved, on and after the date of such sale, of all liability with respect to the performance of each covenant and obligation of Mortgagee hereunder thereafter to be performed, provided that the mortgagee has an interest, which monies are then held by the seller of the Note, are turned over to the purchaser of the Note.

33. MISCELLANEOUS. This Mortgage and all provisions hereof shall extend to and be binding upon the original Mortgagee named on Page 1 hereof and its successors, assigns, each subsequent owner or owners of the Premises and all persons claiming under or through Mortgagee; and the word "Mortgagee" when used herein shall include all such persons and all persons primarily and secondarily liable for the payment of the indebtedness of any part thereof, whether or not such persons shall have executed the Note or this Mortgage and shall also include any beneficiary of Mortgagee, direct or indirect.

34. BUSINESS PURPOSE: LARRY EXEMPTION. Mortgagee hereby represents, or if applicable Mortgagee has been advised by its beneficiaries, that the proceeds of the loan secured by this Mortgage will be used for the purposes specified in Paragraph 604 of Chapter 17 of the 1981 Illinois Revised Statutes, and that the principal obligation secured hereby constitutes a "business loan" which comes with the purchase and operation of said paragraph.

35. FILING AND RECORDING CHARGES AND TAXES. Mortgagee will pay all filing, registration, recording and search and information fees, and all expenses incident to the execution and acknowledgment of this Mortgage and all other documents securing the Note and all Federal, state, county and municipal taxes, other taxes, duties, import, assessments and charges arising out of or in connection with the execution, delivery, filing, recording or retention of the Note, this Mortgage and all other documents securing the Note and all assignments thereof.

36. If Mortgagee fails to furnish promptly any report required by Paragraph 23.1, the Mortgagee may elect in addition to exercising any other right, remedy and power to make an audit of all books and records of Mortgagee and its beneficiaries which in any way pertain to the Premises and to prepare the statement or statements which Mortgagee is to provide and deliver. Such audit shall be made and such statement or statements shall be prepared by an independent Certified Public Accountant to be selected by the Mortgagee. Mortgagee shall pay all expenses of the audit and other services which expenses shall be secured hereby as additional indebtedness and shall be immediately due and payable with interest thereon at the rate set forth in the Note applicable to a period when default exists thereunder.

37. If Mortgagee fails to furnish promptly any report required by Paragraph 23.1, Mortgagee covenants and agrees to pay to Mortgagee (if elected by Mortgagee the sum of TWO HUNDRED DOLLARS (\$200.00) as administrative expenses) for each month or part thereof elapsing after such ninety (90) day period until such report is furnished to Mortgagee.

38. If Mortgagee fails to furnish promptly any report required by Paragraph 23.1, Mortgagee covenants and agrees to pay to Mortgagee (if elected by Mortgagee the sum of TWO HUNDRED DOLLARS (\$200.00) as administrative expenses) for each month or part thereof elapsing after such ninety (90) day period until such report is furnished to Mortgagee.

30. EXCEPTORY. In the event the Mortgagee assigns this Mortgage to an Illinois land trust, this Mortgage is assigned by the Mortgagee, not personally, but as Trustee of the power and authority to exercise the exercise of the power and authority conferred upon and vested in it as such Trustee and the Mortgagee hereby warrants that it possesses full power and authority to execute this instrument and it is expressly understood and agreed that nothing contained herein or in the Note shall be construed as creating any liability on the Mortgagee personally to pay the Note or any interest, late charge or premium that may accrue thereon, or any indebtedness secured by this Mortgage, or to perform any covenant, either express or implied herein contained, all such liability, if any, being expressly waived by Mortgagee and by every person now or hereafter claiming any right of security hereunder, and that as far as Mortgagee is personally concerned, the legal holder or holders of the Note and the owner or owners of any indebtedness secured hereby shall look solely to the Premises and Collateral hereby mortgaged, conveyed and assigned and to any other security given at any time to secure the payment thereof.

Any consent by the Mortgagee, or any waiver of an event of default, under this Paragraph shall not constitute a consent to, or waiver of any right, remedy or power of the Mortgagee upon a subsequent event of default under this Paragraph.

- (a) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagee, if applicable;
- (b) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagee, (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagee, or of any corporation directly or indirectly controlling such beneficiary corporation;
- (c) Any partnership or general partnership (herein called the "Partnership") which is the Mortgagee or the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagee, or the grant of stock of any corporation directly or indirectly controlling any such Partnership;
- (d) Any sale, conveyance, assignment, or other transfer of, or the grant of a security interest in, any share of stock of any corporation directly or indirectly controlling any such Partnership;

In accordance with the foregoing and for the purposes of (i) protecting Mortgagee's security, both of repayment by the indebtedness and of value allowing Mortgagee to raise the interest rate and/or collect assumption fees; and (ii) keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagee agree that if this Paragraph be deemed a restraint on alienation, that it is a voluntary or by operation of law) without the Mortgagee's prior written consent it shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time or any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:

29. DUE ON SALE OR FURNISH ENCUMBRANCE CLAUSE. In determining whether or not to make the loan secured hereby, Mortgagee examined the creditworthiness of Mortgagee and/or Mortgagee's beneficiary or guarantor (if applicable); found the same to be acceptable and relied and continued to rely upon same as the means of repayment of the loan. Mortgagee also evaluated the background and experience of Mortgagee and/or his beneficiary or guarantor (if applicable) in owning and operating property such as the Premises, found the same to be acceptable and continued to rely upon same as the means of maintaining the value of the Premises which is Mortgagee's security for the loan. It is recognized that Mortgagee is entitled to keep its loan portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagee and/or its beneficiary (if applicable). Mortgagee and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest in Mortgagee (if applicable) may be used to pay the Note secured hereby; (b) could result in acceleration and foreclosure by any such junior encumbrance which would force Mortgagee to take measures and incur expenses to protect its security; (c) would detract from the value of the Premises should Mortgagee come into possession thereof with the intention of selling same; and (d) impair Mortgagee's right to accept a deed in lieu of foreclosure, as a foreclosure by Mortgagee would be necessary to clear the title to the Premises.

28. LEND FOR LOAN COMMISSIONS, SERVICE CHARGES AND THE LIKE. So long as the original Mortgagee named on Page 1 herein is the owner of the Note and regardless of whether any proceeds of the loan evidenced by the Note have been disbursed, this Mortgagee also secures the payment of all loan commissions, service charges, fees to its attorneys (including in-house staff), liquidated damages, expenses and advances due to or incurred by the Mortgagee in connection with the loan transaction intended to be secured hereby. All in accordance with the application of, and loan commitment issued to and accepted by, one or more of Mortgagee or Mortgagee's beneficiaries in connection with said loan, if applicable.

If the Collateral is sold in connection with a sale of the Premises, Mortgagee shall notify the Mortgagee prior to such sale and shall require as a condition of such sale that the purchaser specifically agree to assume Mortgagee's obligations as to the security interest herein granted and to execute waiver agreement and filings as deemed necessary by the Mortgagee to maintain Mortgagee's first perfected security interest in the Collateral. Deposits and the deposits described in Paragraph 4 above.

The Mortgagee and Mortgagee agree, to the extent permitted by law, that: (i) all of the goods described within the definition of the word "Premises" herein are or are to become fixtures on the land described in EXHIBIT "A"; (ii) this instrument, upon recording or registration in the real estate records of the proper office, shall constitute a "fixture filing" within the meaning of Sections 9-313 and 9-402 of the Code; and (iii) Mortgagee is a record owner of the land described in EXHIBIT "A".

In the event of a default under this Mortgage, the Mortgagee, pursuant to the appropriate provisions of the Code, shall have an option to proceed with respect to both the real property and Collateral in accordance with its rights, powers and remedies with respect to the real property, in which event the default provisions of the Code shall not apply. The parties agree that if the Mortgagee shall effect to proceed with respect to the Collateral separately from the real property, five (5) days notice of the sale of the Collateral shall be reasonable notice. The reasonable expenses of making, holding, preparing for sale, selling and the like incurred by the Mortgagee shall include, but not be limited to, reasonable attorney's fees and legal expenses incurred by Mortgagee including in-house staff. The Mortgagee agrees that, without the written consent of the Mortgagee, the Mortgagee will not remove or permit to be removed from the Premises any of the Collateral except so long as the Mortgagee is not in default hereunder. Mortgagee shall be permitted to sell or otherwise dispose of the Collateral when obsolete, worn out, inadequate, unmarketable or unnecessary for use in the operation of the Premises, but only upon replacing the same or substituting for the same other Collateral at least equal in value and utility to the initial value and utility of that disposed of and in such a manner that said replacement or substitution of Collateral shall be subject to the security interest created hereby and that the security interest of the Mortgagee shall be perfected and first in priority. It being expressly understood and agreed that all replacements, substitutions and additions to the Collateral shall be and become immediately subject to the security interest of this Mortgagee and covered hereby. The Mortgagee shall, from time to time, on request of the Mortgagee, deliver to the Mortgagee at the cost of the Mortgagee: (i) such further financing statements and security documents and instruments as Mortgagee may require, so long as the items and security interests created hereby shall be and remain perfected and protected in accordance with the requirements of any present or future law; and (ii) an inventory of the Collateral in reasonable detail. The Mortgagee covenants and represents that all Collateral now is, and that all replacements thereof, substitutions hereof or additions thereto, unless the Mortgagee otherwise consents, will be free and clear of liens, encumbrances, title retention devices and security interests of others.
