#### RECITALS

- A. Lender is the holder of that certain Installment Note dated March 27, 1981, in the original principal sum of Twenty-Seven Thousand Eight Hundred Forty and 00/100 Dollars (\$27,840.00) executed by the Trustee and payable to public Federal Savings & Loan Association (the "Note"). Pursuant to the terms of the Note, the outstanding principal balance is due in full on April 1, 2010 (the "Due Date").
- B. The Note is secured by that certain Mortgage dated March 27, 1981 (the "Mortgage") recorded May 1, 1981, with the Recorder of Daids of Cook County, Illinois, as Document Number 25857114 and umbering the real estate legally described in Exhibit A attached to this Agreement.
- C. Trustee has requested that Lender disburse additional loan proceeds, modify the interest rate and payments under the Note and make certain other modifications to the Note and Mortgage.

NOW, THEREFORE, for and in consideration of the agreements contained herein, and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

- 1. ADDITIONAL ADVANCE. Lender hereby disburses to or at the direction of Trustee, the additional sum of Two Thousand Four Hundred Fifty-Seven and 30/100 Dollars (\$2,457.30) (the "Additional Advance") which sum shall constitute additional indebtedness evidenced and secured by the Note and Mortgage with the same priority and subject to the same terms and conditions therein contained and immediately subsequent to the disbursement of the Additional Advance the outstanding principal balance of the Note shall be \$28,800.00.
  - 2. INTEREST RATE AND PAYMENT
- A. First Twelve Months. Effective July 1, 1987, and continuing through June 30, 1988, the interest rate under the Note shall be reduced to ten percent (10%) per

year. The unpaid principal indebtedness (including the Additional Advance) shall be payable in installments of principal and interest as follows:

Two Hundred Sixty-Seven and 79/100 (\$267.79) on the first day of August, 1987, and the first day of each month thereafter through and including July 1, 1988.

- B. Balance of Loan Term. Commencing with the payment due on August 1, 1988, and continuing each month thereafter through and including the Due Date, the payment of principal and interest shall be calculated as follows:
  - (1) On the first day of July, 1988 and on each subsequent yearly anniversary thereafter during the term of the loan evidenced by the Note (the "Change Date"), the interest rate shall be adjusted by the Lender based upon changes in the "Index." The Index shall be the Seventh District Quarterly Average Cost of Funds, as made available by the Federal Home Loan Bank of Chicago, which index is available as of a date forty-five (45) days prior to each Change Date (the "Current Date"); provided that if such Index is no longer available, the Lender shall, at its sole option, select a comparable Index and shall notify in writing the Trustee and its beneficiary of the substitute Index for use herein and such substituted Index shall be deemed the Index hereunder.
  - (2) Commencing on the first Change Date and on each subsequent Change Date thereafter the interest rate payable under the Note ("Interest Rate") shall be adjusted to a rate of interest equal to two and three-fourths percent (2-3/4%) above the then current Index. Notwithstanding the foregoing to the contrary. (i) increases in the Interest Rate shall not exceel two percent (2%) per year from the Interest Rate paid immediately prior to any Change Date, and (ii) at no time shall the Interest Rate charged exceed thirteen percent (13%) per annum.
  - (3) Prior to each Change Date, Lender shall ascertain the current Index to determine any change in the Interest Rate from the immediately preceding Interest Rate. Upon any change in the Interest Rate, the Lender shall revise the monthly payment under the Note to the extent sufficient to repay the outstanding principal balance in level monthly installments with all outstanding principal sums due no later than the Due Date.

- (5) At least 30, but not more than 45 days prior to any change in the amount of monthly payments and the Interest Rate, the Lender shall send written notice to the Trustee and its beneficiaries, which notice shall include the information required by the law and the title and telephone number of the Lender who can answer questions about the notice.
