2. Definitions. In this document, the following definitions apply.  
"Mortgage": This document will be called the "Mortgage".

"Borrower": THOMAS H LEE AND ANDREA LEE, HUSBAND AND WIFE will be called the "Borrower."

Borrower's address is shown below.

"Lender": TCF Banking and Savings, F.A. will be called "Lender". Lender is a corporation which was formed and which exists under the laws of the United States of America. Lender's address is 801 Marquette Avenue, Minneapolis, Minnesota 55402.

"Agreement": The CommandCredit Line Agreement signed by one or more Borrower and dated the same date as this Mortgage will be called the "Agreement." Under the Agreement, any Borrower signing the Agreement has a revolving line of credit called the "Account". The Agreement allows such a Borrower to obtain advances from the Account, make payments, and obtain readvances. Under the Agreement, such a Borrower may request loan advances from the Lender at any time until the final due date, shown in section 3 below.

"Property": The property that is described in section 5 is called the "Property."

3. Final Due Date. The scheduled date for final payment of what Borrower owes under the Agreement is OCTOBER 27, 1997.

4. Variable Annual Percentage Rate. The Annual Percentage Rate is the cost of Borrower's credit as a yearly rate. The Annual Percentage Rate Lender uses to figure Finance Charges will go up and down, based on the highest U.S. prime rate listed daily in the Wall Street Journal under "Money Rates" (the "Index"). The Index is not the lowest or best rate offered by Lender or other lenders. If the Index becomes unavailable, Lender will select some other interest rate index as the Index and notify Borrower. Lender will change the Annual Percentage Rate the day after the Index changes so that it is always 2.4 percentage points above the Index. If the Annual Percentage Rate goes up or down, the Daily Periodic Rate will also go up or down. The maximum Annual Percentage Rate is 21.75%. The minimum Annual Percentage Rate is 9.00%. Since the Index is now 9.75%, the initial Annual Percentage Rate for Borrower's Account is 12.15%, which is a Daily Periodic Rate of .03328%.

5. Description of the Property. Borrower gives Lender rights in the following Property:

a. The Land, which is located at (address) 3115 ADAMS ST, BELLWOOD IL 60104.

The Land has the legal description shown above in section 1.

b. All buildings and all other improvements and fixtures (such as plumbing and electrical equipment) that are now or will in the future be located on the Land.

c. All "easements, rights, hereditaments and appurtenances" that go along with the Land. These are rights that Borrower has as owner of the Land in other property.

NOTICE: See the other side for more contract terms. The Borrower agrees that the other side is a part of this Mortgage.

By signing this Mortgage, Borrower agrees to all of its terms.

24. **Obligations After Assignment.** Any person who takes over Borrower's rights or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. **Waiver of Homestead.** Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. **Condemnation.** If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. **Paragraph Headings.** The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

7. **Finance Charge.** Borrower will pay a Finance Charge at the end of every monthly billing cycle. The monthly billing cycle runs from and including the first day of a month to and including the last day of the next month. To acquire the Finance Charge for a monthly billing cycle, Borrower adds up the Finance Charges for each day in the month and divides that by the number of days in the month. The monthly billing cycle starts the day after the previous monthly billing cycle ends. The Finance Charge is given to Lender those rights that are stated in this Mortgage and also those rights of the terms of this Mortgage that by signing this Mortgage, Borrower grants and conveys the Property to Lender subject to the terms of this Mortgage.
8. **Termination of this Mortgage.** Borrower fails to keep the taken mortgages on land. Borrower is giving Lender these rights to protect Lender from possible losses that result from the failure of the terms of this Mortgage to be met. This means that, by signing this Mortgage, Borrower pays a Finance Charge on loan advances and on certain other charges to Borrowers account.
9. **Borrower owns the Property.** There are no rights to mortgagee, grant, and convey the Property to Lender; and real estate records are filed for the county where the Property is located.
10. **Power of Sale to Pay—The Agreement.** Borrower promises that he or she to pay all amounts due on the Agreement because some other than Borrower has some of the rights in the Property that Borrower promises to pay any losses which Lender suffers because Borrower gives a general warranty of title to Lender. This means that Borrower will be fully responsible for any losses which Lender suffers if he or she to pay all amounts due on such rights.
11. **Borrower's Power to Pay—Chargess and Assessments.** Borrower promises to pay all present and future liens, taxes, assessments, utility bills, and other charges on the Property, including any amounts on any prior mortgage, as they become due.
12. **Borrower's Promise to Keep the Property in Good Repair.** Borrower promises that they own the Property, Borrower will still have to make the repair.
13. **Borrower's Promise to Buy Flood Insurance.** The insurance must be in the amount of damage caused by the flood waters which covers all buildings on the Property, including any amounts on any prior mortgage, naming Lender as mortgagee.
14. **Borrower's Promise to Pay for Losses Resulting from Flood Insurance.** If Lender directs him to do so, Lender may do and pay for the insurance coverage to protect Lender against losses resulting from damage caused by the flood waters which covers all buildings on the Property, including any amounts on any prior mortgage, naming Lender as mortgagee.
15. **Borrower's Promise to Maintain the Property.** If any improvements are made to the Property, Borrower won't be removed from the Property to keep the Property in good repair. If any damage or destruction of the Property, Borrower will still have to make the repair.
16. **Lender's Right to Take Action to Protect the Property.** If (1) Borrower does not keep the promises and agreements made in this Mortgage, or (2) someone begins a legal proceeding to condemn the Property, or (3) may significantly affect Lender's rights in the Property (such as those rights, any failure or delay by Lender in enforcing the rights until the law gives it), will not cause Lender to give up those rights.
17. **Lender's Rights.** Lender may exercise any of its rights until the law gives it, will not cause Lender to give up those rights.
18. **Joint Borrowers.** Each person that signs this Mortgage is responsible for keeping all of the promises made by "Borrower" to give Lender the rights that person signs the Mortgage as an individual or jointly with others.
19. **Notices.** Unless the rights that person signs the Mortgage are given to Lender differently, any notice that Lender receives under this section will be sent to Lender by mail to Borrower's address shown in section 5. Notices that must be sent to Lender may accelerate the terms of this Mortgage and in the event the Borrower fails to pay everything owed to Lender when it is due, Lender may demand that Borrower immediately pay the entire amount including the promise to pay everything owed to Lender.
20. **Selling the Property.** Borrower agrees not to sell or any part of the Property or allow anyone else to have a lien on the property without the written consent of Lender.
21. **No Duties Under this Mortgage.** If there is already a mortgage against the Property, the Borrower promises that there will never be a default under that mortgage.
22. **No Other Mortgages.** Borrower agrees not to mortgage all or any part of the Property or allow anyone else to have a lien on the property without the written consent of Lender.
23. **Lender's Remedies.** If Borrower fails to keep each and every promise made in this Mortgage and in the event the Borrower fails to pay Lender or another person may correct the failure by this time, there will be a default, and if Borrower doesn't pay, Lender or another person may buy the failure by law. Lender will apply the proceeds of the sale to the amount Borrower owes under this Mortgage, and if the Borrower does not correct the failure by the time to pay, Lender may foreclose this Mortgage according to law.
24. **Accrual.** The Borrower may bring suit in court to argue that all promises were kept and to present any other defenses Borrower has to pay, Lender or another person may correct the failure at a foreclosure sale; pay, Lender or another person may buy the failure by law.
