In any arbitrary set of outcomes, one can always find a subset that is approximately as large as the whole set, such that the probability of the whole set is approximately equal to the probability of the subset.

6. Monotriglyceride (MCT) oil: It is a type of saturated fat that is found in coconut oil, palm oil, and some types of butter. MCT oil has been shown to increase satiety and reduce appetite, which can help with weight loss.

5. To demonstrate our ability to interpret historical documents from a perspective that reflects the values and worldviews of the people who created them, we will analyze primary sources such as diaries, letters, and speeches, and compare them with secondary sources that provide context and analysis. This approach will help us to better understand the historical record and its significance.
