THIS MORTGAGE ("Mortgagor") is made this 12TH day of NOVEMBER  
1987 between Mortgagor, ALEX J. MELOY AND MARILYN HANLEY MELOY, HIS WIFE

(herein "Borrower") and the Mortgagee, **Citicorp Savings of Illinois, A Federal Savings and Loan Association**, a corporation organized and existing under the laws of the United States, whose address is One South Dearborn Street, Chicago, Illinois 60602 (herein "Lender").

WHEREAS, Borrower is indebted to Lender pursuant to an Equity Source Account Agreement ("Agreement") of even date hereof, additionally secured, if appropriate, by a Security Agreement and Collateral Assignment of Beneficial interest in the land trust holding title to the property ("Security Agreement"), in the principal sum of FORTY THOUSAND AND NO/100's-

(\$ 40,000.00) U.S. dollars, (Borrower's "Credit Limit") or so much of such principal as may be advanced and outstanding, with interest thereon, providing for periodic installment payments of interest, optional credit life and/or disability insurance premiums, and miscellaneous fees and charges for ten (10) years from the date hereof, thereafter, for periodic installment payments of 1/240 of the Outstanding Principal Balance, interest, optional credit life and/or disability insurance premiums, and miscellaneous fees and charges for twenty (20) years; all such sums, if not sooner paid, being due and payable approximately thirty (30) years from the date hereof.

To secure to Lender (a) the repayment of the indebtedness evidenced by the Agreement, with interest thereon, the payment of all other sums, with interest thereon advanced in accordance herewith to protect the security of this Mortgage, and the performance of the covenants, and agreements of the Borrower herein contained, and (b) the repayment of any future advances, with interest thereon, made to Borrower by Lender pursuant to paragraph 7 hereof, (such advances pursuant to paragraph 7 hereof of principal made after the date hereof being referred to as "future advances"), and (c) any "Loans" (advances of principal after the date hereof) as provided for in the Agreement (it being the intention of Lender and Borrower that all such Loans made after the date hereof enjoy the same priority and security hereby created as if all such Loans had been made on the date hereof); and (d) the performance of Borrower's covenants and agreements under this Mortgage and the Agreement secured hereby. For this purpose, Borrower does hereby mortgage, grant, convey and warrant (unless Borrower be an Illinois land trust), in which case Borrower mortgages, grants, conveys and quit claims to Lender the following described property located in the County of COOK and State of Illinois:

P.I.N. No. 10-10-200-016-0000

which has the address of 2549 GREELEY AVENUE (street), EVANSTON  
(city), ILLINOIS 60201 (state and zip code), (herein "property address");

Together with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Mortgage. All of the foregoing is referred to in this Mortgage as the "property".

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the property and that the property is unencumbered, except for encumbrances of record. Borrower, unless Borrower is an Illinois land trust, warrants and will defend generally the title to the property against all claims and demands, subject to any encumbrances of record.

Borrower acknowledges that this Mortgage secures an Agreement that contains provisions allowing for changes in the interest rate, and that Lender may, prior to the maturity of the Agreement, reduce the Available Line of Credit and/or require repayment of the total balance outstanding under the Agreement.

Covenants. Borrower and Lender covenant and agree as follows:

1. Payment, Term, Rate, and Finance Charges

(A) Payment of Principal and Interest. Borrower shall promptly pay when due the principal of and interest accrued on the indebtedness evidenced by the Agreement, together with any late charges or other fees, charges or premiums imposed by the Agreement, the Security Agreement, or by this Mortgage.

(B) Line of Credit Loan. This Mortgage creates a Line of Credit Loan Agreement. Borrower will enjoy access to that Line of Credit during the first one hundred twenty-first (121<sup>st</sup>) Billing Cycle and assigned to Borrower's Account. Each Billing Cycle will be approximately one month. (Borrower's initial Billing Cycle may be less than one month.) The Revolving Line of Credit Term of the Agreement is therefore approximately ten (10) years long. Borrower agrees to repay the principal amount of the Loans advanced during the Revolving line of Credit Term of the Agreement during the twenty (20) years commencing at the close of the Revolving Line of Credit Term. This repayment term is referred to herein and in the Agreement as the Closed-End Repayment Term. The total term of the Agreement secured by this Mortgage is therefore approximately thirty (30) years.

(C) Agreed Periodic Payments. During the Revolving Line of Credit Term and for the one hundred twenty first (121<sup>st</sup>) Billing Cycle, Borrower agrees to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing Cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to Borrower's Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement; (5) principal necessary to reduce the Outstanding Balance of Borrower's account to Borrower's Credit Limit; and (6) any past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle. During the Closed-end Repayment Term, Borrower agrees to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of Borrower's initial Closed-End Principal Balance (The Principal Balance Due from Borrower to Lender at the end of the Revolving Line of Credit Term).

(D) Interest During the Revolving Line of Credit Term. Borrower agrees to pay interest (a "Finance Charge") on the Outstanding Principal Balance of Borrower's Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference Rate". This Reference Rate shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each month, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. If any such Reference Rate includes the prime rate or base rate of interest quoted by Citibank, N.A., the Reference Rate, if necessary, will be adjusted to negate such inclusion. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply (unless the lowest rate is due solely to a rate quoted by Citibank, N.A. for such applicable day, in which event the next lowest rate shall apply). In the event such a Reference Rate ceases to be published by the Wall Street Journal, the Reference Rate shall be the average of the quoted base rates on Corporate Loans at the five largest National Banks in the United States measured by total of assets, such measurement to be taken annually on the last business day of each preceding calendar year. At no time will Citibank, N.A. be considered one of the five National Banks. In the event such Banks cease to quote a base rate, Citicorp will select a comparable Reference Rate outside its control and readily verifiable by Borrower.

The Reference Rate so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Rate effective for Borrower's initial Billing Cycle shall be determined in one of two ways. If Borrower's initial Billing Cycle Billing Date occurs in the same month as the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the preceding month. If Borrower's initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the month in which the effective date of this Agreement occurs.

Borrower rate of interest ("Annual Percentage Rate") shall be the Reference Rate plus a "Margin" of ONE AND 3/4 percent (1.75%) for the applicable Billing Cycle.

Finance Charges will be assessed on a daily basis by applying the Daily Periodic Rate (the "Daily Periodic Rate" is the Annual Percentage Rate applicable to that Billing Cycle, divided by 25), to the Daily Principal Balance on Borrower's Equity Source Account for each day of the Billing Cycle in which there is an Outstanding Principal Balance.

(E) Interest During the Closed-End Repayment Term. Borrower agrees to pay interest (a Finance Charge) during the Closed-End Term on the Outstanding Principal Balance of Borrower's Equity Source Account which has not been paid beginning on the day after the Conversion Date and continuing until the full Outstanding Principal Balance has been paid. Borrower's Outstanding Principal Balance at the beginning of the Closed-End Repayment Term is that sum disclosed on the periodic Billing Statement for Borrower's One Hundred Twenty First (121<sup>st</sup>) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "Initial Closed-End Principal Balance". If Borrower has used Equity Source Account Checks that have not been posted to Borrower's account as of the Conversion Date, and those checks are subsequently paid by Lender, Borrower's Initial Closed-End Principal balance will be increased on subsequent periodic Billing Statements to reflect such Loans.

The rate of interest (Annual Percentage Rate) during the Closed-End Repayment Term will be determined and will vary based upon the Reference Rate described in the Agreement and in Paragraph 1(D) hereof.

The "Current Reference Rate" is the most recent Reference Rate available sixty (60) days prior to each "Change Date", (defined below).

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

The interest rate effective on the First Change Date will be the Current Reference Rate plus a margin of ONE AND 3/4 percent (1.75%). On each succeeding Change Date, Lender will determine the Current Reference Rate, and the new interest rate will be equal to the Current Reference Rate, plus the Margin.

Each new interest rate will become effective with each Change Date, and will be reflected in the payment due immediately after that Change Date.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day periodic payments are due under the Agreement until the Agreement is paid in full, a sum ("funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) yearly leasehold payments or ground rents on the property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.

The funds shall be held in an institution, the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the funds to pay the escrow items. Lender may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Lender shall give to Borrower, without charge, an annual accounting of the funds showing credits and debits to the funds and the purpose for which each debit to the funds was made. The funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the funds held by Lender, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of funds. If the amount of the funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any funds held by Lender. If under paragraph 20, the property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the property or its acquisition by Lender, any funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by Borrower to Lender of funds in escrow shall be excused so long as Borrower is required on the date hereof, and continues after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this mortgage. Borrower agrees to provide Lender with proof of payment of such funds in escrow.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in Borrower's oldest past due periodic Billing Statement if any, and then (during the Closed-End Repayment Term) to the fraction of the Initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the Initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the Initial Closed-End Principal Balance due are fully paid. The balance of Borrower's payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by Lender. Any remaining amount will create a credit balance. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attain priority over this Mortgage, and household payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payments. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

**5. Hazard Insurance.** Borrower shall keep the improvement, now existing or hereafter erected on the property insured against loss by fire, hazard, included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damages, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to Borrower. If Borrower abandons the property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, the Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 20, the property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Mortgage immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Households.** Borrower shall not destroy, damage or substantially change the property, allow the property to deteriorate or commit waste. If this Mortgage is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.
