The interest rate I will pay may change on the first day of
(B) The Index
Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the WEEKLY
average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 day; refere each Change Date is called the "Current Index."
If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.
(C) Calculation of Changes
Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND THREST FOURTHS percentage points (_2.75 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date. The interest rate will not be changed by more than2.00 pecentage points on any Change Date. The Note Holder may not adjust upward or downward the interest rate by more than6.00 percentage points over the life of the loan. The Note Holder will adjust the new interest rate so that the change will not be more than the limit.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthy payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(F) Borrower's Option to Convert

I may, at my option, modify the repayment terms of this Adjustable Rate Loan by converting this Note to a fixed interest rate loan to be fully repaid in equal monthly payments of principal and interest over the remaining term of the loan. I agree to notify the Note Holder, by first class mail, of my wish to exercise my right to convert to a fixed interest rate loan. Note Holder is under no obligation to inform me of my right to convert, other than the terms as described in the Note. Notice must be addressed as follows: Senior Lending Officer, United Savings of America, 4730 West 79th Street, Chicago, IL 60652. I shall pay a fee equal to one percent (1.0%) of the then outstanding loan balance, not to exceed Nine Hundred Dollars (\$400.00), but in no event less than Four Hundred Dollars (\$400.00) to the Note Holder and that the rate for said fixed rate loan shall be the sum determined by adding one half percentage point (.50%) to the Federal Home Loan Mortgage Corporation's Required Net Yield for 60 day delivery of 30 year, fixed rate mortgages ("Conversion Rate"), as of the date Note Holder a cknowledges receipt of my notice to convert. If no such "Conversion Rate" is available, Note Holder, at its sole option, valid etermine the fixed interest rate by using a comparable figure.

My monthly payment at the new fixed interest rate will begin on the first day of the month, approximately sixty (60) days after Note Holder acknowledges receipt of my notice to exercise my option to convert ("Conversion Change Date"). The monthly payment will be the amount that is necessary to repay in full the principal I am expected to owe on the "Conversion Change Date" in substantially equal payments by the maturity date at the fixed interest rate.

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its prion, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security is strument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
