UNOFFICIAL COPY

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to amounts payable under paragraph 2; second, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or foreclose of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is required by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

ADJUSTABLE RATE LOAN RIDER

LOAN NO.
DATE

011792922
DECEMBER 7, 1987

This Rider is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to ST. PAUL FEDERAL BANK FOR SAVINGS, (the "Lender" or "Note Holder") of the same date herewith (the "Note") and covering the Property described in the Security Instrument and located at:

1346 INDIGO, MT PROSPECT IL 60056
(Property Address)

NOTICE TO BORROWER: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND MONTHLY PAYMENTS. THE BORROWER'S MONTHLY PAYMENTS ARE IN FIXED AMOUNTS DURING THE FIRST YEAR OF THE NOTE. THE REMAINING MONTHLY PAYMENTS COULD INCREASE OR DECREASE, DEPENDING ON CHANGES IN THE INTEREST RATE.

Modifications. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an Initial Interest Rate of **7.250 %**. Beginning on the date of the Note, the Borrower will pay interest at the Initial Interest Rate until the first Change Date. The Note interest rate may be changed on the 1st day of the month beginning on **JANUARY 1, 1989** and on that day of the month every 12 months thereafter. Each date on which the rate of interest may change is called a Change Date.

Changes in the interest rate are governed by changes in an interest rate index called the "Index". The Index is the Federal Home Loan Bank Board Monthly National Median Annualized Cost of Funds for FSLIC-insured savings and loan associations.

To set the new interest rate, before each interest Change Date, the Note Holder will first add
TWO AND ONE QUARTER PERCENT (2.25%) to the Current Index. The Current Index is the most recent Index figure available 45 days prior to each Change Date. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be the new rate of interest until the next interest Change Date provided that on any Change Date the rate of interest will not be increased or decreased by more than **TWO** percentage points **(2%)**. At no time during the term of the Note shall the interest rate be less than **2.250 per annum** nor more than **13.500 per annum**.

The first twelve monthly payments due under the Note will each be in the amount of **\$682.18**. Beginning with the 13th payment, the amount of the monthly payments will be determined in accordance with the terms of the Note and will always be sufficient to repay the unpaid principal balance in full in substantially equal payments by the final payment date.

By signing this, Borrower agrees to all of the above.

ADDENDUM TO ADJUSTABLE RATE LOAN RIDER (Fixed Rate Conversion and Assumption Options)

LOAN NO.
DATE

011792922
DECEMBER 7, 1987

THIS ADDENDUM TO ADJUSTABLE RATE LOAN RIDER is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Loan Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note with Addendum To Adjustable Rate Note to ST. PAUL FEDERAL BANK FOR SAVINGS, (the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

1346 INDIGO MT PROSPECT IL 60056

(Property Address)

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

A. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

1. Option to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section A1 or Section A3 below will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to a fixed rate.

The conversion can only take place on the third, fourth or fifth Change Date. Each Change Date on which my interest rate can convert from an adjustable rate to a fixed rate also is called a "Conversion Date." I can convert my interest rate only on one of these three Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I must give the Note Holder notice that I am doing so at least 15 days before the next Conversion Date; (b) on the Conversion Date, I am not in default under the Note or the Security Instrument; (c) by the Conversion Date, I must pay the Note Holder a conversion fee equal to one percent (1.0%) of the unpaid principal I am expected to owe on that Conversion Date plus U.S. \$250.00; (d) by the Conversion Date, if an appraisal report is required by Section A3 below, the Note Holder has received the report and I have paid the appraisal fee and any amount necessary to reduce unpaid principal; and (e) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.

2. Calculation of Fixed Rate

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield for 30-year, fixed rate mortgages covered by 30-day mandatory delivery commitments in effect as of the date 15 days before the Conversion Date, plus five-eighths of one percent (.625%). If this required net yield is not available, the Note Holder will determine my interest rate by using a comparable figure.

3. Reduction of Principal Balance Before Conversion; Appraisal

If the unpaid principal I am expected to owe on the Conversion Date will be greater than the original principal amount of my loan, the Note Holder may require an appraisal report on the value of the property described in the Security Instrument. The appraisal report must be prepared by a qualified appraiser chosen by the Note Holder. I will pay the Note Holder a reasonable fee for this appraisal report.

The unpaid principal I am expected to owe on the Conversion Date could be an amount greater than 95% of the appraisal report's stated value of the property securing my loan. If so, I cannot exercise the Conversion Option unless I pay the Note Holder an amount sufficient to reduce my unpaid principal an amount equal to 95% of the stated value of the property.

4. Determination of New Payment Amount

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full by the final payment date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the final payment date.

B. ASSUMPTION OPTION

The provisions of Uniform Covenant 17 of the Security Instrument provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Notwithstanding the provisions of Uniform Covenant 17 of the Security Instrument, Lender shall waive such option to accelerate and shall release Borrower from all obligations under the Security Instrument and the Note provided that, prior to the sale or transfer, (a) Borrower is not in default of the terms and conditions of the Security Instrument and the Note, (b) the credit of the person to whom the Property is to be sold or transferred is satisfactory to Lender, (c) Lender is paid Lender's then applicable assumption fee, (d) the person to whom the property is to be sold or transferred executes an assumption agreement acceptable to Lender wherein such person agrees to assume all of the Borrower's obligations under the Security Instrument and the Note.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Addendum To Adjustable Rate Loan Rider.
