4. Assignor hereby grants to Assignee full power and authority to exercise, without notice to Assignor (notice thereof being hereby expressly waived by Assignor), each and every of the rights, interests, privileges and powers herein granted and assigned at any and all times hereafter, with full right and power to use and apply, to the extent thereof, the rents and so much of the security deposits as may be then retained by the landlord under the leases to the payment of any of the indebtedness or obligations, in such order as Assignee may determine on account of the following, but without in any manner limiting the generality of the rights, powers, privileges and authority conferred on Assignee by this Assignment:

(a) to the payment of the operating expenses of the Premises, including without limitation, (i) cost of management (which shall include reasonable compensation to Assignee and his agent or agents, if management be delegated to an agent or agents), (ii) established claims for damages, if any, (iii) court costs and attorneys' fees and expenses incurred by Assignee in connection with any and all actions and things which, by this Assignment, Assignee may do or cause to be done, and (iv) premiums on fire, liability and property insurance and on insurance against such other hazards, casualties and risks as Assignee may, in its discretion, deem appropriate;

(b) to the payment of taxes and special assessments now due or hereafter becoming due on the Premises;

(c) to the payment of costs for the completion of construction, replacement or rebuilding then in progress on the Premises, or any part thereof, or for repairs to and decoration, rehabilitation and improvement of the Premises, or any part thereof, including without limitation, the costs from time to time of installing or replacing furniture and appliances, and heating, air-conditioning, ventilating, gas and electric fixtures, components and systems therein, and of placing the Premises in such condition as will, in the judgment of Assignee, make the Premises readily rentable;

(d) to the payment of all indebtedness and obligations; and

(e) to the payment of any deficiency which may result from any foreclosure as provided in the Mortgage.

After payment in full of the foregoing items, the balance, if any, of the rents and security deposits shall be paid to Assignor, or to such other person or entity then entitled thereto pursuant to the laws of the State of Illinois.

5. It is understood and agreed that the rights, powers and privileges herein granted and assigned to Assignee shall be deemed special remedies given to Assignee and shall not be deemed exclusive of any of the rights, powers and remedies provided in the Note and the Other Loan Documents, but shall be deemed additional remedies and cumulative with all such other rights, powers and remedies and each and all such rights, powers and remedies may be pursued or exercised singly, successively or simultaneously, at such time or times or in such order as Assignee may, in its sole discretion,

87667016

elect. No failure on the part of Assignee to exercise, and no delay in exercising, any rights, powers, privileges, interests, remedies or authorizations hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such rights, powers, privileges, interests, remedies or authorizations by Assignee preclude any other further or future exercise thereof or the exercise of any other rights, powers, privileges, interests, remedies or authorizations.

6. It is expressly understood that no judgment or decree which may be entered on any of the indebtedness and obligations shall operate to abrogate or lessen the effect of this Assignment, but that this Assignment shall continue in full force and effect until any and all indebtedness and obligations, in whatever form the indebtedness and obligations may be, and any and all costs and expenses incurred and sustained by virtue of the authority herein contained have been fully and finally paid and discharged from the rents of the Premises, or by Assignor, any other obligor, or any of them, or from any other source, or until such time as this Assignment may be voluntarily released. This Assignment shall remain in full force and effect during the pendency of any foreclosure proceedings, both before and after sale, until the issuance of a deed pursuant to a foreclosure decree, unless the indebtedness and obligations are fully and finally paid and discharged before the expiration of the period of redemption, if any.

7. Assignor hereby represents and warrants to, and covenants with Assignee that:

(i) except as previously disclosed in writing, to Assignee, there are no leases, or tenancies, written or otherwise, now in existence or in force with respect to the Premises, or any part thereof;

(ii) Assignor is the sole and absolute owner of all the Collateral, free and clear of all liens, claims, security interests and encumbrances except for the "permitted exceptions" set forth as Exhibit "C" and made a part of this Assignment;

(iii) Assignor will not (except in the ordinary course of business in transactions at fair market rates), at any time during the term of this Assignment, sell, pledge, assign, transfer, set over or otherwise encumber, or permit or suffer to be sold, pledged, assigned, transferred, set over or otherwise encumbered, the Collateral or perform or omit to perform any act or execute any other document or instrument which might prevent Assignee from fully exercising and enjoying its rights, powers, privileges and benefits under this Assignment;

(iv) Assignor has full right and power and lawful authority to execute and deliver, and to pay, perform and observe all their covenants, conditions and obligations under, this Assignment and assign, transfer and set over to Assignee all the Collateral, together with all the rights, interests, powers, privileges and authority herein granted, assigned and conferred upon Assignee;

87667016

(v) This Assignment constitutes a legal, valid and binding obligation of Assignor, enforceable against Assignor in accordance with the terms hereof;

(vi) No rents have been or will be paid by any tenant or other person in possession of any portion of the Premises more than thirty (30) days prior to the due date thereof;

(vii) The payment of the rents to accrue for any portion of the Premises have not been nor will be, nor will be permitted or suffered to be, deferred, waived, released, discounted, discharged, compromised or otherwise adjusted except as heretofore disclosed in writing to Assignee in connection with leases existing at the time of execution of this Assignment;

(viii) Each of the leases and the guaranties is valid, binding and enforceable in accordance with its terms, and none has been altered, modified, amended, terminated, cancelled, surrendered, renewed or extended, and no term or condition thereof has been waived or released in any manner whatsoever, except as previously disclosed, in writing, to Assignee;

(ix) There is no default now existing under any of the leases or the guaranties and no events presently exist under or in connection with any of the leases or the guaranties, which events would, with the giving of notice or the lapse of time or both, constitute a default thereunder;

(x) Assignor will, at Assignor's expense, observe and perform, or cause to be paid, observed and performed, each and every covenant, condition and obligation on the part of the landlord to be paid, observed and performed under the leases and enforce (excluding enforcement by termination of any of the leases, except as consented by Assignee) the observance and performance of each and every covenant, condition and obligation by the tenants to be observed and performed under all leases and by the guarantors under all the guaranties; and

(xi) Assignor shall give prompt notice to Assignee of each notice received by Assignor, or either of them, asserting or claiming that a default on the part of the landlord has occurred under any of the leases together with a complete copy of each such notice.

8. Assignor shall not, from and after the date of this Assignment (with the exception of leases or tenancies of fifteen hundred square feet or less and for a term of less than twelve months unless the Assignor receives the prior written consent of Assignee which consent shall not be unreasonably withheld): (i) make or enter into any leases or any tenancies, or otherwise let all or any part of the Premises, (ii) cancel or terminate, modify, amend or otherwise alter the terms and provisions of any of the leases or any of the guaranties, (iii) consent to or otherwise permit the assignment by any tenant of its interest under any of the leases or the subletting by any tenant of

all, or any part of, the Premises now or hereafter demised or let under any of the leases or any of the tenancies or (iv) institute any proceedings for the dispossession or eviction of any tenant under any of the leases or any of the tenancies; provided, however, in any event Assignor shall provide Assignee with written notice of all such events. If, without the prior written consent or approval of Assignee, any of the foregoing acts or actions shall be committed or permitted by Assignor, then any such acts or actions shall not be binding upon Assignee, and unless subsequently confirmed or ratified expressly in writing by Assignee, shall be deemed null and void, and further, shall, at the option of Assignee, constitute an event of default under this Assignment.

9. If any of the leases provides for the abatement of rent during the repair, rebuilding or restoration of the Premises by reason of fire or other casualty, Assignor shall furnish to Assignee rental insurance, the policies to be in amount and form and written by such insurance companies as shall be acceptable to Assignee.

10. Nothing herein contained shall be construed as constituting Assignee a trustee or mortgagee in possession. In the exercise of the powers herein granted and assigned to Assignee, no liability shall be asserted or enforced against Assignee Assignor for itself and for and on behalf of all persons claiming or to claim hereafter by, through or under Assignor, hereby expressly waiving, and releasing Assignee from, all such liability.

11. Assignee shall not be in any way: (i) responsible for the control, care and management of the Premises, or any part thereof, or for any waste committed or permitted on the Premises, or any part thereof, by any tenant or other person, (ii) obligated to perform or discharge, nor does Assignee hereby undertake to perform or discharge, any obligation, duty or liability under the leases, or under or by reason of this Assignment, and (iii) liable by reason of any dangerous or defective condition of the Premises, or any part thereof, resulting in loss, damage or injury to the property or person of any tenant or of any other person. Assignor shall and does hereby agree to pay and to indemnify, save, protect and hold forever harmless Assignee and its directors, employees or agents (collectively, "Assignee's Indemnitees") of and from any and all loss, cost, damage, expense, claim, demand and liability, including without limitation, court costs and attorneys' fees and expenses, which Assignee's Indemnitees, or any of them, may or might incur, suffer or sustain or for which Assignee's Indemnitees, or any of them, may become obligated or liable, in any way, by reason of, in connection with or resulting from (a) this Assignment and the rights, powers and interests herein granted and assigned to Assignee, (b) any alleged obligations or undertakings on Assignee's part to perform or discharge any of the terms, covenants or agreements contained in the leases and agreements, any failure or alleged failure by Assignor to pay, perform or observe any covenants, conditions and obligations on the part of the landlord to be paid, performed and observed under the leases or (c) any loss, damage or injury to the property or person of any tenant or of any other person on or about the Premises or any part thereof. If any of Assignee's Indemnitees shall be subject to any liability indemnified hereunder, and such liability is not paid

or satisfied by Assignor within three (3) business days after demand therefor by any of Assignee's Indemnitees so affected, then the amount thereof shall be, so much additional indebtedness and obligations and shall bear interest from the date of demand until reimbursement is received at the default rate, and Assignee shall have, in addition to any other right, power or remedy available to Assignee, the same rights, powers and remedies in the event of the failure to pay promptly any such amount by Assignor as in the case of a default by Assignor in the payment of the indebtedness and obligations. The indemnity of Assignor under this Paragraph 11 shall survive any termination, release or satisfaction of this Assignment.

12. Assignee shall not, in any way, be responsible for failure to do any or all of the things for which rights, interests, powers or authority is herein granted and assigned to Assignee; and Assignee shall not be liable, in any way, for the collectability, collection or non-collection of any of rents or security deposits, nor shall Assignee be required to make an accounting for the benefit of Assignor, except for monies actually received by Assignee in accordance with the terms hereof, Assignor, for itself and for and on behalf of all persons claiming or to claim hereafter by, through or under Assignor, hereby expressly waiving, and releasing Assignee from, any and all such responsibility, liability and requirement.

13. Assignor further specifically authorizes the tenants under each and all of the leases, and any tenancy now or hereafter existing in respect of the Premises, or any part thereof, to pay all unpaid rents agreed upon under the leases or any tenancies to Assignee upon receipt of written demand from Assignee stating that an event of default exists and directing that payment of rents be made to Assignee or such other person(s) as Assignee may designate. Assignor acknowledges and agrees that (i) each and every tenant shall have the right to rely upon any such demand, and the statements and directions therein contained, of Assignee, and shall pay such rents to Assignee, without any obligation or right on the part of such tenant to inquire as to validity or propriety of any such demand by Assignee and notwithstanding any notice from or claim of Assignor to the contrary, and (ii) Assignor shall have no right, claim or recourse against any such tenant, and all tenants are hereby relieved of all duty, liability and obligation to Assignor, in respect of all rents so paid to Assignee.

14. Assignor further agrees to assign and transfer to Assignee all future leases and guaranties and to execute and deliver, at the request of Assignee, all such further assurances and assignments of the leases, rents, security deposits and guaranties as Assignee shall from time to time require. Upon request by Assignee, Assignor shall deliver to Assignee duplicate originals (or if permitted by Assignee, true and complete copies thereof so certified by Assignor) of each and all of the leases and guaranties in existence from time to time.

15. Although it is the intention of the parties that this Assignment shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that until an event of default (as such term is herein defined or used) shall occur or exist,

87667016

Assignor shall have the right and privilege only to collect and retain the rents, to enforce the collection thereof by appropriate action or proceeding in the name of Assignor, and to otherwise manage the Premises, but only in strict compliance with the terms, covenants and conditions herein contained. The foregoing rights and privileges of Assignor shall, upon the occurrence or existence of any event of default, automatically and immediately cease and terminate, without notice to Assignor (notice as to any such event of default being hereby expressly waived by Assignor).

16. This Assignment and the Other Loan Documents (collectively, the "security documents" for the purpose of this Paragraph only) constitute equal security for the payment and discharge of the indebtedness and obligations, and none of the liens or security interests evidenced by the security documents shall be deemed to have preference or priority over any other of the liens or security interests evidenced by the security documents.

17. Nothing herein contained, nor the exercise by Assignee of any of the rights, powers, privileges, interests, remedies and authority herein granted and assigned, shall be, or shall be construed to be, an affirmation by Assignee of any of the leases or of any option to renew or extend the same, or an assumption of liability under, or a subordination of the lien of the Mortgage or of the liens, rights and interests created by this Assignment and the Other Loan Documents to, any of the leases or any such option.

18. Assignor hereby grants to Assignee a security interest in rents and security deposits pursuant to the Uniform Commercial Code of the State of Illinois (the "Code"), and this Assignment shall operate as a security agreement under the Code, thereby entitling Assignee to all the benefits, rights and remedies therein conferred upon a secured party (as such term is defined in the Code). Assignor will, at the request of Assignee, execute or join with Assignee in executing and, at Assignor's own expense, file and refile under the Code, such financing statements, amendments thereto, continuation statements and other documents in such states and in such offices as Assignee may deem necessary or appropriate and wherever required or permitted by law in order to perfect and preserve Assignee's security interest in the rents and security deposits, and hereby authorizes Assignee to file financing statements, amendments thereto and continuation statements relative to all or any part of the rents and security deposits without the signature of Assignor where permitted by law.

19. Assignor hereby agrees that the occurrence or existence of any of the following events or conditions shall constitute an event of default (herein referred to singularly as "event of default" and collectively as "events of default"):

(i) Any representation or warranty made by Assignor or any other obligor, or their respective agents, in this Assignment, the Note or any of the Other Loan Documents or in any other agreement, instrument or statement contemplated hereby or thereby, made or delivered pursuant hereto or thereto or in connection herewith or therewith, shall be breached or violated, or prove to be false, misleading or inaccurate, in any material respect;

(ii) Assignor shall, regardless of cause or reason, fail to pay, perform or discharge, when and as due, any indebtedness and obligations;

(iii) An event of default (as such term is therein defined or used) shall occur or exist under, pursuant to or in connection with the Note or any of the Other Loan Documents.

20. Upon the occurrence or existence of any one or more of the events of default, then at the option of Assignee and without demand or notice to Assignor (demand and notice as to any event of default being hereby expressly waived by Assignor, except for such notices as may be provided in Paragraph 9 hereof), Assignee shall, to the fullest extent permitted by law, be entitled to exercise (i) all the rights, powers and remedies, if any, available under the Code then in effect, (ii) any and all other rights, powers and remedies as permitted in this Assignment, the Note and the Other Loan Documents and (iii) all such other rights and remedies as may be provided at law or in equity.

21. All the terms, covenants, conditions, representations and provisions and all the warranties, in the case of makers and obligors, contained in the Note and the Other Loan Documents are, by this reference, adopted and incorporated into this Assignment to the same full extent and with the same binding force and effect as if all such terms, covenants, conditions, representations, provisions and warranties were herein stated in full, it being the express intent that each of this Assignment, the Note and the Other Loan Documents complement and supplement the others to the extent necessary or required to protect, preserve and confirm the rights, powers, interests and remedies of Assignee in respect of the indebtedness and obligations.

22. Each of the leases shall remain in full force and effect irrespective of any merger of the interest of any landlord and any tenant under any of the leases.

23. All notices, demands and other communications required or desired to be given hereunder shall be in writing signed by Assignee or Assignor, or their respective authorized agents or attorneys, as the case may be, and shall be deemed to have been properly given if (i) served in person, (ii) if mailed by United States registered or certified mail, full postage prepaid, return receipt requested, (iii) if sent by Western Union Telegram or (iv) if sent by special courier (Federal Express or like service), addressed as follows:
