and by virtue of any Lease as they respectively become due, but not more than 30 days in advance.

The Assignors hereby irrevocably consent to and authorize and direct that the tenant or other obligor under any lease upon demand and notice from the Assignee of the Assignee's right to receive rents and other sums hereunder, shall pay such rents and other sums to the Assignee without any obligation on the part of such tenant or other obligor to determine the actual existence of any default or event claimed by the Assignee as the basis for the Assignee's right to receive such rents or other sums and notwithstanding any notice from or claim of the Assignors or any of them to the contrary. The Assignors hereby waive any right or claim against any tenant or other obligor for any such rents and other sums paid by tenant or other obligor to the Assignee.

Without limiting any legal rights of the Assignee as the absolute assignee of the rents, issues and profits of the premises and in furtherance thereof, Assignors agree that in the event of default under said Mortgage, whether before or after the Note is declared due in accordance with its terms or under the terms of said Mortgage and whether before or after satisfaction of any requirement of the lapse of time or the giving of notice or both on which acceleration after default may be conditioned, the Assignee may, at its option, (i) take actual possession of the premises hereinabove described, or of any part thereof, personally or by agent or attorney, as for condition broken, and with or without force and with or without process of law, enter upon, take, and maintain possession of all or any part of said premises together with all documents, books, records, papers and accounts relating thereto, and exclude the Assignors, their agents or servants, therefrom and hold, operate, manage and control the premises, and at the expense of the premises, from time to time, cause to be made all necessary or proper repairs, renewals, replacements, useful alterations, additions, betterments and improvements to the premises as may seem judicious, and pay taxes, assessments and prior or proper charges on the premises, or any part thereof, and insure and reinsure the same, and lease the premises in such parcels and for such times and on such terms as Assignee may deem fit, including leases for terms expiring beyond the maturity of the indebtedness secured by said Mortgage, and cancel any lease or sublease for any cause or on any ground which would entitle the Assignors or either of them to cancel the same and in every such case have the right to manage and operate the said premises and to carry on the business thereof as the Assignee shall deem proper or (ii) with or without taking possession of the premises, Assignee may proceed to enforce the Leases and collect all sums due or to become due thereunder and by so doing Assignee shall not be deemed a mortgagee in possession nor to have assumed or become responsible or liable for any obligations of Assignors arising thereunder or in respect thereof.

Any sums received by Assignee under or by virtue of this Assignment shall be applied to the payment of or on account of the following in such order and manner as Assignee may elect:

(a) to the payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, clerks, servants and others employed in connection with the operation, management and control of the premises and the conduct of the business thereof and, if the Assignee shall elect, to the establishment of a reserve which shall be sufficient in Assignee's judgment to indemnify it against any liability, loss or damage on account of any matter or thing done in good faith and in pursuance of the rights and powers contained herein;

(b) to the payment of any sum secured by a lien or encumbrance upon the premises;

(c) to the cost of completing any improvements being constructed on or about the premises; and

(d) to the reduction of the indebtedness hereby secured, whether or not the same may then be due or be otherwise adequately secured.

The manner of application of such sums and the items which shall be credited or paid out of same shall be within the sole discretion of Assignee and nothing herein contained shall obligate Assignee to use any such sums for a purpose other than reducing the indebtedness hereby secured unless it shall elect so to do. Assignee shall be subrogated to any lien discharged out of the rents, income and profits of the premises.

The Assignors hereby further covenant that the Assignors will upon request of the Assignee execute and deliver such further instruments and do and perform such other acts and things as the Assignee may reasonably deem necessary or appropriate to more effectively vest in and secure to the Assignee the rights and rents which are intended to be assigned to the Assignee hereunder. Assignors irrevocably waive any right they now or hereafter may have to offset any claim or liability owing from any of them to any obligor on a Lease against sums due or to become due from such obligor under a Lease.

Assignors covenant and agree to observe and perform all of the obligations imposed on them under the Leases and not to do or permit to be done anything to impair the security thereof, not to execute any Lease on terms and conditions less satisfactory to the lessor than are usual and customary in leases with a similar term and for similar types of space in the general market area where the premises is located, not to further assign or encumber

their rights under the Leases or their rights to the rents or other sums due or to become due thereunder and not suffer or permit any of the Leases to be subordinated to any other liens or encumbrances whatsoever, any such subordination to be null and void unless done with the written consent of Assignee. Assignors further covenant and agree not to amend, modify or terminate any of the Leases without the prior written consent of Assignee, provided that unless and until an event of default or any event which with the lapse of time, the giving of notice, or both would constitute such an event of default has occurred under the terms of the Mortgage or Note, Assignors may enter into amendments and modifications to Leases which do not adversely affect the security thereof.

Beneficiary warrants that he has heretofore delivered to Assignee true and correct copies of the Leases between Beneficiary and/or Trustee, as landlord and various tenants with respect to the premises at 6700-10 S. Blackstone, Chicago, Illinois 60637 the interest of the landlord under the leases having been assigned to Assignor (the "Primary Leases"), that the Primary Leases have not been amended or modified in any respect, that the same continues in full force and effect and that both the lessor and the lessees thereunder are in compliance with all of their respective covenants therein contained and that to the best knowledge of Assignor after due diligence no event has occurred or conditions exists which would constitute a ground for terminating the Primary Leases by either lessor or the lessees.

The acceptance by the Assignee of this Agreement, with all of the rights, powers, privileges and authority so created, shall not, prior to entry upon and taking of actual physical possession of the premises by the Assignee, be deemed or construed to constitute the Assignee a mortgagee in possession nor impose any obligation whatsoever upon the Assignee, it being understood and agreed that the Assignee does not hereby undertake to perform or discharge any obligation, duty or liability of the landlord under any Leases or under or by reason of this Assignment. Assignee shall have no liability to assignors or anyone for any action taken or omitted to be taken by it hereunder, except for its willful misconduct. Should the Assignee incur any liability, loss or damage under or by reason of this Assignment or for any action taken by the Assignee hereunder, or in defense against the Assignee arising out of any lease, the amount thereof, including costs, expenses and reasonable attorneys' fees, together with interest thereon at the rate applicable to the Note at the time of incurrence (or if the Note has been paid in full at the time of incurrence, then at the rate applicable to the Note at the time of such payment in full), shall be secured by this Assignment and by the Mortgage, and the Assignors shall reimburse the Assignee therefore immediately upon demand,

Assignors obligation to so pay to survive payment of the indebtedness hereby secured and the release of this Assignment.

The rights and remedies of the Assignee hereunder are cumulative and are not secondary to or in lieu of but are in addition to any rights or remedies which the Assignee shall have under the said Note, Mortgage or any other instrument or document or under applicable law and the exercise by Assignee of any rights and remedies herein contained shall not be deemed a waiver of any other rights or remedies of Assignee, whether arising under the Mortgage or otherwise, each and all of which may be exercised whenever Assignee deems it in its interest to do so. The rights and remedies of the Assignee may be exercised from time to time and as often as such exercise is deemed expedient and the failure of the Assignee to enforce any of the terms, provisions and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof.
