TO HAVE AND TO HOLD the above-described premises, with the appurtenances and fixtures, unto the said Mortgagee, its successors and assigns, forever, for the purposes and uses herein set forth, free from all rights and benefits under and by virtue of the Homestead Exemption Laws of the State of Illinois, which said rights and benefits the said Mortgagor does hereby expressly release and waive.

AND SAID MORTGAGOR covenants and agrees:

To keep said premises in good repair, and not to do, or permit to be done, upon said premises, anything that may impair the value thereof, or of the security intended to be effected by virtue of this instrument; not to suffer any lien of mechanics men or material men to attach to said premises; to pay to the Mortgagee, as hereinabove provided, until said note is fully paid, (1) a sum sufficient to pay all taxes and assessments on said premises, or any tax or assessment that may be levied by authority of the State of Illinois, or of the county, town, village, or city in which the said land is situated, upon the Mortgagor on account of the ownership thereof, (2) a sum sufficient to keep all buildings that may at any time be on said premises, during the continuance of said indebtedness, insured for the benefit of the Mortgagee in such type or types of hazard insurance, and in such amounts, as may be required by the Mortgagee.

In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior lien or incumbrance other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagee may pay such taxes, assessments, and insurance premiums, when due, and may make such repairs to the property herein mortgaged as may reasonably be deemed necessary for the proper preservation thereof, and any moneys so paid or expended shall become so much additional indebtedness, secured by this mortgage, shall bear interest at the rate provided for in the principal indebtedness, shall be payable thirty (30) days after demand and shall be paid out of proceeds of the sale of the mortgaged premises, if not otherwise paid by the Mortgagor.

Upon the request of the Mortgagee the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagee for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advances evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvements situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

AND the said Mortgagor further covenants and agrees as follows:

Privilege is reserved to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment, other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee as Trustee under the terms of this trust as hereinabove stated, on the first day of each month until the said note is fully paid, the following sums:

- (a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee, and of which the Mortgagor is notified) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and assessments.
- (b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:
 - I. ground rents, if any, taxes, assessments, fire, and other hazard insurance premiums;
 - II. interest on the note secured hereby; and
 - III. amortization of the principal of the said note.
