UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

16. Transfer of the Project or a Technical Interest in Dotorower. If all or any part of the Project or any Note or Note of Dotorower shall be given one conforming copy of the Note and of the Project or any Note or Note of Dotorower to be kept.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note contains conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflict.

partial prepayment without any prepayment charge under the Note. If notice of partial prepayment is given, the trustee shall render a certificate of the amount of such prepayment to the holder of the Note.

12. **Loan Charges.** If the loan secured by this security instrument is subject to a law which sets a maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limit, then, (a) only such loan charges shall be reduced by the amount necessary to reduce the loan to the permitted limit; and (b) any amounts already collected from the borrower which exceed the maximum permitted by law will be refunded by the lender.

Under such circumstances, it would be reasonable to conclude that the findings of the audit are not reliable. The audit report does not provide sufficient evidence to support its conclusions. The audit report is not based on a systematic review of the financial statements, and it does not provide enough detail to allow for a meaningful assessment of the financial statements. 10. Borrower Not in arrears or in monthly payments referred to in paragraphs 1 and 2 of change in the amount of such payments.

## ADJUSTABLE RATE RIDER

2001781-1

### (1 Year Index—Payment Cap, Interest Rate Limits and Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this . . . . . day of . . . . . , 19 . . . . . , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to . . . . . LYONS FEDERAL TRUST AND SAVINGS BANK, A CORPORATION UNDER THE UNITED STATES OF AMERICA (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

20145 JUNIPER AVENUE, LYNWOOD, IL. 60411

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER MAY LIMIT MONTHLY PAYMENT INCREASES EACH YEAR IF THE PROVISIONS OF THE NOTE PERMIT IT. THE ANNUAL INTEREST RATE CHANGES MAY BE LIMITED. THE INTEREST RATE MAY ALSO BE LIMITED. THE NOTE ALSO MAY PERMIT THE BORROWER TO CONVERT THE ADJUSTABLE RATE LOAN INTO A FIXED RATE LEVEL PAYMENT, FULLY AMORTIZING LOAN.

**Additional Covenants.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

#### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of .8.25 . . . %. The Note provides for changes in the interest rate and the monthly payments, as follows:

##### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES; BORROWER'S RIGHT TO LIMIT PAYMENT

###### (A) Change Dates

The interest rate I will pay may change on the first day of . . . . . FEBRUARY . . . . . , 19 . . . . . , and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

###### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the . . . . . weekly average yield on United States Treasury Securities, adjusted to a constant maturity of one year . . . . . as made available by the Federal Reserve Board.

The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

###### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding . . . . . percentage points (. . . . . %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment." It will be the new amount of my monthly payment unless I choose the amount permitted by Section 4(G) below.

###### (D) Limit on Interest Rate Changes

Beginning with the . . . . . first . . . . . Change Date and every Change Date thereafter, the rate of interest I am required to pay shall never be increased or decreased on any single change date by more than two . . . . . (2.0) % from the rate of interest I have been paying for the preceding twelve months. My interest rate also shall never be greater than six percent over the initial rate.

###### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

###### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(G) Borrower's Right to Limit Monthly Payment  IS APPLICABLE  IS NOT APPLICABLE

Unless Sections 4 (I) and 4 (J) below will not permit me to do so, I may choose to limit the amount of my new monthly payment following a Change Date to .....

.....  
(although the interest rate charged will be different). This amount is called the "Limited Payment." If I choose a Limited Payment as my monthly payment, I must give the Note Holder written notice that I am doing so at least 15 days before my first new monthly payment is due.

#### (H) Additions to My Unpaid Principal

If I choose to pay the Limited Payment, my monthly payment could be less than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. If so, each month that the Limited Payment is less than the interest portion, the Note Holder will subtract the Limited Payment from the amount of the interest portion and will add the difference to my unpaid principal. The Note Holder will also add interest on the amount of this difference to my unpaid principal each month. The interest rate on the interest added to principal will be the rate required by Section 4(C) above.

#### (I) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid principal can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed. My unpaid principal could exceed that maximum amount if I pay a Limited Payment. If so, on the date that my paying my Limited Payment would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Change Date. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my current interest rate in substantially equal payments.

#### (J) Required Full Payment

Beginning with the first monthly payment after the final Change Date, I will pay the Full Payment as my monthly payment.

## S. FIXED RATE CONVERSION OPTION IS APPLICABLE

IS NOT APPLICABLE

#### (A) Option to Convert to Fixed Rate

1. Except as provided in Section 5A.2 below and notwithstanding anything to the contrary in the Note or the Rider, I may choose to convert my adjustable rate interest payments to fixed rate interest payments, as of the first day of March ..... 19. 87 .... or ... at any time during ..... each of the following ..... 29 ..... calendar years. Each date as of which I can choose to convert my interest payments is called a "Conversion Date." The last possible conversion date is ..... February 1, 2016 .....

If I choose to make this conversion, I must give the Lender written notice that I am doing so at least 45 days before the Effective Conversion Date. I also must sign and give to the Lender a document, in any form that the Lender may require, changing the terms of the Note as necessary to give effect to the Conversion. Beginning with the Effective Conversion Date, if such conversion has been chosen, my interest rate will be equal to the Federal Home Loan Mortgage Corporation's published required Net Yield for 30-year, fixed rate mortgages covered by 60-day mandatory delivery commitments that was in effect as of the date 45 days before the Effective Conversion Date, plus, one & one half percent (1.5 ... %), rounded to the nearest one-eighth of one percentage point (0.125%). If such required Net Yield is not available, Lender will determine my new, fixed interest rate by using a comparable figure.

2. If the unpaid principal balance of my loan on the Effective Conversion Date will be greater than the original principal amount of my loan, the Lender may require that a qualified real estate appraiser, chosen by the Lender, prepare an appraisal report on the value of the secured property. I will pay the Lender a reasonable fee for this appraisal report. If the unpaid principal balance of my loan on the Effective Conversion Date will be an amount greater than 95% of the value of the property securing my loan, as established by the appraisal report, I will not have the option to convert my adjustable rate interest payments described in Section 5A.1 above unless I pay the Lender an amount sufficient to reduce the unpaid principal balance to that amount.

#### (B) Determination of New Payment Amount

If I choose to convert to a fixed rate of interest as provided in Section 5A above, the Lender will then determine the amount of a monthly payment that would be sufficient to repay the unpaid principal balance of my loan I am expected to owe on the Effective Conversion Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment (the "New Payment Amount").

#### (C) Payment of New Payment Amount; Continuation of Fixed Rate

Beginning with my first monthly payment after the Effective Conversion Date, I will, if I have chosen the foregoing conversion, pay the New Payment Amount as my monthly payment, and the interest rate I pay will not change from the fixed rate established as of the Effective Conversion Date.

#### (D) Notice by Lender

Before the date of my first monthly payment after the Effective Conversion Date, the Lender will mail or deliver to me: a notice of my new interest rate as of the Effective Conversion Date; the amount of my New Monthly Payment; and a date (not later than 15 days from the date the Lender gives me the notice) by which I must sign and give the Lender a document making the changes to the Note that are necessary to provide the new fixed interest rate. The notice will include all information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### (E) Failure to Choose Conversion

If I do not, at least 30 days before the last possible Conversion Date specified in Section 5A.1 above, give the Lender notice that I choose to convert my adjustable rate interest payments to fixed rate interest payments and do the other things that I must do under Section 5A above, within the applicable times specified in such Section, I will no longer have the right to choose such a conversion of interest payments.

## B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may revoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
