THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE PROVISIONS OF THE POST RESERVED.

ABOITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTERFST RATE AND MONTHLY PAYMENT CHANGES

The Nove provider for an initial interest rate of 11.3.44.. %. The Note provides for changes in the interest rate and the monthly payments as follows:

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

### (A) Change Dates

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 years, as made available by the Federal Reserve Board. The most recent Index, figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of his choice.

#### (C) Calculation of Changes

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Fee ment." It will be the new amount of my monthly payment unless I chaose the amount permitted by Section 5 below

### (D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

### 5 DORROWER'S RIGHT TO LIMIT MONTHLY PAYMENT; REQUIRED FULL PAYMENT

#### (A) Calculation of Graduated Limited Payment

I may choose to limit the amount of my new monthly payment following a Change Date if my new interest rate would cause the monthly payment I have been paying to increase by more than seven and one-half percent (7.5%). If I choose to limit the amount of my monthly payment, I must give the Note Holder notice that I am doing so at least 15 days before my first new monthly payment is due. When I do so, on the first monthly payment date after the Change Date I will begin paying a new monthly payment which will be equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. Thereafter, on each of the first two anniversaries of my new monthly payment effective date, my monthly payment will again increase to an amount equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. These amounts are called the "Graduated Limited Payments."

Even if I have chosen to limit my monthly payment, Section 5(B), 5(C) or 5(D) below may require me to pay a different amount.

### (B) Reduced Monthly Payment

A Graduated Limited Payment could be greater than the amount of a monthly payment which then would be sufficient to repay my unpaid principal in full on the maturity date at my current interest rate in substantially equal

\*Provided however, the interest rate will not be changed by more than two percentage points (2.0%) on any "Change Date". At no time during the term of the loan may the maximum interest rate increase or decrease by more than five percentage points (5.0%) over or under the initial interest rate.

### 164 Increased Monthly Payment

My paying a Graduated Limited Payment could cause my unpaid principal to exceed the limit stated in Section 6(B) below. If so, on the date that my paying my monthly payment would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Change Date. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my current interest rate in substantially equal payments.

### (D) Required Full Payment

Beginning with the first monthly payment after the final Change Date, I will pay the Full Payment as my monthly payment.

### INCREASES IN THE PRINCIPAL AMOUNT TO BE PAID

### (A) Additions to My Unpaid Principal

If I choose to pay Graduated Limited Payments, my monthly payment could be less than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. If so, each month that the amount of my monthly payment is less than the interest portion, the Note Holder will subtract the amount of my monthly payment from the amount of the interest portion and will add the difference to my unpaid principal. The Note Holder will also add interest on the amount of this difference to my unpaid principal each month. The interest rate on the interest added to principal will be the rate required by Section 4(C) above.

### (B) Limit on Mr I noaid Principal

My unpaid principal far never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I one saily borrowed.

#### NOTICE OF CHANGES

The Note Holder will deliver or nail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.
